MESSAGE FROM EMINENT PERSONALITY

It gives me immense pleasure to extend my warm greetings to the students, faculty, researchers, alumni, and staff of Malla Reddy Institute of Pharmaceutical Sciences on the release of this edition of the institute's newsletter.

The field of pharmaceutical sciences is continuously evolving, driven by innovation, research, and a commitment to improving global healthcare. Educational institutions play a pivotal role in nurturing future pharmacists, researchers, and healthcare professionals who will contribute meaningfully to society. I am delighted to note that Malla Reddy Institute of Pharmaceutical Sciences has been consistently striving for academic excellence, quality research, and holistic student development.

A newsletter serves as a valuable platform to showcase the achievements, innovations, and activities of an institution. It reflects the collective efforts of students and faculty in academics, research, co-curricular activities, community service, and professional development. I commend the editorial team for documenting and sharing these accomplishments, thereby fostering a culture of knowledge sharing and continuous learning.

I encourage all students to remain curious, embrace innovation, uphold professional ethics, and strive for excellence in every endeavor. The future of healthcare depends on dedicated professionals who combine scientific knowledge with compassion and integrity.

I extend my best wishes to the management, faculty, students, and alumni of Malla Reddy Institute of Pharmaceutical Sciences for continued success and greater achievements in the years ahead.

"Education empowers minds, research transforms lives, and innovation shapes the future."

With Best Wishes

Mr. Pramod Kumar

Principal

JSS College of Pharmacy, Mysuru.

MESSAGE FROM PRINCIPAL 'S DESK

Dear Students, Faculty Members, Alumni, and Readers,

It gives me immense pleasure to present the Annual Newsletter of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS). This publication highlights the significant achievements, memorable milestones, and collective accomplishments of our institution throughout the academic year. It serves as a reflection of the dedication, perseverance, and excellence demonstrated by our students, faculty members, and staff.

The field of pharmaceutical sciences continues to evolve at a rapid pace, offering new opportunities for innovation, research, and healthcare advancement. Throughout the year, our institution has remained committed to delivering quality education, fostering a vibrant research culture, encouraging professional excellence, and promoting meaningful community engagement. Our students have excelled in academics, research presentations, conferences, cultural events, sports, extension activities, and healthcare awareness programs, bringing recognition and pride to the institution.

I sincerely appreciate the unwavering commitment of our faculty members in mentoring students, promoting research and innovation, and organizing a wide range of academic and professional development activities, including seminars, workshops, guest lectures, industrial visits, conferences, and outreach programs. Their dedication has played a pivotal role in nurturing competent, ethical, and socially responsible pharmacy professionals.

This annual newsletter is more than a compilation of events and achievements; it is a celebration of our shared journey, reflecting the spirit of learning, creativity, collaboration, and continuous improvement that defines our institution. It provides a platform to showcase the remarkable contributions of our students and faculty while inspiring future excellence.

I extend my heartfelt congratulations to the editorial team and all contributors for their sincere efforts in bringing out this informative and vibrant publication. I also express my gratitude to our visionary management, faculty members, students, alumni, parents, and stakeholders for their unwavering support and trust, which continue to inspire us to achieve greater heights.

As we look ahead, I am confident that Malla Reddy Institute of Pharmaceutical Sciences will continue to uphold its tradition of academic excellence, research innovation, professional integrity, and service to society. Let us move forward with renewed enthusiasm, determination, and a shared commitment to shaping the future of pharmaceutical education and healthcare.

I extend my best wishes to all our students, faculty members, staff, and alumni for continued success and excellence in all their future endeavors.

Warm Regards,

Dr. B. Raj Kamal

Principal

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS)

MESSAGE FROM CHIEF EDITOR

Dear Readers,

Welcome to the Annual Newsletter of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS). It is a privilege to present this edition, which celebrates another successful academic year filled with learning, innovation, achievements, and memorable milestones. This newsletter reflects the collective efforts of our students, faculty, researchers, alumni, and staff, whose dedication continues to strengthen the legacy of our institution.

Over the past year, MRIPS has remained steadfast in its mission of nurturing skilled, ethical, and compassionate pharmacy professionals. Our campus has been enriched by a wide spectrum of academic and professional activities, including scientific conferences, seminars, workshops, industrial visits, research initiatives, extension programmes, cultural festivals, sports competitions, and community healthcare campaigns. These experiences have fostered intellectual growth, teamwork, leadership, and social responsibility among our students.

This publication captures the spirit of our institution by documenting the significant events, achievements, and contributions that have shaped the academic year. Every accomplishment featured in these pages is a testament to the perseverance of our students, the commitment of our faculty, and the unwavering support of our management. Together, they have created an environment that encourages excellence, innovation, and lifelong learning.

As Chief Editor, I am delighted to witness the enthusiasm with which our students and faculty have contributed articles, reports, photographs, and creative works. Their participation has transformed this newsletter into more than just a record of events—it is a reflection of the vibrant academic culture and collaborative spirit that define MRIPS.

I extend my heartfelt gratitude to our respected Management and Principal for their constant encouragement and guidance. My sincere appreciation goes to every member of the editorial committee, faculty coordinators, student volunteers, and contributors whose hard work, creativity, and dedication have made this publication possible.

I hope this annual newsletter inspires every reader to take pride in our achievements, cherish our shared memories, and look forward to new opportunities with confidence and determination. Together, let us continue to uphold the values of excellence, integrity, innovation, and service that define Malla Reddy Institute of Pharmaceutical Sciences.

Thank you for your continued support, and I wish the entire MRIPS family a future filled with success, growth, and meaningful contributions to the field of pharmaceutical sciences.

Warm Regards,

Mrs. Shweta M. Dhule

VISION

We strive to provide high-quality, affordable, and accessible education tailored to 21st-century needs. Through a focus on research, innovation, and hands-on learning, we prepare students to tackle global challenges with creativity, critical thinking, and adaptability. Committed to social responsibility, we empower graduates to become skilled professionals and responsible citizens.

MISSION

To be a globally recognized center of excellence in education, research, and innovation, empowering individuals to become leaders and contribute meaningfully to society. By promoting research, innovation, and hands-on learning, we prepare students for evolving global challenges. Committed to social responsibility, we actively contribute to community welfare through various outreach initiatives, ensuring our graduates emerge as competent professionals and responsible citizens.

Beyond academic pursuits, we are deeply dedicated to social responsibility, sustainability, and community engagement. Through impactful outreach initiatives, industry partnerships, and global collaborations, we strive to bridge the gap between education and real-world impact. By nurturing ethical values, inclusivity, and a spirit of service, we shape well-rounded professionals who contribute meaningfully to society, driving innovation and positive change at a global level.

BEYOND THE CLASSROOM

Grant for the Import / Manufacturing of Medical Devices The Ministry of Health and Family Welfare, Government of India has notified the regulation for the following medical devices as per the notification: S.O. 775(E) dated February 8, 2019. This will be effective from 01-04-2021. Accordingly the importers / manufacturers are required to take the license for either to import/manufacture below mentioned medical devices from the Central Licensing Authority/State Licensing Authority. The list of such devices as per Central Drug Standard Control Organization are as follows.

All implantable medical devices

- CT scan equipments
- MRI equipments
- Defibrillators
- PET equipments
- Dialysis machines
- X-ray machines
- Bone marrow cell separators

In this regard, it may be pertinent to mention that 97 of Devices rules 2017 provides the details about applicability of the said rules in respect of various actions or operations undertaken under Drugs and Cosmetics rules for the substances and devices referred to in Rule 2 of the MDR2017 prior to commencement of MDR 2017. In case, an existing importer/manufacture of the above medical devices has submitted the application to Central Licensing Authority/State Licensing Authority as the case may be for the grant of import /manufacturing license in a report of the set medical devices provisions of MDR 2017, the said application shall be deemed to be valid and importer or manufacturer can continue to import/ manufacture the set devices up to six months from issue of the order or till the time. This order was approved by Drug Controller General of India (DCGI) under the file F. No. 29 /Misc /03/2021-DC (28), CDSCO, and Government of India.

REMDESIVIR: PREVENTING ITS HOARDING AND BLACK MARKETING

Remdesivir was the first drug approved by the FDA for treating the SARS-CoV-2 virus. The broad-spectrum antiviral is a nucleotide analogue prodrug. The U.S. Food and Drug Administration (FDA) approved Remdesivir based on the three randomized, controlled clinical trials (NCT04280705, NCT04292899, NCT04292730) that included 2043 participants from 17 countries who were hospitalized with mild-to-severe COVID 19. The FDA granted approval and reissued the revised Emergency Use Authorization to Gilead Sciences Inc.

In India, the cases of COVID 19 were found increasing rapidly. This had led shortage of Remdesivir injections. It has been brought to the notice of Ministry of Health and Family Welfare, Government of India that the states of Madhya Pradesh, Gujrat and Maharashtra were reporting shortage of Remdesivir injections. This may perhaps lead to its hoarding and black marketing.

Thus, Drug Controller General of India (DCGI) requested the Ministry of Health and Family Welfare to initiate remedial action to ensure the supply of Remdesivir injection to public and private hospitals where there was shortage of the injection. Also, requested to instruct enforcement staff to keep continuous monitoring on the situation and to keep strict vigil so that any incidence of black marketing and over-charging of the drugs can be prevented.

This notice was issued on April 7, 2021 by DCGI under the File No. ED/Misc-273/2020-3 in Enforcement Division of Central Drugs Standard Control Organization.

FUN @ PHARMA

1. I'm taken to ease your pain, but overuse me, and I'll hurt you again. What am I?
2. I'm the king of all acids, I clean metal like a pro. Handle me with care, or you'll have to let me go. What am I?
3. Though my taste is often bitter, I save lives like no other. I can be generic or branded— what am I?
4. I'm in every pharmacy, yet I never cure disease. What am I?
5. With me, you measure precisely, but overuse causes catastrophe. What am I?
6. I mix powders, liquids, and creams, turning your prescriptions into dreams. What am I?
7. I hold the knowledge of many meds, helping you prevent mistakes instead. What am I?
8. I alert you when drugs clash, ensuring patients avoid a crash. What am I?
9. I'm tested by fire and water to ensure no fault. Without me, pills might be all for naught. What am I?
10. I ensure the perfect dose, from micrograms to milligrams. What am I?
11. I'm silent but deadly; I break the sugar code. What am I? small. What am I?
12. Without me, the immune system will fall, for I stand guard against microbes, large and SMALL.
13. I'm measured to know the heart's pace, but too high or low could end the race. What am I?
14. I'm the target for many meds, controlling the body's intricate threads. What am I?
15. I'm not alive, but I save lives. Without me, the cure you seek wouldn't arrive. What am I?

1. Painkillers 2. Hydrochloric acid 3. Medicine 4. Prescription pad
5. Syringe 6. Compounding 7. Pharmacopoeia or Drug Reference Book
8. Drug interaction checker 9. Stability test 10. Pharmaceutical balance 11. Diabetes
12. Antibiotics 13. Blood pressure 14. Receptors 15. Vaccine

B.Pharm IV Year Students Gain Valuable Industrial Exposure

As a part of the academic curriculum, the B.Pharm IV Year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) participated in an enriching industrial visit and training programme on April 6th 2023 to bridge the gap between classroom learning and pharmaceutical industry practices. The students undertook a one-day industrial visit to Makson Healthcare Pvt. Ltd., Hyderabad, followed by five days of industrial training at Horizon Bio Labs, where they gained hands-on exposure to industrial operations.

During the programme, students explored key departments including Research & Development (R&D), Quality Assurance (QA), Quality Control (QC), Production, and Packing. They also learned about the operation and Standard Operating Procedures (SOPs) of sophisticated analytical instruments such as HPLC, Gas Chromatography (GC), UV-Visible Spectrophotometer, and FTIR.

The programme was successfully conducted under the visionary guidance of Principal Dr. B. Rajkamal and the continuous encouragement of Vice Principal Dr. J. Sangeetha and all the Heads of Departments. The dedicated efforts of the class in-charges Ms. Durga Bhavani, Mrs. Manogna, and faculty members Mr. Sridhar and Mr. B. Pavan played a vital role in making the industrial exposure programme a valuable learning experience. The visit significantly enhanced the students' understanding of pharmaceutical manufacturing, quality systems, and industrial best practices, preparing them for their future professional careers.

o

Traditional fest at MRIPS

Traditional fest conducted on 23rd March 2023 at MRIPS Auditorium. It is also the celebration of the Ugadi festival in MRIPS by everyone with traditional attire according to the theme concept of the traditional day. ANTARA was the theme concept of the traditional day which indicates Andhra, Telangana and Rayalaseema traditional. The feast was started by the pooja of lord Ganesh by the respected principal Dr. B. RajKamal sir and Vice Principal Dr. J. Sangeetha mam. All the students and lecturers were devotionally involved in the pooja. All the lecturers prepared ugadi pachadi as a symbolized sign for the Ugadi festival. The program started with the speech of the principal and the event is hosted by Ms. B. Revathi.

The program was continued with a few dance performances including students and faculty energetically. There was a ramp walk by the students in traditional attire and the prizes were given based on the theme. From pharm D Miss traditional were Y. Ankamma (Pharm D 3rd year) and Sushma (Pharm D 2nd year), and Mr. Traditional was Aakash. From the B pharm miss traditional was Greeshma 4th year. the best performance of the day was won by Anjali (Pharm D 4th year). For lectures also the rewards were given for their traditional attire by the respectable principal. It was a very memorable day for all. The event ended with the DJ, students enjoyed the DJ and made it a memorable day in the records of MRIPS.

Honoring the Hands that Build Our Future — International Labour Day at MRIPS

On the occasion of **International Labour Day**, MRIPS Pharmacy College proudly commemorates the dedication, perseverance, and dignity of every individual who contributes to the foundation of our institution and society at large. This global day of recognition, celebrated every year on May 1st, serves as a powerful reminder of the rights, dignity, and value of labour — be it in classrooms, laboratories, or the maintenance and administrative departments. Celebrating the Unsung Heroes of Our Campus At MRIPS, we believe every member of our college from faculty and researchers to support staff and maintenance teams plays a vital role in shaping future healthcare professionals. Today, we extend our heartfelt gratitude to: Teaching Faculty, who tirelessly mold the minds of tomorrow's pharmacists. Non-Teaching & Administrative Staff, who ensure smooth academic and operational coordination. Housekeeping & Security Teams, who work quietly yet powerfully behind the scenes to maintain a safe and clean environment.

Words from Leadership

"Let us remember that every great institution is built not only by visionaries but also by hardworking individuals who bring that vision to life each day. Today, we honor them."

Prof. Dr. B. Rajkamal, Principal, MRIPS.

World No Tobacco Day Special

In alignment with the World Health Organization's theme, "Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products," MRIPS Pharmacy College spearheaded an impactful campaign to educate and empower students and staff in support of a tobacco-free future. Highlights of the Day on May 31st 2023. Attendees—including faculty, students, and support staff—signed a pledge urging commitment to a tobacco-free lifestyle, symbolizing unity in the fight against tobacco. Students and volunteers marched with placards and posters carrying messages like "Quit Tobacco" and "Tobacco Kills."

The march aimed to inform peers and visitors about health and environmental hazards stemming from tobacco use. Interactive sessions were conducted by MRIPS faculty and visiting health experts on the deceptive marketing tactics used by the tobacco industry. A student-led street play dramatized the harmful consequences of tobacco addiction and encouraged quitting. Creative and informative posters developed by students highlighted the health risks of tobacco, effectively bringing awareness to passersby and participants alike

World Thalassemia Day Celebrated at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Thalassemia Day on 8th May 2023 with great enthusiasm and awareness. The program aimed to educate students about thalassemia, its prevention, and the importance of early diagnosis and blood donation.

The event witnessed the active involvement and encouragement of Principal Dr. B. Rajkamal, Vice Principal Dr. J. Sangeetha, and Event Coordinator Mrs. B. Revathi. Faculty members including Mrs. Shweta Dhule, Mrs. Sushma Reddy, Mrs. CH. Harini, Mrs. B. Sarika, Mrs. Sravani, and others actively participated in organizing and conducting the awareness activities successfully.

The celebration created awareness among students and highlighted the social responsibility of promoting health education and support for thalassemia patients.

Telangana Formation Day – Celebrating Resilience & Identity

On June 2nd 2023, MRIPS Pharmacy College joins the vibrant state in observing Telangana Formation Day, commemorating the official birth of Telangana on 2 June 2014, following decades of determined struggle and vision. This year marks its 9th anniversary, reflecting the state's remarkable progress and collective pride Campus Celebration Highlights.

The day began with the Indian and Telangana state flags raised ceremoniously at the college quad, followed by the national/state anthem and an address by the Principal. Shared the history of Telangana's statehood, honoring sacrifices and resilience that laid the foundation for the state's formation. Students performed Telangana-themed folk dances, including Bathukamma and Oggu Katha, celebrating local tradition and identity.

Knowledge Session: Faculty led insightful sessions on how Telangana's pharmaceutical landscape has evolved over the past decade. Awards were presented to staff and students showcasing dedication to pharmacy education and community development.

Message from Principal & Dean of MRIPS

"This day reminds us that determination and unity can transform an aspiration into a reality. Telangana's success story is a beacon of hope. Let us continue its legacy with pride and purpose." Prof. Dr. B.Rajkamal, Dean & Principal, MRIPS.

MRIPS Pharmacy College Bids a Heartfelt Farewell to B.Pharm 4th Year Students

A mix of emotions filled the air at MRIPS Pharmacy College as the B.Pharm IIIrd Year students hosted a memorable Farewell Party for the B.Pharm IVth Year outgoing batch on June 24th 2023, celebrating their journey and achievements with warmth, laughter, and nostalgia. The event, held in the college auditorium, was beautifully themed "Goodbyes Are Not the End", signifying a new beginning for the graduating class. The program commenced with a traditional lamp-lighting ceremony, followed by a welcome address by the 3rd-year class representative.

Principal Dr.B.Rajkamal graced the occasion and delivered an inspiring speech, praising the outgoing students for their academic accomplishments, leadership in co-curricular activities, and contributions to the college community. He encouraged them to carry forward the values and knowledge gained at MRIPS as they step into the next phase of their professional journey.

Energetic dances, soulful songs, and a heartfelt skit that portrayed the memories of the four-year college life left everyone nostalgic. Fun Games & Awards: Interactive games and personalized awards like Mr. & Ms. Farewell, Most Enthusiastic, Best Dressed, and Most Supportive Senior kept the energy high and brought smiles all around.

A special video compilation of candid moments, photos, and farewell messages from faculty and juniors moved many to tears. The juniors presented customized mementos and farewell kits to the seniors as a mark of appreciation and remembrance. The event concluded with a vote of thanks by Miss Rachana, followed by a group photo session and a grand lunch, marking a perfect end to the heartfelt celebration.

The farewell was not just a goodbye, but a celebration of friendships, growth, and the beginning of new journeys. The MRIPS family wished the outgoing batch success, happiness, and fulfillment in all their future endeavors.

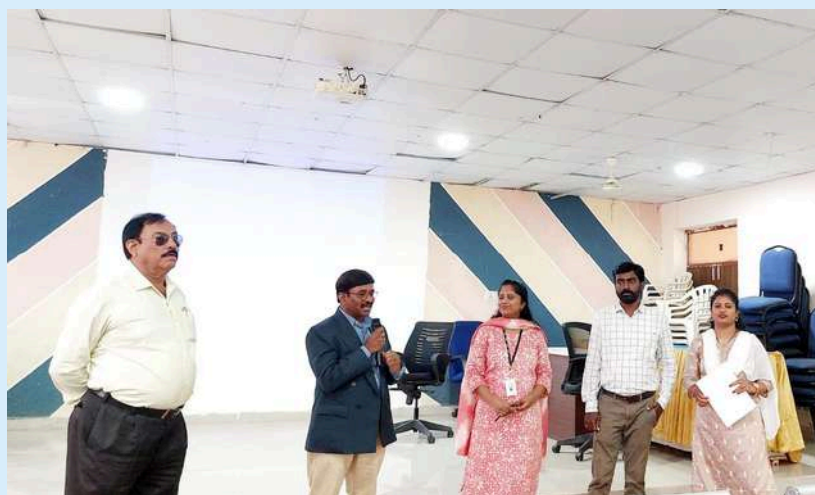

MRIPS Pharmacy College Observes International Yoga Day with Dedication and Spirit

MRIPS Pharmacy College proudly celebrated the 8th International Yoga Day on June 21, 2023, with a strong message promoting health, wellness, and inner peace. The event was organized on campus and witnessed enthusiastic participation from students, faculty members, and staff.

Aligned with the 2022 global theme “Yoga for Humanity,” the college emphasized the power of yoga in building resilience, especially in the post-pandemic era. The program commenced with a welcome address by the Principal, who highlighted yoga’s importance in maintaining physical health and mental clarity—qualities essential for healthcare professionals and students alike.

The session was led by an experienced yoga instructor who guided the attendees through a series of warm-up exercises, breathing techniques (pranayama), and key yoga postures. The instructor also explained how yoga could help reduce academic stress and improve focus and emotional balance. Students actively participated in demonstrations of basic and intermediate asanas and shared presentations on the scientific benefits of yoga, including its relevance to pharmacological and therapeutic sciences.

The celebration concluded with a group meditation session and a collective resolution to adopt yoga as a part of daily life. Certificates of participation were distributed to encourage continued engagement with yoga practices. The event was a reflection of MRIPS Pharmacy College’s commitment to holistic education, promoting not just academic excellence but also physical and mental well-being.

World Blood Donor Day Celebration at Malla Reddy Institute of Pharmaceutical Sciences

In observance of World Blood Donor Day on Wednesday, June 14th 2023, Malla Reddy Institute of Pharmaceutical Sciences organized a Blood Donation Awareness Program and Blood Donation Camp with great enthusiasm and social responsibility. The event aimed to spread awareness about the importance of voluntary blood donation and encourage students and staff to contribute towards saving lives.

The program was inaugurated by the Principal, Dr. B.Rajkamal Sir faculty members, and invited healthcare professionals, who emphasized the significance of regular blood donation and its role in supporting patients during medical emergencies, surgeries, and critical treatments. Awareness sessions were conducted highlighting the benefits of blood donation, myths and facts related to the process, and the need for maintaining adequate blood reserves in hospitals and blood banks.

Students actively participated in the event by organizing awareness rallies, poster presentations, and motivational activities promoting the message, "Donate Blood, Save Lives." A large number of students, faculty members, and staff voluntarily donated blood during the camp, demonstrating their commitment towards community service and humanitarian values.

The event concluded successfully with appreciation for all donors, volunteers, coordinators, and healthcare professionals who contributed to making the program meaningful and impactful. The celebration reinforced the importance of social responsibility and inspired young healthcare professionals to actively participate in public health initiatives.

Pharm D 4th Year Students Won second Prize in National Conference Poster Presentation

Students of Malla Reddy Institute of Pharmaceutical Sciences brought laurels to the institution by securing the First Prize in Poster Presentation at a One-Day National Conference held at Anwarul Uloom College of Pharmacy on 19th August 2023.

The winning team consisted of Pharm D 4th Year students — Shraddha, Preethi, Varshitha, and Deepika. The students impressed the judges with their innovative poster presentation, excellent communication skills, and in-depth subject knowledge.

The management, Principal, faculty members, and fellow students congratulated the team for their remarkable achievement and appreciated their hard work and dedication. The accomplishment reflects the strong academic and research-oriented environment fostered at the institute.

Such achievements motivate students to actively participate in academic and professional platforms, enhancing their knowledge, confidence, and research skills. The institution takes pride in encouraging students to excel in co-curricular and scientific activities at national and international levels.

EXCELLENT PLACEMENT ACHIEVEMENT AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) achieved a remarkable milestone on July 11th 2023 in campus placements as 24 students of B.Pharmacy 4th Year were selected by Elico Healthcare Pvt. Ltd. during the placement drive conducted at the institution.

The management and faculty congratulated the selected students for their achievement and wished them success in their professional careers. The placement drive was successfully coordinated under the guidance of Principal Dr. B. Rajkamal and Placement Officer Mr. Suresh, whose continuous efforts and support played a vital role in the successful placements.

The achievement reflects MRIPS's commitment towards academic excellence, industry readiness, and career development of students.

TREE PLANTATION DRIVE ORGANIZED UNDER HARITHA HARAM INITIATIVE

As part of the prestigious Haritha Haram initiative, Malla Reddy Institute of Pharmaceutical Sciences organized a Tree Plantation Program with the objective of promoting environmental awareness and encouraging sustainable practices on August 14th 2023, among students and staff.

The program was conducted with great enthusiasm in the college campus in the presence of the Principal, Dr. B.Rajkamal sir, Vice principal Mrs. J.Sangeetha faculty members, students, and non-teaching staff. The event aimed to create awareness about the importance of trees in maintaining ecological balance, reducing pollution, and preserving a healthy environment for future generations.

During the program, various saplings of medicinal, ornamental, and shade-giving plants were planted across the campus premises. Participants actively took part in planting and watering the saplings while pledging to protect and nurture the plants for a greener tomorrow.

The Principal addressed the gathering and emphasized the significance of environmental conservation and the collective responsibility of every individual in combating climate change through afforestation initiatives like Haritha Haram. Faculty members also encouraged students to adopt eco-friendly habits and participate in environmental protection activities.

The event concluded successfully with active participation from students and staff, reflecting the institute's commitment towards social responsibility, environmental sustainability, and creating a green and healthy campus atmosphere.

INDEPENDENCE DAY CELEBRATIONS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the 77th Independence Day on 15th August 2023 with great patriotism and enthusiasm. The national flag was hoisted by Principal Dr. B. Rajkamal in the presence of Vice Principal Mrs. J. Sangeetha, faculty members, students, lab assistants, non-teaching staff, and Administrative Officer Mr. Shukla.

On the occasion, Principal Dr. B. Rajkamal and Vice Principal Mrs. J. Sangeetha delivered inspiring speeches highlighting the importance of freedom, unity, discipline, and responsibility towards the nation. The entire MRIPS family actively participated in the celebrations, making the event memorable and vibrant.

The program was successfully coordinated by Mrs. B. Revathi, whose efforts ensured the smooth conduct of the celebration.

TEACHERS' DAY CELEBRATION AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Teachers' Day on 5th September 2023 with great joy and enthusiasm. The event was graced by Principal Dr. B. Rajkamal and Vice Principal Dr. J. Sangeetha, along with all faculty members and students.

The celebration was specially organized by the students as a token of gratitude and respect towards their teachers. Various fun-filled activities and games, including musical chairs and other entertaining competitions, were conducted for the faculty members. Students also expressed their appreciation by presenting gifts to the faculty.

The event created a cheerful and memorable atmosphere on the campus, highlighting the strong bond between teachers and students. All faculty members actively participated in the celebrations, making the occasion vibrant and successful.

WORLD PATIENT SAFETY DAY

World patient safety day celebrated at MRIPS on Sept 17th 2023. World Patient Safety Day is one of the WHO's global public health days. It was established in 2019 by the Seventy-second World Health Assembly through the adoption of resolution WHA72.6- "Global action on patient safety". Its objectives are to increase public awareness and engagement, enhance global understanding, and work towards global solidarity and action by Member States to enhance patient safety and reduce patient harm.

Every person around the world will at some point in their life, take medicine to prevent or treat illness. However, medications some time cause serious harm if incorrectly stored, prescribed, dispensed, administered or if monitored.

The on going COVID 19 pandemic has significantly exacerbated the risk of medication errors and associated medication related harm. It is in this context that "Medication safety" has been selected as the theme for World Patient Safety Day 2022 with the slogan "Medication without Harm". Admiring the auspiciousness of the day MRIPS celebrated the World Patient Safety Day by organizing series of events like Demonstrations, Poster presentations, Quiz, Debate and Just A Minute sessions with Pharmacy students. The day aims to raise the global awareness of medication related harm caused due to errors and unsafe practice and advocate urgent action to improve medication safety for patients.

We MRIPS Pharm D 4th year students took up this opportunity to explore the role of Pharmacist towards Patient safety. Moving ahead of elocution or essay writing came up with an unique approach to create awareness about a Pharmacist role in Health care settings. We planned demonstrations in which students should act as pharmacists and create awareness about the role of pharmacists in various domains of healthcare.

We could enroll the participants playing the role of Clinical Pharmacist in NABH accreditation to hospitals , role of Community Pharmacist , role of Pharmacist in patient counselling and role of Pharmacist as a drug inspector.

NATIONAL PHARMACY WEEK CELEBRATIONS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated National Pharmacy Week with great enthusiasm from 22nd to 27th September 2023. A series of academic, cultural, and sports events were organized to encourage student participation, creativity, and team spirit.

The celebrations began on 22nd September with competitions such as elocution, debate, and painting. On 23rd September, students actively participated in rangoli, mehendi, quiz, and kho-kho competitions. Sports events including kabaddi, volleyball, and throwball were conducted on 24th September. Cultural events such as dance, singing, and fashion show added vibrant energy to the celebrations on 25th September.

The event concluded with the Valedictory Function and World Pharmacists Day Celebration, recognizing the role and contribution of pharmacists in healthcare. The program was conducted under the guidance of Principal Dr. B. Rajkamal, Vice Principal Dr. J. Sangeetha, Pharm D HOD Mr. Ravindra Babu, and B.Pharm HOD Mrs. B. Rama. The celebrations were successfully coordinated by Mrs. B. Revathi with the active involvement and support of faculty members, students, and organizing teams, making the entire event grand and memorable.

MRIPS STUDENTS SHINE AT INTERNATIONAL CONFERENCE

Students of Malla Reddy Institute of Pharmaceutical Sciences achieved remarkable success at an International Conference held on 20th September 2023 at Marri Laxman Reddy Institute of Pharmacy.

Ms. Anjali, a Pharm.D 4th Year student of MRIPS, secured the 1st Prize in Oral Presentation, showcasing her excellent research and presentation skills. Adding to the achievement, Ms. Shraddha, a Pharm.D 5th Year student, won the 2nd Prize in Oral Presentation category at the same conference.

The management, principal, faculty, and students congratulated the winners for bringing laurels to the institution and appreciated their dedication towards academic and research excellence.

MRIPS STUDENTS SECURE SECOND PRIZE IN PHARMACOVIGILANCE WEEK QUIZ COMPETITION

Students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) achieved a commendable success by securing the Second Prize in the Quiz Competition organized as part of the Pharmacovigilance Week Celebrations at St. Pauls College on September 20, 2023.

The winning team comprised Pharm D 4th Year and 5th Year students, who demonstrated excellent knowledge and understanding of pharmacovigilance concepts while competing against participants from various institutions. Their impressive performance earned them the runner-up position in the event.

The management, Principal Dr. B. Rajkamal, faculty members, and fellow students congratulated the participants on their achievement and appreciated their dedication to academic excellence and professional development.

MRIPS PHARM D STUDENTS WIN THIRD PRIZE IN QUIZ COMPETITION AT MLR INSTITUTE OF PHARMACY, HYDERABAD

The Pharm D V Year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) brought laurels to the institution by securing the Third Prize in a Quiz Competition held at Marri Laxman Reddy College of Pharmacy, Hyderabad, on September 20, 2023.

The MRIPS team, comprising Shraddha, Charan, Anjali, and Ankamma, showcased their academic excellence, quick thinking, and subject knowledge throughout the competition. Their commendable performance earned them a place among the top teams participating in the event.

The management, Principal Dr. B. Rajkamal, faculty members, and fellow students congratulated the winners for their achievement and appreciated their efforts in representing MRIPS with distinction.

MRIPS Students Shine in Skit Competition at RBVRR Women's College of Pharmacy

The Pharm D 4th Year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) achieved a notable success by securing the Second Prize in the Skit Competition conducted at RBVRR Women's College of Pharmacy on September 23, 2023.

The talented team comprising Ankamma, Swathika, Radha, Charan, and Deepika impressed the judges with their creativity, teamwork, and impactful performance. Their outstanding presentation earned them the runner-up position among participants from various pharmacy colleges.

The management, Principal Dr. B. Rajkamal, faculty members, and students congratulated the winners for their achievement and appreciated their efforts in bringing recognition to MRIPS through their cultural and academic participation.

GRAND ORIENTATION DAY CELEBRATION AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences organized a grand Orientation Day Celebration for B.Pharm, Pharm.D, and M.Pharm students with great enthusiasm and excitement on oct 15th 2023. The event aimed to warmly welcome the freshers and introduce them to the academic culture and opportunities at MRIPS.

The program was graced by the esteemed Chief Guest Ch. Malla Reddy, who inspired the students with his motivational address and encouraged them to strive for excellence in education and professional life.

Dr. Sudha Ramana also addressed the gathering and highlighted the importance of discipline, innovation, and dedication in the field of pharmaceutical education. The event was hosted under the leadership of Principal Dr. B. Rajkamal, along with Vice Principal Dr. J. Sangeetha, Pharm.D HOD Dr. Ravindra Babu, B.Pharm HOD Dr. B. Rama, and Event Coordinator Mrs. B. Revathi.

All teaching and non-teaching staff actively participated in making the event a memorable and successful occasion for the newly admitted students.

BATHUKAMMA CELEBRATIONS AT MRIPS IN TRADITIONAL GRANDEUR

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the vibrant festival of Bathukamma on 20th October 2023 with great enthusiasm and cultural spirit. The campus was filled with colorful floral arrangements, traditional attire, music, dance, and festive joy as students, faculty members, teaching and non-teaching staff actively participated in the celebrations.

Students and faculty members showcased their creativity by preparing beautiful Bathukammas in a traditional manner. Among them, B.Pharm 3rd Year students Devika, Chandana, and their group won the 1st Prize for their outstanding Bathukamma preparation.

All Heads of Departments, faculty members, and staff joined together in playing Bathukamma, making the event lively and memorable. The celebration reflected the rich culture and traditions of Telangana and created a joyful atmosphere across the campus.

The event was conducted successfully under the guidance and support of Principal Dr. B. Rajkamal. The organizers expressed heartfelt gratitude to the management and principal for encouraging cultural activities and making the celebration a grand success.

MRIPS GRADUATION DAY 2022 CELEBRATED WITH PRIDE AND JOY

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Graduation Day 2023 with great enthusiasm and pride on 5th November 2023 at the MRIPS Seminar Hall. The event marked a memorable milestone for pharmacy graduate and postgraduate students as they received their graduation certificates in the presence of faculty members, parents, and dignitaries.

The program was graced by the presence of Ch. Malla Reddy, Founder Chairman of MRGI, along with Ch. Mahender Reddy and Ch. Bhadra Reddy.

Principal Dr. B. Rajkamal congratulated the graduating students and encouraged them to achieve excellence in their professional careers. The ceremony was filled with happiness, pride, and emotional moments as students celebrated their academic success with parents and teachers.

The management and faculty members extended their best wishes to all graduates for a bright and successful future.

SUCCESSFUL PLACEMENT DRIVE CONDUCTED AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a successful placement drive on Nov 6th 2023 for B.Pharm 3rd & 4th Year and Pharm D 6th Year students in collaboration with Healius Pathology India Pvt. Ltd.. The drive provided students with an excellent opportunity to begin their professional careers in the healthcare and pharmaceutical sector.

A total of 44 students were successfully selected during the recruitment process, bringing pride and joy to the institution. The placement drive was coordinated efficiently under the guidance of Placement Officer Mr. M. Suresh.

Principal Dr. B. Rajkamal congratulated the selected students and appreciated their hard work and dedication. The management of MRIPS also extended their support and encouragement in organizing such career-oriented initiatives that help students achieve professional success.

The event reflected MRIPS' continuous commitment towards student placements, skill development, and industry collaboration.

MRIPS STUDENTS REACH FINALS IN INTER-COLLEGE BADMINTON TOURNAMENT

Students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) showcased outstanding sportsmanship and talent by securing a place in the finals of the Badminton Tournament conducted at Vishnu Institute of Pharmaceutical Education and Research (VIPER) on November 14, 2023.

The MRIPS team, comprising B.Pharm III Year and Final Year students Satish, Raviteja, Jay Surya, Teja Kumar, and Prem Kumar, delivered impressive performances throughout the competition and earned a well-deserved spot in the final round. The management, Principal Dr. B. Rajkamal, faculty members, and fellow students congratulated the players for their remarkable achievement and wished them continued success in future sporting events.

MRIPS CRICKET TEAM CLINCHES VISHNU CUP 2023

The students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) brought pride to the institution by winning the prestigious Vishnu Cup Cricket Tournament held at Vishnu Institute of Pharmaceutical Education and Research, Hyderabad, on November 21, 2023.

The victorious MRIPS team was led by captain R. Lokeshwar Reddy and included Vamshi, Bhanu Prasad, Bhanu Prakash, Naveen, Vishal, Vinod, M. Prem Kumar, Ganesh, Raviteja, and Charan Sai Teja. The team displayed exceptional sportsmanship, coordination, and determination throughout the tournament, ultimately securing the championship title.

The management, Principal Dr. B. Rajkamal, faculty members, and students congratulated the players on their remarkable achievement and appreciated their efforts in bringing glory to MRIPS.

MRIPS PHARM D STUDENTS SECURE FIRST PLACE IN TREASURE HUNT AT NPW CELEBRATIONS

The Pharm D 4th Year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), Ankamma achieved a remarkable victory by winning the Treasure Hunt competition organized by Sultan Ul Uloom College of Pharmacy as part of the National Pharmacy Week (NPW) celebrations on November 26, 2023. The winning team comprised Krishna, Ankamma, Jagdeesh, Shraddha, and Anjali, who demonstrated excellent teamwork, problem-solving skills, and enthusiasm throughout the event. Their outstanding performance earned them the top position among participating teams.

The management, Principal Dr. B. Rajkamal, faculty members, and fellow students congratulated the winners for bringing laurels to the institution and wished them continued success in their future endeavors.

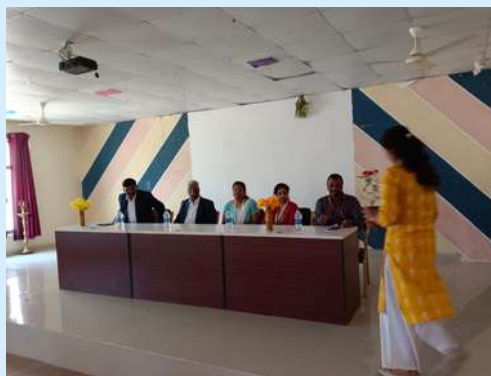

MRIPS MARKS WORLD AIDS DAY WITH AWARENESS PROGRAM

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World AIDS Day on December 2, 2023, with the objective of creating awareness about HIV/AIDS, its prevention, and the importance of eliminating stigma associated with the disease.

The program was coordinated by Mrs. B. Revathi and Mrs. R. Sushma. Students actively participated in the event, with Anand and Pushpalata of B.Pharm II Year, Chandana and Devika of B.Pharm III Year, and Geetha of B.Pharm IV Year delivering informative speeches on the significance of World AIDS Day and the need for public awareness.

Faculty members Mrs. Shweta Dhule, Mrs. Phanishree, and Mrs. Shravani also addressed the gathering, emphasizing the importance of education, prevention, and community support in the fight against HIV/AIDS.

The event concluded successfully with appreciation to the management and Principal Dr. B. Rajkamal for their continuous encouragement and support in organizing awareness programs that promote health education and social responsibility among students.

AURRA 999 – GRAND FRESHERS' PARTY AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated a vibrant and memorable Freshers' Party on December 8, 2023. The event was organized by the B.Pharm II Year students to warmly welcome the newly admitted B.Pharm I Year students.

The program was marked by excellent arrangements, colorful decorations, cultural performances, fun-filled activities, and enthusiastic participation from both seniors and freshers. The event provided a wonderful platform for interaction and helped strengthen the bond between students.

One of the major attractions of the celebration was the selection of Mr. Fresher and Miss Fresher, which added excitement and joy to the occasion. The freshers showcased their talents with confidence, making the event a grand success. The management, Principal Dr. B. Rajkamal, faculty members, and students appreciated the efforts of the organizers for conducting the event successfully and creating a warm and welcoming atmosphere for the newcomers.

A WARM WELCOME FOR PHARM D FIRST YEAR STUDENTS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a grand Freshers' Party to welcome the newly admitted Pharm D First Year students on Dec 22nd 2023. The event was hosted by the Pharm D Second Year students, who made special arrangements to ensure a warm and memorable welcome for their juniors.

The celebration was filled with cultural performances, fun activities, interactive sessions, and entertainment programs that created a lively and joyful atmosphere. The event provided an excellent opportunity for the freshers to interact with their seniors and become familiar with the academic and social environment of the institution.

The enthusiastic participation of students made the program a great success. The management, Principal Dr. B. Rajkamal, faculty members, and students appreciated the efforts of the organizers for conducting a well-planned event and extending a warm welcome to the new batch of Pharm D students.

Mrs. Kotturu Sudhamani Earns Ph.D. in Pharmaceutical Sciences

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly congratulates Mrs. Kotturu Sudhamani on the successful completion of her Doctor of Philosophy (Ph.D.) in Pharmaceutical Sciences from Sri Padmavati Mahila Visvavidyalayam (Women's University), Tirupati.

Mrs. Sudhamani's doctoral research was carried out in the Institute of Pharmaceutical Technology, with the thesis titled "Design and Evaluation of Targeted Drug Delivery Systems for Treatment of Liver Diseases." Her research reflects a significant contribution to the field of pharmaceutical sciences, particularly in the development of targeted drug delivery approaches for the management of liver diseases.

The university certified her qualification for the award of the Doctor of Philosophy in December 2023, with the degree formally dated 7 March 2024.

The Management, Principal, faculty members, and students of MRIPS extend their heartiest congratulations and best wishes to Mrs. Sudhamani on this remarkable academic achievement. Her dedication, perseverance, and commitment to research serve as an inspiration to the entire MRIPS academic community.

Congratulations, Mrs. Sudhamani, on this well-deserved accomplishment! We wish you continued success in your academic and research career.

New Year celebration at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) welcomed the New Year 2024 with great enthusiasm and festive spirit on January 1, 2024. The celebration brought together students, faculty members, and staff to mark the beginning of a new year filled with hope, success, and achievements.

The event was graced by Principal Dr. B. Rajkamal, Vice Principal Dr. J. Sangeetha, B.Pharm HOD Dr. B. Rama, and Pharm D HOD Dr. Ravindra Babu, who conveyed their New Year wishes and encouraged students to strive for academic excellence and personal growth.

The program was coordinated by Mrs. B. Revathi, whose efforts ensured the smooth and successful conduct of the celebration. Various cultural activities and interactions added joy and excitement to the occasion, creating a cheerful atmosphere across the campus.

The event concluded with warm wishes for a prosperous and successful year ahead. The management and Principal appreciated the participation of students and faculty members in making the celebration memorable.

Sankranti Celebrations at Malla Reddy Institute of Pharmaceutical Sciences

Malla Reddy Institute of Pharmaceutical Sciences celebrated the vibrant festival of Sankranti with great enthusiasm at the college auditorium on 13th Jan 2024. The celebration beautifully showcased the rich cultural traditions and festive spirit of Telangana. Mr. B. Rajkamal, Principal; Dr. J. Sangeetha, Vice Principal; Dr. Ravindra Babu, Pharm.D HOD; Mrs. B. Rama, B.Pharm HOD; and Mrs. B. Revathi, Event Coordinator, actively supported and guided the celebrations. All faculty members enthusiastically participated in the programme, along with students from B.Pharm, M.Pharm, and Pharm.D programmes.

The celebration featured traditional Sankranti activities including Rangoli (Muggu), Bhogi traditions, traditional attire, folk songs and dances, Haridasu and Gangireddu performances, and various cultural programmes. The colourful celebrations reflected the rich cultural heritage of Telangana and created an atmosphere of joy, unity, and togetherness among the MRIPS family. The active participation of faculty and students made the Sankranti celebration a memorable and culturally enriching occasion for everyone.

Republic Day Celebrations at Malla Reddy Institute of Pharmaceutical Sciences

Malla Reddy Institute of Pharmaceutical Sciences celebrated Republic Day with great patriotic spirit and enthusiasm on the college premises on 26th Jan 2024. The programme was graced by Mr. B. Rajkamal, Principal; Dr. J. Sangeetha, Vice Principal; Dr. Ravindra Babu, Pharm.D HOD; Mrs. B. Rama, B.Pharm HOD; Mrs. B. Revathi, Event Coordinator, along with faculty members and students.

The celebration commenced with the flag hoisting ceremony, followed by the National Anthem, creating an atmosphere of pride and patriotism. On the occasion, Mrs. Shweta Dhule and Mr. Shubham Babu Gupta delivered inspiring speeches highlighting the significance of the Indian Constitution, democratic values, fundamental duties, and the responsibilities of citizens towards the nation.

Faculty members and students actively participated in the celebration, making the event meaningful and memorable. The programme concluded with a renewed commitment to uphold the values of unity, integrity, equality, and responsible citizenship, reflecting the true spirit of Republic Day.

World Cancer Day 2024 – Cancer Awareness Programme

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Cancer Day on 4 February 2024 with the aim of creating awareness about cancer prevention, early detection, and timely treatment. The programme highlighted the importance of public awareness and the significant role of healthcare professionals, particularly pharmacists, in the fight against cancer.

To mark the occasion, the First-Year Pharm.D students of MRIPS actively volunteered and participated in a Cancer Awareness Programme. The students spread awareness about cancer risk factors, preventive measures, healthy lifestyle practices, early warning signs, and the importance of regular screening and early diagnosis.

The programme encouraged students to recognize their responsibility as future healthcare professionals and to contribute towards reducing the burden of cancer through education, prevention, early detection, and patient counselling. The enthusiastic participation of the students made the World Cancer Day observance a meaningful and impactful initiative at MRIPS.

MRIPS Pharm.D Student Secures Third Prize at JNTUH International Conference

Ms. Subia, a First-Year Pharm.D student of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), brought laurels to the institution by securing the Third Prize in the Oral Presentation Competition at an International Conference on Artificial Intelligence (AI) in Healthcare held at JNTUH on Feb 2nd 2024.

Her presentation reflected creativity, confidence, and a strong understanding of the application of AI in healthcare. Adding further distinction to the event, Dr. Ravindra Babu, Pharm.D HOD, MRIPS, served as one of the evaluators for the oral presentation session.

The achievement of Ms. Subia is a proud moment for MRIPS and highlights the institution's commitment to encouraging students in

research, innovation, scientific communication, and emerging technologies in healthcare.

MRIPS Cricket Team Secures Runner-Up Position at VIPER

The Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) Cricket Team delivered an impressive performance at the cricket tournament held at VIPER, securing the Runner-Up Position and bringing pride to the institution on feb 9th 2024.

The team, led by R. Lokeshwar Reddy, showcased excellent teamwork, sportsmanship, determination, and competitive spirit throughout the tournament. The MRIPS Cricket Team comprised R. Lokeshwar Reddy, Vamshi, Bhanu Prasad, Bhanu Prakash, Naveen, Vishal, Vinod, M. Prem Kumar, Ganesh, Raviteja, and Charan Sai Teja.

Their outstanding performance and commitment on the field earned them the well-deserved Runner-Up title. The achievement was celebrated with great pride by the MRIPS family, inspiring students to pursue excellence in both academics and extracurricular activities.

International Women's Day Celebration at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated International Women's Day on 5 March 2024 with great enthusiasm and warmth, celebrating the achievements, strength, and contributions of women in the MRIPS family. The programme was specially organized by the Management to honour and appreciate the women faculty and staff for their dedication and valuable contributions to the institution.
