ABOUT THE INSTITUTE

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) is a constituent College of Chandramma Educational Society founded in the year 2005 by **Sri. Ch. Malla Reddy**, an eminent educationist in the state of **TELANGANA**. MRIPS an abode to learn, an opportunity to excel strongly believes that education is not just a mere act of teaching-learning, but aims and puts relentless efforts in training, guiding, motivating and leading young budding pharmacists in the ever expanding horizon of insatiable thirst for knowledge. The college was started in the year 2005, to achieve excellence in the field of Pharmacy. The college has well qualified and dedicated faculty. The Department has been organizing several national conferences, Faculty Development Programs for the benefit of the faculty and student community.

Message From Eminent Personality

It is my immense pleasure to extend my warm greetings to the Management, Principal, Faculty, Staff, Students, Alumni, and all stakeholders of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on the publication of its Annual Newsletter.

A newsletter is more than a record of events; it is a reflection of an institution's vision, achievements, and unwavering commitment to academic excellence. It provides a valuable platform to celebrate milestones, recognize accomplishments, and inspire future generations of learners and researchers.

The pharmaceutical profession stands at the forefront of healthcare innovation, addressing global challenges through scientific research, technological advancement, and patient-centered care. In this dynamic environment, institutions like MRIPS play a vital role in nurturing competent professionals equipped with knowledge, ethical values, leadership qualities, and a spirit of lifelong learning.

I am delighted to note that MRIPS continues to excel in academic pursuits, research, innovation, community outreach, industrial collaborations, and co-curricular activities. Such accomplishments are a testament to the dedication of the management, the visionary leadership of the Principal, the commitment of the faculty, and the enthusiasm and perseverance of the students.

As the healthcare landscape continues to evolve, I encourage every student to embrace innovation, interdisciplinary research, digital healthcare technologies, entrepreneurship, and compassionate patient care. The future belongs to those who combine scientific excellence with integrity, empathy, and a commitment to serving society.

I congratulate the editorial team for their commendable efforts in bringing out this newsletter, which beautifully captures the vibrant academic and professional journey of the institution. May this publication continue to inspire excellence and strengthen the legacy of MRIPS as a center of quality pharmaceutical education and research.

I convey my heartfelt best wishes to the entire MRIPS family for continued success and remarkable achievements in all their future endeavors

**With Best Wishes,
Prof. Devraj Rambhau
Director, Technical Pulse Pharmaceuticals
Pvt Ltd, Hyderabad.**

Message From Principal's Desk

It gives me immense pleasure to present the latest edition of the Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) Newsletter. This publication reflects the remarkable achievements, academic excellence, research initiatives, and vibrant campus life that define our institution.

At MRIPS, we believe that pharmacy education extends beyond classrooms and laboratories. Our mission is to nurture competent, compassionate, and ethically responsible healthcare professionals who are equipped to meet the evolving challenges of the pharmaceutical and healthcare sectors. Through innovative teaching methodologies, quality research, industry collaborations, and community outreach programs, we strive to provide our students with a holistic learning experience.

The accomplishments featured in this newsletter are a testament to the dedication and hard work of our students, faculty members, researchers, and administrative staff. Their commitment to excellence has enabled MRIPS to continue its journey as a center of academic distinction and professional development.

I sincerely appreciate the unwavering support of our visionary management, whose guidance and encouragement have been instrumental in the continuous growth and success of the institution. I also extend my gratitude to our faculty, students, alumni, industry partners, and well-wishers for their invaluable contributions to our progress.

As we move forward, let us continue to embrace innovation, uphold the highest standards of professionalism, and work together to create meaningful contributions to pharmaceutical education, research, and healthcare. May this newsletter inspire us all to strive for greater achievements and celebrate the spirit of learning and excellence.

I congratulate the editorial team for their commendable efforts in bringing together this edition and wish every reader an informative and enriching experience.

Best Wishes,

Dr. B. Rajkamal

Principal

Malla Reddy Institute of Pharmaceutical Sciences

Hyderabad

Message from The Chief Editor

Dear Readers,

It is with great pride and immense pleasure that I present the Annual Newsletter of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS). This publication is a reflection of the remarkable journey, achievements, and milestones that our institution has accomplished throughout the academic year. It serves as a testament to the dedication, hard work, and collaborative spirit of our students, faculty members, researchers, alumni, and staff.

This annual edition captures the vibrant academic and extracurricular life of MRIPS. It showcases our achievements in academics, research, conferences, seminars, workshops, industrial visits, extension activities, cultural events, sports, placements, and community outreach programmes. Each page reflects the enthusiasm, innovation, and commitment that define the culture of our institution.

The newsletter is more than a collection of events; it is a chronicle of our shared experiences, accomplishments, and aspirations. It celebrates the efforts of our students who continue to excel in their academic and professional pursuits, and it recognizes the unwavering dedication of our faculty members who inspire, mentor, and guide them toward excellence.

I sincerely express my gratitude to our respected Management and Principal for their constant encouragement and visionary leadership. My heartfelt appreciation also goes to the faculty members, students, alumni, and all contributors who have shared their achievements and experiences, making this publication both informative and inspiring.

I extend my special thanks to the editorial committee for their dedication, creativity, and meticulous efforts in compiling, reviewing, designing, and publishing this annual edition. Their teamwork and commitment have made this newsletter a meaningful reflection of the institution's accomplishments.

I hope this annual newsletter serves as a valuable record of our collective achievements and inspires every member of the MRIPS family to continue striving for academic excellence, innovation, ethical practice, and service to society. Let us move forward together with renewed enthusiasm and a shared vision of shaping the future of pharmaceutical education and healthcare.

I wish all our students, faculty members, staff, alumni, and well-wishers continued success, good health, and many more achievements in the years ahead.

With Best Wishes,

Mrs. Shweta M. Dhule

Chief Newsletter Editor

VISION

We strive to provide high-quality, affordable, and accessible education tailored to 21st-century needs. Through a focus on research, innovation, and hands-on learning, we prepare students to tackle global challenges with creativity, critical thinking, and adaptability. Committed to social responsibility, we empower graduates to become skilled professionals and responsible citizens.

MISSION

To be a globally recognized center of excellence in education, research, and innovation, empowering individuals to become leaders and contribute meaningfully to society. By promoting research, innovation, and hands-on learning, we prepare students for evolving global challenges. Committed to social responsibility, we actively contribute to community welfare through various outreach initiatives, ensuring our graduates emerge as competent professionals and responsible citizens.

Beyond academic pursuits, we are deeply dedicated to social responsibility, sustainability, and community engagement. Through impactful outreach initiatives, industry partnerships, and global collaborations, we strive to bridge the gap between education and real-world impact. By nurturing ethical values, inclusivity, and a spirit of service, we shape well-rounded professionals who contribute meaningfully to society, driving innovation and positive change at a global level.

BEYOND THE CLASSROOM

At the core of pharmaceutical progress lies innovation. It is the driving force behind every major breakthrough in healthcare. Technologies like mRNA vaccines, which played a vital role during the COVID-19 pandemic, are results of years of research and innovation. Without such advancements, addressing global health challenges would be nearly impossible. Precision medicine is another prime example—it uses an individual's genetic profile to customise treatment, increasing effectiveness and minimising side effects. AI powered diagnostics and digital therapeutics are further revolutionising care by offering personalised, data-driven solutions. To become future pharma leaders, students must not only stay updated with emerging technologies but also actively contribute to research and development. Innovation ensures the industry does not stagnate and continues to meet the ever-evolving needs of society

Mr. Harshith Oza
Pharm D 3rd year

While innovation brings new ideas to life, entrepreneurship ensures they make an impact. A breakthrough in a lab is just the beginning for entrepreneurs turn it into a scalable, accessible solution. For instance, telemedicine existed long before the pandemic, but it was entrepreneurial efforts that brought it into widespread use during the crisis. Entrepreneurs identify gaps in the healthcare system and create models that bridge them. The emergence of biosimilars—cost-effective alternatives to biologics—was made possible by pharmaceutical entrepreneurs who took bold steps to scale production and reduce costs. To lead in the pharma world, one must think like an entrepreneur—understanding market needs, managing risks, securing funding, and navigating regulatory hurdles. It's about creating value through science and ensuring that innovation reaches the people who need it most

MITIGATING VITAMIN DEFICIENCIES IN PARENTERAL NUTRITION: CHALLENGES, RISKS AND RECOMMENDATIONS

Parenteral nutrition (PN) serves as a vital lifeline for patients unable to sustain themselves via the gastrointestinal tract. However, PN administration often leads to significant challenges, particularly regarding the provision of essential vitamins. This article explores the misconceptions and risks associated with vitamin deficiencies in PN therapy and emphasize the critical role of adequate supplementation.

Misconceptions among the clinicians such as assuming patients receive sufficient vitamins from food or neglecting to administer intravenous multivitamins (MVI) due to shortages may contribute to preventable deficiencies. These deficiencies can manifest in a myriad of symptoms ranging from neuropathy to confusion, underscoring the importance of vigilant monitoring and supplementation. The prevalence of MVI shortages poses a substantial barrier to optimal PN management. Data from surveys by the American Society of Parenteral and Enteral Nutrition (ASPEN) reveal alarming statistics: a significant percentage of clinicians and patients have experienced nutrient deficiencies due to supply chain disruptions. Such shortages necessitate rationalising strategies and adherence to ASPEN guidelines advocating for individual vitamin supplementation in lieu of complete MVI. Furthermore, the article discusses the complexities of PN related omissions, categorizing them beyond mere product shortages to include errors in the formulation, administration and monitoring. The Institute for Safe Medication Practices identifies PN as a high-alert medication, highlighting the potential for serious harm if vitamin deficiencies are not promptly addressed.

Certain clinical conditions can increase the risk of nutrient deficiencies in patients reliant on PN. For example, diseases like short bowel syndrome or critical illness can significantly impair the nutrient absorption and metabolism. These situations require personalized PN formulations and careful monitoring to detect early signs of deficiencies. Recommendations for mitigating these risks include ensuring daily administration of MVI or individual vitamins even during shortages and enhancing education and communication among the healthcare teams and patients.

Timely recognition of symptoms and adherence to monitoring protocols are crucial in preventing irreversible harm from deficiencies. While PN remains indispensable for patients with compromised gastrointestinal function, the risk of vitamin deficiencies demands heightened awareness and proactive management strategies. By addressing misconceptions, implementing robust monitoring practices, and adhering to evidence-based guidelines during shortages, clinicians can significantly enhance patient outcomes and mitigate the risk of serious complications associated with PN therapy.

EVENTS

MRIPS Organizes Two-Day National Workshop on AI/ML in Clinical Trials

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Two-Day National Workshop on “AI/ML in Clinical Trials” on 3rd and 4th April 2024 in association with Clinosol Research Private Limited, Indiglobal, and SGP. The workshop was conducted at the Seminar Hall, Ground Floor, MRIPS, with the objective of providing students with practical insights into the growing role of Artificial Intelligence (AI) and Machine Learning (ML) in the pharmaceutical, biotechnology, and clinical research sectors.

The workshop focused on the application of AI/ML in clinical trials, regulatory considerations, risk evaluation, AI/ML development processes, practical use cases, and interactive learning. Key sessions included Introduction to Clinical Research, Clinical Trial Protocols, Clinical Trial Data and Data Science, AI in Pharmacovigilance, Use of AI in Drug Development, Data Security and Privacy Challenges, and practical Use Cases with Assignments. A certificate of completion was also provided to participants.

The sessions were delivered by experts including C. S. Mujeebuddin, Dr. Sambasiva Rao, Uma Priya, Dr. Ravi Shanker, Dr. Sibadullah, and Dr. Mitesh.

The programme was conducted under the guidance of Dr. B. Rajkamal, Professor & Principal, MRIPS (Convenor); Dr. S. Ravindra Babu, Professor & HOD (Co-Convenor); and Mrs. B. Revathi, Associate Professor, MRIPS (Coordinator). The workshop provided participants with valuable exposure to emerging AI/ML applications and their relevance to modern clinical research.

MRIPS Celebrates Ugadi with Traditional Fervour

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Ugadi – the Telugu New Year on 4th April 2024 with great enthusiasm, cultural spirit, and traditional fervour. The celebration brought together faculty members and students to welcome the New Year with happiness, hope, prosperity, and positivity.

The campus came alive with the vibrant spirit of Traditional Day, as faculty and students participated in the celebrations dressed in elegant traditional attire. As part of the festivities, the faculty members prepared the traditional Ugadi Pachadi, symbolizing the different flavours and experiences of life. The celebration also included a special pooja, followed by the distribution of prasadam to the faculty and students.

The event beautifully reflected the rich cultural heritage of Telangana and the significance of Ugadi as a time for new beginnings, renewed aspirations, and togetherness. The joyous participation of the MRIPS family made the celebration a memorable and culturally enriching occasion.

The celebration was conducted under the guidance of Mr. B. Rajkamal, Dean & Professor, MRIPS, as the Convenor, with Mrs. B. Revathi, Associate Professor, MRIPS, serving as the Event Coordinator.

The MRIPS family expressed its sincere gratitude to the Management for their continuous encouragement and support in fostering cultural values and creating opportunities for such vibrant celebrations.

Guest Lecture by Dr. Ravi Shanker Inspires MRIPS Students

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an inspiring guest lecture by Dr. Ravi Shanker on 16th April 2024 to motivate students and provide them with valuable guidance for their academic and professional growth.

Dr. Ravi Shanker interacted with the students and emphasized the importance of self-confidence, continuous learning, positive thinking, skill development, and setting clear career goals. His motivating words encouraged students to actively develop their knowledge and skills and prepare themselves for future opportunities in the pharmaceutical and healthcare sectors. The interactive session provided students with valuable insights and encouraged them to pursue their aspirations with dedication and determination.

The programme was conducted in the presence of Dr. B. Rajkamal, Principal, MRIPS; Mrs. J. Sangeetha, Vice Principal; Dr. Rama, B.Pharm HOD; Mr. Ravi Malla Reddy, Pharm.D HOD; and Mrs. B. Revathi, Event Coordinator, along with faculty members of MRIPS.

The faculty and students expressed their gratitude to Dr. Ravi Shanker for his valuable time, guidance, and motivational interaction. The lecture was a meaningful initiative towards student development, career awareness, and academic excellence.

MRIPS Observes World Thalassemia Day with Awareness and Student Participation

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Thalassemia Day on 8th May 2024 with the objective of creating awareness among students about Thalassemia, its causes, prevention, early diagnosis, and the importance of regular medical care and blood transfusion support.

The programme was conducted under the guidance of Principal Mr. B. Rajkamal, with the support of B.Pharm HOD Mrs. B. Rama and Event Coordinator Mrs. B. Revathi. Faculty members actively participated in the programme and encouraged students to understand the clinical and social challenges associated with Thalassemia. Students from B.Pharm and Pharm.D programmes participated enthusiastically in the awareness activities. The programme highlighted the importance of genetic counselling, screening, voluntary blood donation, and community awareness in reducing the burden of Thalassemia.

World Labour Day Celebrated at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated World Labour Day on 1st May with enthusiasm and gratitude towards the dedicated support staff of the institution. The programme highlighted the importance and dignity of labour and acknowledged the valuable contributions of housekeeping, security, maintenance, and other supporting staff members.

The celebration was conducted under the guidance of Principal Mr. B. Rajkamal, with the support of faculty members and students. The event provided an opportunity to express appreciation and respect for the continuous efforts of the workforce in maintaining a safe, clean, and supportive campus environment.

Dr. P. Krishnaphanisri Awarded Ph.D. in Pharmacy

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly congratulates Dr. P. Krishnaphanisri on the successful completion of her Doctor of Philosophy (Ph.D.) in Pharmacy from the School of Pharmacy, GITAM (Deemed to be University), Visakhapatnam.

Dr. Krishnaphanisri was formally awarded the doctoral degree after being declared qualified to receive the Ph.D. in Pharmacy in June 2024. The degree certificate was issued under the seal of GITAM and dated 13 July 2024.

This accomplishment marks a significant milestone in her academic and professional journey and reflects her dedication, perseverance, and commitment to pharmaceutical education and research.

The Management, Principal, faculty members, and students of MRIPS extend their heartiest congratulations and best wishes to Dr. P. Krishnaphanisri on this prestigious academic achievement. Her accomplishment is a matter of pride for the institution and an inspiration to fellow faculty members and students.

MRIPS wishes Dr. Krishnaphanisri continued success and excellence in her academic, research, and professional endeavours.

Dr. S. Markatam Awarded Ph.D. for Research in Bioanalytical Method Development

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly congratulates Dr. S. Markatam on the successful completion of her Doctor of Philosophy (Ph.D.) from Annamalai University, Chennai, in 2024, under the guidance of Dr. P. Shanmugapandian. Her doctoral research focused on “Bioanalytical Method Development and Validation of Doravirine, Lamivudine, Tenofovir Fumarate, Elexacaftor, Ivacaftor, Tezacaftor, Samidorphan and Olanzapine Using RP-HPLC in Human Plasma.” The research highlights the application of Reverse-Phase High-Performance Liquid Chromatography (RP-HPLC) for the development and validation of reliable bioanalytical methods for pharmaceutical analysis in human plasma.

This achievement reflects Dr. Markatam’s dedication to pharmaceutical research, scientific excellence, and academic advancement. Her work contributes to the field of bioanalytical method development and drug analysis, strengthening the research culture of the institution.

The Management, Principal, faculty members, and students of MRIPS extend their heartiest congratulations to Dr. S. Markatam on this prestigious academic accomplishment and wish her continued success in her research and professional career.

MRIPS Conducts Anti-Drug Campaign to Promote a Healthy and Drug-Free Society

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed the International Day Against Drug Abuse and Illicit Trafficking on 26th June 2024 with the theme “Say No to Drug.” The programme was organized with the objective of creating awareness among students about the harmful effects of drug abuse, promoting healthy lifestyles, and encouraging collective responsibility towards building a drug-free society.

As part of the awareness campaign, MRIPS organized an Anti-Drug Rally, in which students and faculty members actively participated by carrying awareness messages and slogans advocating a drug-free society. A Human Chain Formation was also conducted to demonstrate solidarity against drug abuse and to spread the message of prevention, awareness, and social responsibility.

An Anti-Drug and Empowerment Committee was formed as part of the initiative to strengthen awareness activities and empower students to make informed and healthy choices. The programme also included an Anti-Drug Oath-Taking Ceremony, during which students and faculty members pledged to stay away from drugs and contribute towards creating awareness among their peers, families, and the community.

To encourage creativity, critical thinking, and active student participation, several competitions and awareness activities were organized, including Essay Writing, Elocution, Debate, and Stage Shows. The elocution competition focused on important themes such as “Social Problems Related to Drug Abuse,” “Health Consequences of Drug Abuse,” “Drug Addiction and Crime,” and “Empowerment Techniques that Keep Us Healthy.” Students enthusiastically expressed their views on the physical, psychological, social, and legal consequences of drug addiction.

The stage shows further highlighted the dangers associated with substance abuse through engaging performances, while the essay writing and debate competitions provided students with opportunities to explore preventive strategies and the importance of maintaining a healthy and productive lifestyle.

The campaign successfully conveyed the message “Say No to Drug” and emphasized that awareness, education, empowerment, and community participation are essential in preventing drug abuse. The programme reflected MRIPS's commitment to promoting student well-being, social responsibility, health awareness, and a drug-free society.

ALOHA – A Memorable Farewell Celebration for B.Pharm Final-Year Students

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) hosted “ALOHA,” a farewell celebration for the B.Pharm 4th-year students, organized by the B.Pharm 3rd-year students on June 29th 2024. The event was filled with joy, warmth, and nostalgia as students and faculty came together to celebrate the achievements and cherished memories of the outgoing batch.

The programme featured cultural performances, fun activities, music, and interactive sessions, creating a lively and memorable atmosphere. The junior students expressed their appreciation and best wishes to the outgoing students as they embarked on the next phase of their academic and professional journey.

The celebration concluded on a cheerful note, with students reminiscing about their college experiences and sharing heartfelt wishes for a bright, successful, and fulfilling future.

MRIPS Celebrates World Blood Donor Day with Awareness and Enthusiasm

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Blood Donor Day on 12th June 2024 with great enthusiasm to create awareness about the importance of voluntary blood donation and its role in saving precious lives. The programme emphasized the message of compassion, social responsibility, and the importance of becoming a voluntary blood donor.

The programme was conducted under the guidance of Principal Mr. B. Rajkamal and Vice Principal Mrs. J. Sangeetha, with the active support of the B.Pharm HOD Mrs. B. Rama and Pharm.D HOD Dr. Ravindra Babu. Mrs. B. Revathi, Event Coordinator, coordinated the programme and ensured the active involvement of students and faculty members.

Faculty members and students participated enthusiastically in the awareness activities and highlighted the significance of regular voluntary blood donation in helping patients during medical emergencies, surgeries, accidents, and other critical situations. Students were encouraged to spread awareness about blood donation among their peers, families, and the community.

The celebration successfully conveyed the message that blood donation is a noble act that can give someone a second chance at life. The programme concluded with a renewed commitment from the MRIPS community to promote voluntary blood donation and contribute towards a healthier and more compassionate society.

Mrs. B. Revathi Honoured for Compering at the 73rd Indian Pharmaceutical Congress

Mrs. B. Revathi, Assistant Professor, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), had the honour of serving as the compere at the 73rd Indian Pharmaceutical Congress (IPC). Her confident stage presence, effective communication, and professional compering contributed to the smooth conduct of the prestigious pharmaceutical event.

In recognition of her commendable contribution, Mrs. B. Revathi was felicitated with an appreciation memento by the IPCA President, IPCA Secretary, and LOC Convenor. The honour was a proud moment for MRIPS and acknowledged her dedication and excellence in academic and professional activities.

Her achievement reflects the institution's commitment to encouraging faculty members to actively participate and excel in national-level academic and professional platforms.

MRIPS Observes World Hepatitis Day with Awareness and Student Participation

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Hepatitis Day on 28th July 2024 with the objective of creating awareness among students about hepatitis, its prevention, early detection, and the importance of maintaining a healthy lifestyle. The programme highlighted the significance of timely diagnosis, vaccination, hygiene, and appropriate medical care in preventing the spread of viral hepatitis.

The awareness programme was conducted under the guidance of Principal Mr. B. Rajkamal and Vice Principal Mrs. J. Sangeetha, with the active support of B.Pharm HOD Mrs. B. Rama and Pharm.D HOD Dr. Ravindra Babu. Faculty members, including Mrs. B. Revathi, Assistant Professor and Event Coordinator, along with other faculty members, actively participated in the programme.

Students of MRIPS enthusiastically took part in the awareness activities and learned about the causes, modes of transmission, symptoms, prevention, and health consequences of hepatitis. The programme encouraged students to spread awareness among their families and communities and to promote healthy and hygienic practices.

The celebration successfully reinforced the importance of “prevention, early diagnosis and timely treatment” in combating hepatitis. The active participation of students and faculty made the programme informative and impactful, reflecting MRIPS’s commitment to promoting health awareness, community responsibility, and preventive healthcare.

MRIPS Celebrates Independence Day with Patriotic Fervour

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Independence Day on 15th August 2024 with great patriotic spirit and enthusiasm. The celebration commemorated India’s freedom and paid tribute to the sacrifices of the nation’s freedom fighters.

The programme was conducted under the guidance of Principal Mr. B. Rajkamal and Vice

Principal Mrs. J. Sangeetha, in the presence of B.Pharm HOD Mrs. B. Rama and Pharm.D HOD Dr. Ravindra Babu. Mrs. B. Revathi, Assistant Professor and Event Coordinator, coordinated the programme with the support of faculty members and students. The celebration featured flag hoisting, patriotic speeches, cultural performances, and patriotic songs, with enthusiastic participation from students and faculty members. Students expressed their love for the nation through inspiring performances and messages highlighting the values of unity, freedom, patriotism, and national responsibility. The faculty members encouraged students to become responsible citizens and contribute positively to the development of the nation. The celebration concluded with a strong sense of pride and patriotism, leaving the MRIPS community inspired to uphold the ideals and values of independent India

MRIPS Celebrates Teachers' Day with Joy and Appreciation

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Teachers' Day with great enthusiasm and warmth, honouring the dedication, guidance, and invaluable contribution of its faculty members on 5th sept 2024. The celebration provided an opportunity for students to express their heartfelt gratitude and appreciation towards their teachers.

The programme was conducted under the guidance of Principal Mr. B. Rajkamal and Vice Principal Mrs. J. Sangeetha, with the active support of B.Pharm HOD Mrs. B. Rama and Pharm.D HOD Dr. Ravindra Babu. Mrs. B. Revathi, Assistant Professor and Event Coordinator, along with other faculty members, coordinated and supported the celebration.

The programme featured heartfelt speeches by students, who expressed their respect and appreciation for the faculty members and acknowledged their important role in shaping their academic and professional journeys. The celebration was further enlivened by colourful dance performances and a variety of fun-filled games specially organized for the faculty members.

Faculty members enthusiastically participated in the games and enjoyed the memorable moments shared with the students. As a special gesture of gratitude, students presented gifts to all the faculty members, expressing their love, respect, and appreciation for their teachers.

The celebration witnessed the active participation of faculty members and students from across MRIPS, creating a joyful and vibrant atmosphere on campus. The event strengthened the bond between teachers and students and provided an opportunity for everyone to celebrate the spirit of teaching and learning together.

The celebration concluded on a cheerful and memorable note, with students expressing their sincere gratitude to their teachers for their continuous guidance, encouragement, mentorship, and support. The event truly reflected the spirit of respect, appreciation, and togetherness at MRIPS.

Dussehra Puja Celebrated with Devotion at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Dussehra Puja with devotion and enthusiasm, bringing together faculty members and staff for a traditional prayer ceremony on oct 4th 2024. The puja was conducted to seek blessings for prosperity, peace, and success in the institution.

The celebration concluded with the distribution of prasadam to faculty members and staff. The event reflected the spirit of unity, tradition, and togetherness at MRIPS.

MRIPS Celebrates Bathukamma with Colour, Culture and Tradition

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the vibrant Bathukamma festival on 10th October 2024 at the MRIPS campus with great enthusiasm and cultural spirit. The celebration beautifully showcased the rich Telangana heritage, traditions, and cultural values associated with Bathukamma.

The campus was filled with colourful floral arrangements and festive energy as faculty members, staff, and students actively participated in the celebrations. A special Bathukamma-making competition was organized between students and faculty members, with participants showcasing their creativity by designing beautiful Bathukammas using a variety of seasonal flowers.

The celebrations were conducted in a traditional manner, with participants gathering around the beautifully decorated Bathukammas and joyfully taking part in the festivities. The event created a wonderful atmosphere of unity, cultural pride, and togetherness among the MRIPS family.

The celebration was made possible with the kind permission and encouragement of Dr. B. Rajkamal, Dean & Professor, MRIPS. The MRIPS family expressed its sincere gratitude to the Dean for his support in promoting and celebrating the rich cultural heritage of Telangana on campus.

The Bathukamma celebration was a memorable occasion that strengthened the spirit of tradition, teamwork, and togetherness among the students and staff of MRIPS.

Graduation Day Celebrated for 2020–2024 Batch at MRIPS

The Graduation Day Ceremony for the 2020–2024 batch was celebrated on oct 19th ,2024 with great enthusiasm at the Chandramma Auditorium, bringing together graduates from three prestigious pharmacy institutions of the Malla Reddy Group of Institutions— Malla Reddy College of Pharmacy, Malla Reddy Pharmacy College, and Malla Reddy Institute of Pharmaceutical Sciences (MRIPS).

The ceremony was graced by Chief Guest Shri Ch. Malla Reddy Garu, who addressed the graduating students and congratulated them on their academic accomplishments. Dr. B. Rajkamal, Principal of MRIPS, delivered an informative speech highlighting the institute's academic excellence, infrastructure, facilities, and opportunities provided to students for their overall professional development.

The event marked a memorable milestone for the graduating students, celebrating their achievements and encouraging them to pursue excellence in their future careers.

MRIPS Inaugurates Newly Renovated College Building with Traditional Pooja Ceremony

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) marked a significant occasion with the inauguration of its newly renovated college building on 16th November 2026. The programme commenced with a traditional Pooja ceremony, seeking blessings for the continued growth, prosperity, and academic excellence of the institution.

The auspicious Pooja was performed by the Chief Guest, Sri Ch. Malla Reddy Garu, in the presence of the Principal, teaching and non-teaching faculty members, and students. The ceremony created an atmosphere of devotion, joy, and unity as the MRIPS family came together to celebrate this important milestone.

Following the Pooja ceremony, a lunch was arranged for all the attendees, providing an opportunity for the faculty, staff, students, and guests to share the joyous occasion together. The inauguration of the renovated building reflects MRIPS's continued commitment to providing an improved and enriching academic environment for its students.

MRIPS Hosts Orientation Day Programme for First-Year Students

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an Orientation Day Programme for the newly admitted B.Pharmacy and Pharm.D First-Year students on 20th November 2024 at the Chandramma Auditorium, Campus 1.

The programme was graced by Sri Ch. Malla Reddy, Founder Chairman, Malla Reddy Group of Institutions (MRGI), as the Chief Guest. The event also honoured Dr. Siddappa Gowrav, Chief Medical Superintendent, Malla Reddy Health City, and Dr. K. N. Sudha Ramana, Director, MRM CW & MRNH.

MRIPS Organizes Blood Donation Drive During National Pharmacy Week 2024

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), through its National Service Scheme (NSS), organized a Blood Donation Drive as part of the National Pharmacy Week Celebrations 2024. The programme was conducted on 23rd November 2024 at the MRIPS campus, in association with HDFC Bank.

The event was organized under the theme “Think Health, Think Pharmacy”, with the aim of creating awareness about the importance of voluntary blood donation and encouraging students and members of the community to contribute towards saving lives. The campaign emphasized the message “Help us fill in the gaps – Be a blood donor” and highlighted the continuing need for regular blood donors.

The programme was conducted from 9:30 AM to 4:00 PM with active participation from students and staff. The initiative reflected the commitment of MRIPS towards community service, social responsibility, and promoting public health awareness.

The programme was organized under the guidance of Dr. B. Rajkamal, Principal and Convenor, with Ms. N. Indraja, NSS Coordinator, and Mrs. B. Revathi, Event Coordinator, playing key roles in coordinating the successful conduct of the blood donation drive.

MRIPS Conducts Skill Development Programme on 21st Century Transferable Skills

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a two-day Skill Development Programme on “21st Century Transferable Skills” on 21st and 22nd November 2024, from 9:30 AM to 4:00 PM, at the MRIPS Auditorium. The programme was conducted for B.Pharm IV Year and Pharm.D II & III Year students with the objective of enhancing essential transferable skills required for academic success, employability, and professional growth.

The programme featured Mrs. Rose Mary, TASK Trainer, as the Keynote Speaker, who delivered engaging and informative sessions focusing on important 21st-century competencies, including communication, teamwork, problem-solving, adaptability, leadership, and interpersonal skills. The interactive sessions encouraged students to actively participate, develop confidence, and apply these skills in real-world professional situations.

The programme was conducted under the convenorship of Dr. B. Rajkamal, Principal, MRIPS, with Mrs. B. Revathi, Associate Professor and TASK In-charge, MRIPS, serving as the Event Coordinator. The programme provided students with valuable exposure to industry-oriented skills and contributed to their overall professional and personal development.

MRIPS Marks 63rd National Pharmacy Week with Enthusiasm and Creativity

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the 63rd National Pharmacy Week (NPW) from 25th to 30th November 2024 with a wide range of sports, intellectual, creative, cultural, and social activities. The celebrations provided students with an opportunity to demonstrate their talents, teamwork, leadership, creativity, and competitive spirit while highlighting the diverse role of pharmacy professionals.

The celebrations were organized under the guidance of Convenor Dr. B.Rajkamal and Organizing Secretary Mrs. B. Revathi, with the support of AO Mr. V. Shukla, NSS Coordinator Ms. N. Indraja, and the Physical Director. Various sporting events, including Volleyball, Kabaddi, Throwball, Kho-Kho, and Cricket, witnessed enthusiastic participation from students. B.Pharm Final Year emerged as winners in Boys' Volleyball, B.Pharm First Year secured the Girls' Kabaddi title, Pharm.D 3rd Year won Boys' Kabaddi, and Pharm.D 4th Year emerged victorious in Girls' Throwball.

The Debate Competition on “Pharmacists should be allowed to prescribe medications independently in India” encouraged students to develop their research, communication, reasoning, and critical-thinking abilities. Students also displayed their artistic talents through Rangoli, Mehendi, and Art competitions, presenting colourful and creative works.

The campus was further enlivened by a vibrant cultural programme, featuring group dances, solo performances, singing, ramp walk, and other entertaining activities. The celebrations concluded with a Valedictory Ceremony, during which winners of various competitions were felicitated with certificates and prizes. The awards were presented by the judges, Dean Dr. H. Ramana, Dr. J. Sangeetha, and Dr. S. Ravindra Babu. The contributions of coordinators, volunteers, and organizing committee members were also acknowledged and appreciated.

A special Cricket Prize Distribution Ceremony added to the celebrations, with the winning team receiving a trophy and cash prizes. The social responsibility aspect of the week was highlighted through the “Pink for a Cause” Breast Cancer Awareness initiative, in which students and staff expressed solidarity and spread awareness about breast cancer.

The 64th NPW celebrations at MRIPS successfully combined sportsmanship, knowledge, creativity, culture, and social responsibility, creating an engaging and memorable experience for the entire MRIPS community while reinforcing the significance of the pharmacy profession.

MRIPS Students Secure Third Prize at St. Paul's College International Conference

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly congratulates its B.Pharm III Year students, Ms. Ankitha and Ms. Sindhuja, for securing the Third Prize at the International Conference organized by St. Paul's College on 7th December 2024. The students showcased their academic knowledge, research aptitude, and presentation skills, competing with participants from various institutions. Their achievement reflects their dedication, confidence, and commitment to academic excellence. The accomplishment brought recognition to MRIPS and highlights the institute's continued efforts to encourage students to participate in academic and research-oriented platforms.

The management, principal, faculty members, and students of MRIPS extended their heartfelt congratulations to Ankitha and Sindhuja and wished them continued success in their future academic and professional pursuits.

MRIPS Organizes World AIDS Day Awareness Programme

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a World AIDS Day Awareness Programme on Dec 2nd, 2024, to educate students about HIV/AIDS, its prevention, transmission, and the importance of creating a supportive and stigma-free society. The programme emphasized the vital role of awareness, responsible health practices, and community participation in preventing HIV infection.

The programme was conducted under the guidance of Dr. B. Rajkamal, Principal, MRIPS, with the support of Mrs. J. Sangeetha, Vice Principal; Dr. Rama, B.Pharm HOD; and Mr. Ravindra Babu, Pharm.D HOD. Mrs. B. Revathi served as the Event Coordinator.

Students actively participated in the awareness programme and demonstrated their enthusiasm through various awareness activities. The event provided an effective platform for students to understand the significance of HIV/AIDS prevention and to spread the message of compassion, awareness, and social responsibility.

The programme successfully reinforced the commitment of MRIPS towards health awareness, community education, and responsible citizenship.

MRIPS Organizes One-Day Workshop on 3D Printing & Artificial Intelligence in Pharmaceutical Sciences

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a One-Day Workshop on “3D Printing & Artificial Intelligence in Pharmaceutical Sciences” on 19th December 2024, from 9:30 AM to 4:00 PM at the MRIPS Auditorium. The workshop aimed to provide students and faculty with insights into the emerging applications of 3D printing and Artificial Intelligence (AI) in pharmaceutical research, formulation development, healthcare, and drug delivery.

The workshop featured Dr. Prakash Katakam, Founder & CEO, 3D Flying, Hyderabad, and Dr. N. Sri Ram, Founder & Managing Director, Genests Research Lab, Hyderabad, as resource persons. They delivered informative sessions highlighting the potential of advanced technologies in transforming pharmaceutical sciences and encouraged participants to explore innovative and technology-driven approaches in research and practice.

The programme was conducted under the convenorship of Dr. B. Rajkamal, Dean & Professor, MRIPS. Mrs. B. Revathi, Associate Professor, Department of Pharmaceutical Chemistry, and Mr. N. Shekhar, Associate Professor, Department of Pharmacology, served as Programme Coordinators, while Mr. P. Ramesh Kumar served as the Technical Coordinator.

The workshop provided an interactive platform for participants to gain awareness of the latest technological advancements and their practical applications in pharmaceutical sciences. The programme successfully promoted innovation, interdisciplinary learning, and technology-oriented thinking among the MRIPS academic community.

MRIPS Observes World Meditation Day with a Session on Inner Wellness

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Meditation Day with an inspiring meditation session at the MRIPS Auditorium on 21st Dec 2024, encouraging students and faculty members to embrace meditation as a means of promoting mental well-being, inner peace, concentration, and a balanced lifestyle. The session was conducted following the meditation practices and guidance associated with Sri Sri Ravi Shankar.

The programme was organized with the support and encouragement of Dr. B. Rajkamal, Dean & Professor, MRIPS, whose initiative helped facilitate this wellness-focused event. Mr. Ravindra Babu, Pharm.D HOD; Mrs. Rama, B.Pharm HOD; and Mrs. J. Sangeetha, Vice Principal, actively participated in the meditation session along with the students.

Mrs. B. Revathi served as the Event Coordinator and contributed to the successful organization of the programme. Students participated enthusiastically in the session and experienced the benefits of mindfulness, relaxation, and focused breathing.

The World Meditation Day celebration at MRIPS served as a meaningful initiative to promote holistic health, emotional well-being, and a positive academic environment, inspiring students and faculty to incorporate meditation into their daily lives.

MRIPS Celebrates Semi-Christmas with Joy and Festive Spirit

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Semi-Christmas with great enthusiasm and festive spirit on 24th April 2024 at the MRIPS Auditorium. The celebration featured a special cake-cutting programme, creating a joyful and memorable atmosphere for the students and faculty.

The event was graced by the presence of Dean & Professor Mr. B. Rajkamal, whose support and encouragement contributed to the success of the celebration. Vice Principal Mrs. J. Sangeetha, along with the B.Pharm and Pharm.D Heads of Departments, faculty members, and students, actively participated in the programme.

The celebration provided an opportunity for the MRIPS family to come together and share happiness, fellowship, and festive cheer. The programme was organized by Mrs. B. Revathi, whose efforts played an important role in making the event a success.

The management, Dean, Vice Principal, HODs, faculty members, and students were sincerely appreciated for their enthusiastic participation and support in making the celebration a memorable occasion.

MRIPS Welcomes the New Year with Joy and Enthusiasm

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the New Year with great enthusiasm and festive spirit on 31st December 2024 at the MRIPS Auditorium. The celebration featured a cheerful cake-cutting programme, bringing together faculty members and students to welcome the New Year with happiness and togetherness.

The programme was graced by Dean & Professor Mr. B. Rajkamal, who addressed the gathering with an inspiring speech and extended his warm wishes for the New Year. Vice Principal Mrs. J. Sangeetha also shared her greetings and motivating words with the students and faculty. The B.Pharm and Pharm.D Heads of Departments delivered their speeches and conveyed their best wishes for a successful and prosperous New Year.

The students actively participated in the celebration, adding enthusiasm and vibrancy to the event. The programme was organized by Event Coordinator Mrs. B. Revathi, whose efforts contributed to the successful conduct of the celebration.

The event concluded on a joyful note, fostering a sense of unity, positivity, and renewed enthusiasm among the entire MRIPS family.

MRIPS Organizes Three-Day Training Programme on Medical Coding and Billing

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a three-day training programme on “Medical Coding and Billing” on 24th, 25th and 27th January 2024, in association with the Telangana Academy for Skill and Knowledge (TASK), Department of IT & E&C, Government of Telangana.

The programme was designed to equip students with practical knowledge of medical coding, healthcare documentation, billing procedures, and industry-oriented skills, enabling them to explore promising career opportunities in the healthcare and pharmaceutical sectors.

The interactive training sessions provided students with valuable insights into the fundamentals of medical coding and billing, while enhancing their employability and professional readiness. The enthusiastic participation of students contributed to the success of the programme.

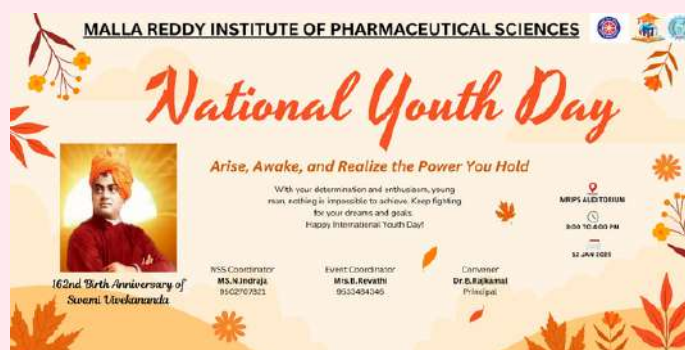

The programme was conducted under the guidance of Mr. B. Rajkamal, Dean & Professor, MRIPS, as the Convenor, with Mrs. B. Revathi serving as the Event Organizer. The initiative reflected MRIPS's continued commitment to providing students with skill-based, industry-relevant training and career development opportunities.

MRIPS Celebrates National Youth Day with Inspirational Spirit

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated National Youth Day with great enthusiasm on 12 January 2025, from 3:00 PM to 4:00 PM at the MRIPS Auditorium, commemorating the 162nd birth anniversary of Swami Vivekananda.

The celebration highlighted Swami Vivekananda's inspiring message to the youth: "Arise, awake, and stop not until the goal is reached." The programme emphasized the importance of determination, self-confidence, discipline, and responsible citizenship in shaping a progressive nation.

The event was conducted under the guidance of Mr. B. Rajkamal, Dean & Professor, MRIPS, who served as the Convenor, with Mrs. B. Revathi as the Event Coordinator and Miss N. Indraj, NSS Event Coordinator, playing an active role in organizing the programme.

The Dean, Vice Principal, Heads of various departments, faculty members, and students actively participated in the celebration. Inspiring speeches delivered by the dignitaries, faculty, and students reflected on the life, teachings, and vision of Swami Vivekananda and encouraged students to pursue their goals with courage and perseverance.

The celebration concluded with a renewed commitment among students to embrace the values of leadership, service, determination, and nation-building, truly reflecting the spirit of National Youth Day.

MRIPS Celebrates Women Teachers' Day Honouring Savitribai Phule's Legacy

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Women Teachers' Day on 3rd January 2025, commemorating the birth anniversary of Savitribai Phule, the pioneering educator, social reformer, and a powerful voice for women's education and empowerment. The programme was held at the MRIPS Auditorium from 2:00 PM to 4:00 PM with great enthusiasm and respect.

The programme highlighted the inspiring life and remarkable contributions of Savitribai Phule, whose relentless efforts opened new avenues for women's education and social equality. The celebration served as a reminder of the importance of education, empowerment, and equal opportunities for women.

Mrs. Shweta M. Dhule, Assistant Professor, Department of Pharmaceutics, and Mrs. V. Sravani, Associate Professor, Department of Pharmaceutics, delivered insightful speeches highlighting Savitribai Phule's pioneering role in education, women's empowerment, and social reform. Their inspiring addresses encouraged students to uphold the values of equality, education, courage, and social responsibility.

The event was conducted under the guidance of Convenor Mr. B. Rajkamal, Dean & Professor, with the active support of Event Coordinator Mrs. B. Revathi and NSS Event Coordinator Miss N. Indraj. Faculty members and students actively participated in the programme, making the celebration meaningful and engaging.

The event concluded with a renewed commitment to promote education, equality, women's empowerment, and social awareness, carrying forward the visionary legacy of Savitribai Phule.

MRIPS Conducts Skill Development Programme on Presentation Skills

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an engaging Skill Development Programme on “Presentation Skills” on 10 January 2025 at the MRIPS Auditorium. The programme aimed to enhance students’ communication, confidence, presentation techniques, and professional skills essential for their academic and future career growth.

The session was delivered by Mr. Mark Louis Horne, TASK Trainer, who provided valuable insights into effective presentation strategies, audience engagement, confident delivery, body language, and professional communication. His interactive approach encouraged students to actively participate and develop greater confidence in expressing their ideas. The programme was conducted under the guidance of Mr. B. Rajkamal, Convenor, with Mrs. B. Revathi, Associate Professor and TASK In-charge, MRIPS, serving as the Event Coordinator.

The programme witnessed enthusiastic participation from students and faculty members. The session proved to be an enriching learning experience, empowering students with practical presentation skills and motivating them to communicate their ideas with clarity, confidence, and impact.

MRIPS Celebrates Sankranti with Colour, Culture and Cheer

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the joyous festival of Sankranti with great enthusiasm on 11 January 2025 at the MRIPS Auditorium. The celebration beautifully showcased the rich cultural traditions of the festival while providing students with an opportunity to express their creativity and talents.

The programme was conducted under the guidance of Mr. B. Rajkamal, Dean & Professor, MRIPS, who served as the Convenor, with Mrs. B. Revathi, Associate Professor, as the Event Coordinator. The CRs of B.Pharm 1st, 2nd, 3rd and 4th Years and Pharm.D actively coordinated the student activities and ensured enthusiastic participation throughout the celebration.

The event featured a vibrant array of cultural and recreational activities, including an energetic flash mob, melodious singing performances, lively dances, creative rangoli competitions, inspiring speeches, entertaining skits, and exciting indoor games. Students participated with remarkable enthusiasm, transforming the auditorium into a lively celebration of tradition, creativity, and togetherness.

The Sankranti celebration provided a wonderful platform for students to showcase their talent, teamwork, creativity, and cultural spirit, creating memorable moments of joy and camaraderie at MRIPS. The programme concluded on a cheerful note, reflecting the festive message of happiness, prosperity, unity, and new beginnings.

MRIPS Celebrates 76th Republic Day with Patriotic Spirit

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the 76th Republic Day with great pride and patriotic enthusiasm on 26 January 2025. The celebration commenced with the flag hoisting ceremony by Mr. B. Rajkamal, Dean & Professor, MRIPS, followed by the singing of the National Anthem.

The programme featured inspiring addresses by Mr. B. Rajkamal, Dean & Professor, and Mrs. J. Sangeetha, Vice Principal, who highlighted the significance of the Constitution, democratic values, and the responsibilities of citizens in nation-building. Mrs. B. Revathi, Associate Professor, Mr. Shukla, Administration, and Mr. Vijay, Faculty, also shared their thoughts and conveyed meaningful messages to the students.

Students actively participated in the celebration and expressed their patriotism through enthusiastic involvement in the programme. The event fostered a strong sense of national pride, unity, discipline, and responsibility among the MRIPS community.

The celebration concluded with a renewed commitment to uphold the values of the Indian Constitution and contribute positively towards the progress and development of the nation.

MRIPS Conducts Skill Development Programme on Presentation Skills

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Skill Development Programme on “Presentation Skills” on 21st January 2025 at the MRIPS Auditorium. The programme was designed to enhance students’ communication abilities, confidence, presentation techniques, and professional skills.

The session was conducted by Mr. Mark Louis Horne, TASK Trainer, who provided valuable insights into effective presentation techniques, audience engagement, body language, voice modulation, and confident delivery. The interactive session encouraged students to actively participate and develop their ability to communicate ideas clearly and effectively.

The programme was organized under the guidance of Mr. B. Rajkamal, Dean and Professor, MRIPS, who emphasized the importance of strong communication and presentation skills in students’ academic and professional development.

The event was coordinated by Mrs. B. Revathi, Associate Professor and TASK In-charge, MRIPS, whose efforts contributed to the successful conduct of the programme. The session proved to be an enriching and practical learning experience for the participating students.

✨ AURA – A Vibrant Welcome to the Newcomers at MRIPS ✨

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) hosted a vibrant and memorable Freshers' Party "AURA" at the MRIPS Auditorium, organized by the Pharm D 2nd Year students to warmly welcome the Pharm D 1st Year students into the MRIPS family.

The celebration was filled with enthusiasm, music, dance, fun activities, and lively interactions, creating a wonderful platform for seniors and freshers to connect and build lasting friendships. The event reflected the spirit of unity, creativity, and camaraderie among the students.

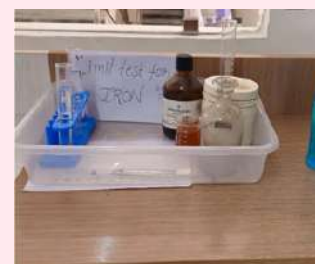

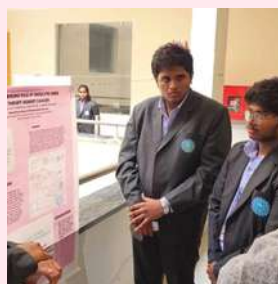

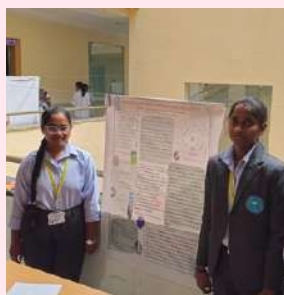

The highlight of the celebration was the selection of Mr. Fresher – Mr. Bahnu Prasad and Miss Fresher – Miss Sathvika, who impressed everyone with their confidence, personality, and enthusiastic participation.

The AURA Freshers' Party was a joyful beginning for the new batch, leaving the students with cherished memories and setting the stage for an exciting academic journey at MRIPS.

MRIPS Conducts Seminar and Poster Presentation on Global Leadership in Science & Innovation

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth, successfully organized a National Level Seminar on 28th February 2025 at the MRIPS Auditorium with the theme "Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharath."

The event aimed to encourage scientific thinking, innovation, and leadership among students and researchers. As part of the program, a Poster Presentation Competition was also conducted, where students enthusiastically presented innovative research ideas and scientific concepts. The competition provided a platform for participants to showcase their creativity, research aptitude, and presentation skills.

Faculty members, students, and research scholars actively participated in the seminar and gained valuable insights into emerging trends in science and innovation. The event was organized under the guidance of Dr. B. Raj Kamal, Convener & Principal, MRIPS, and was a grand success with active participation from all attendees.

IDEATHON 2025 CELEBRATES NATIONAL PHARMACY EDUCATION DAY AT MRIPS

The Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth, successfully organized "IDEATHON 2025" on March 6th 2025 to mark National Pharmacy Education Day.

MRIPS Celebrates International Women's Day and Honours the Legacy of Ahilyabai Holkar

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth, celebrated International Women's Day on 8th March 2025 with enthusiasm and dignity, embracing the inspiring theme "Accelerate Action for Gender Equality." The celebration highlighted the importance of women's empowerment, equal opportunities, education, confidence, and active participation in society.

The programme featured an inspiring address by Mrs. Shweta M. Dhule, Faculty, Department of Pharmaceutics, who emphasized the significance of women's empowerment, education, self-confidence, and their active contribution to all spheres of life. Mrs. J. Sangeetha, Vice Principal, MRIPS, also addressed the gathering and shared valuable insights on the achievements of women and the collective responsibility of building a more equitable and inclusive society.

Adding significance to the occasion, MRIPS also commemorated the birth anniversary of t

he great warrior queen Ahilyabai Holkar on the college campus. The programme was conducted in the presence of Mr. B. Rajkamal, Principal, MRIPS, and Mrs. J. Sangeetha, Vice Principal. The celebration highlighted the remarkable life and legacy of Ahilyabai Holkar, whose leadership, courage, administrative excellence, social reforms, and commitment to public welfare continue to inspire generations.

Mr. M. Ashok, Guest Speaker, delivered an inspiring address on the life and achievements of Ahilyabai Holkar, encouraging students to

embrace the values of leadership, dedication, courage, discipline, and service to society. Faculty members and students actively participated in the programme and paid tribute to her enduring contribution to society and women's empowerment.

The celebrations were conducted under the guidance of Mr. B. Rajkamal, Dean and Principal, MRIPS, whose encouragement and support contributed to the successful organization of the programmes. Mrs. B. Revathi, Event Coordinator, efficiently anchored and coordinated the events.

The celebrations concluded with a powerful message of empowerment, equality, leadership, and social responsibility, inspiring the MRIPS community to carry forward the values exemplified by women leaders such as Ahilyabai Holkar and to actively contribute towards a more just, inclusive, and empowered society.

MRIPS Hosts Successful Placement Drive by Vidyanth Edu Techs Pvt. Ltd.

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully conducted a Placement Drive by Vidyanth Edu Techs Pvt. Ltd. on 15th March 2025 at the MRIPS campus. The drive provided students with a valuable platform to interact with industry professionals, explore career opportunities, and demonstrate their skills and knowledge.

The recruitment process included interactions and evaluation of eligible candidates, offering students an opportunity to showcase their communication skills, subject knowledge, aptitude, and professional competencies. The initiative aimed to bridge the gap between academic learning and industry requirements while encouraging students to confidently pursue rewarding career pathways.

The placement drive witnessed enthusiastic participation from students, reflecting their eagerness to explore diverse employment opportunities and begin their professional journeys. The event served as an important step towards strengthening industry–academia collaboration and enhancing the employability of MRIPS graduates.

The management, faculty, and placement team of MRIPS appreciated the efforts of Vidyanth Edu Techs Pvt. Ltd. for providing this valuable career opportunity and congratulated all the participating students for their active involvement and commitment towards their future careers.

Aloha '25 – Celebrating Memories, Friendship & New Beginnings

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) hosted a grand and memorable farewell celebration, “Aloha '25,” on 22nd March 2025 at 10:00 AM at the MRIPS Auditorium, organized by the 5th-Year Pharm.D students to honor the outgoing 6th-Year Pharm.D graduating batch.

The celebration was a heartfelt tribute to the graduating students, recognizing their academic achievements, clinical experiences, valuable contributions, and cherished journey at MRIPS. The auditorium was beautifully decorated with elegant floral arrangements and sparkling string lights, creating a warm, vibrant, and celebratory ambience.

The programme was filled with nostalgia and emotions as the junior students shared heartfelt speeches and memorable experiences, expressing their gratitude for the mentorship, guidance, encouragement, and friendship extended by their seniors throughout their academic journey.

As a special gesture of appreciation, the 5th-Year Pharm.D students presented the graduating batch with tokens of appreciation and warm wishes as they stepped forward towards their professional careers. The event concluded on a joyful yet emotional note, celebrating the bonds of friendship and mentorship while wishing the graduating students success, fulfillment, and a bright future in the pharmacy profession.
