Engineering, Technology, Management, Medical, Dental, Pharmacy, Nursing, Allied Healthcare Sciences, Agricultural Sciences, Life Sciences, Commerce, Arts, International Schools and Junior Colleges with the exquisite aim of spreading quality education as 'The Largest Group of Educational Institutions in the State of Telangana.

Shri. Ch. Malla Reddy embarked on his journey as an educationist with the aspiration of bridging the gap between society, industry & academia.

Shri Ch. MALLA REDDY
Founder Chairman CES
MLA, Former Minister, Govt. of Telangana

CES has decades of experience in all the domains of education especially in healthcare, technology & management segment is uniquely positioned to commence cutting edge academic and research programs in the emerging fields focusing interdisciplinary education. CES possesses all required resources to establish 'Malla Reddy Vishwavidyapeeth' (MRV) as a Deemed to be University.

ABOUT US

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), established in 2005, is a distinguished constituent college of the Chandramma Educational Society (CES), founded by Sri Ch. Malla Reddy, a visionary educationist committed to transforming the landscape of higher education in Telangana.

MRIPS is proud to be an integral part of **Malla Reddy Vishwavidyapeeth (MRV) – Deemed to be University**, which is sponsored by CES. MRV was established with a vision to evolve as a Center of Excellence in education, research, and innovation across diverse disciplines.

At MRIPS, we believe that education is not merely the transfer of knowledge, but a holistic process of training, mentoring, and inspiring the next generation of pharmacy professionals. We strive to create a dynamic academic environment that fosters critical thinking, research aptitude and lifelong learning.

With a team of highly qualified and dedicated faculty, MRIPS has continually pursued excellence in pharmaceutical education and research. The institute actively organizes national conferences, workshops, and Faculty Development Programs (FDPs), contributing significantly to the professional development of both students and academicians.

Program	Specialization	Duration	Intake
M.Pharmacy	Pharmaceutics	2 Years	15
	Pharmaceutical Analysis		15
Pharm. D (Post Baccalaureate)		3 Years	10

Doctoral Program

Program	Duration	Eligibility	Intake
Ph. D	Full-time/ Part-time	M. Pharm with any specialization	As per University norms (MRVCET)

EXPERIENCED FACULTY PILLARS OF ACADEMIC EXCELLENCE

At Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), our strength lies in the expertise and dedication of our faculty. With decades of combined teaching, research, and industry experience, our educators are committed to shaping the next generation of pharmaceutical leaders

Distinguished Leadership

"Welcome to Malla Reddy Institute of Pharmaceutical Sciences, a hub of academic excellence and innovation. Our mission is to nurture dedicated professionals who are prepared to lead and serve in the pharmaceutical sector with integrity and passion. At MRIPS, we emphasize a strong academic foundation, hands-on research, and a commitment to community health. We take pride in shaping the pharmacists of tomorrow who will make a difference on a global scale. Join us on this journey of learning, discovery, and transformation."

Dr. H. Ramana
B.Pharm, M.Pharm, Ph.D, M.Sc. (Psy)

Core Academic Leaders

Our academic leadership is composed of highly qualified professionals with doctoral degrees and extensive experience in various pharmaceutical sciences. They guide the institution's academic vision, ensuring excellence in teaching, research, and industry collaboration. Their contributions to scientific literature and curriculum development play a pivotal role in shaping future-ready pharmacy professionals.

Research-Driven Faculty

At MRIPS, research is at the heart of education. Our faculty members are deeply engaged in innovative research across key areas like pharmaceutical analysis, drug delivery systems, and regulatory science. With numerous publications and active participation in global conferences, they foster a culture of inquiry and academic curiosity among students.

Dynamic & Emerging Talent

The institution is also home to a vibrant group of emerging educators and researchers who bring fresh perspectives and contemporary insights into the classroom. Recognized for their academic achievements and awards, they are committed to student mentorship, skill development, and advancing pharmacy education in line with global standards.

"Faculty members deliver structured, hands-on demonstrations to ensure students develop proficiency in the operational protocols, calibration standards and routine maintenance of laboratory instrumentation, in accordance with scientific best practices."

"TECH-DRIVEN EDUCATION."

MRIPS College is proud to offer a modern and dynamic learning environment equipped with state-of-the-art digital classrooms that enhance the educational experience through smart technology and interactive learning tools.

MRIPS College is equipped with modern smart classrooms that enhance teaching and learning through digital tools such as interactive boards, projectors, audio-visual systems, and high-speed internet connectivity. These classrooms support dynamic, multimedia-based instruction, making lessons more engaging, collaborative, and effective.

CUTTING-EDGE LAB FACILITIES

MRIPS College houses well-equipped laboratories across all major departments, designed to provide hands-on learning and practical exposure. Each lab is furnished with modern instruments, safety systems, and updated technology, enabling students to conduct experiments, research, and technical training under expert faculty supervision. The labs are regularly maintained to meet academic, industrial, and research standards.

DELNET ACCESS AT MRIPS LIBRARY

MRIPS College Library is a proud member of DELNET (Developing Library Network), providing students and faculty access to a vast network of academic resources. Through DELNET, users can access millions of books, journals, articles, theses, and e-resources from institutions across India and abroad, greatly enriching research and learning opportunities.

PLACEMENT HIGHLIGHTS

Empowering Future Pharmacists With Above **98% Placement Opportunities**

Career Advancement & Industry Partnerships

At **Malla Reddy Institute of Pharmaceutical Sciences (MRIPS)**, we are committed to shaping competent professionals through academic excellence and real-world readiness. Our dedicated Placement Cell fosters strong industry linkages, ensuring that every eligible student secures meaningful employment – achieving above **98% placement**.

Prominent Recruiting Partners:

Our placement success is a testament to the institute's unwavering commitment to academic rigor, industry-aligned training, and holistic student development.

MRIPS Clinical Collaboration with Malla Reddy Narayana Hospital

MRIPS has signed an MoU with Malla Reddy Narayana Multispeciality Hospital to provide students with direct exposure to hospital-based clinical practices, patient care protocols, and interdisciplinary healthcare training. This collaboration strengthens hands-on learning and research integration.
