ABOUT THE INSTITUTE

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) is a constituent College of Chandramma Educational Society founded in the year 2005 by **Sri. Ch. Malla Reddy**, an eminent educationist in the state of **TELANGANA**. MRIPS an abode to learn, an opportunity to excel strongly believes that education is not just a mere act of teaching-learning, but aims and puts relentless efforts in training, guiding, motivating and leading young budding pharmacists in the ever expanding horizon of insatiable thirst for knowledge. The college was started in the year 2005, to achieve excellence in the field of Pharmacy. The college has well qualified and dedicated faculty. The Department has been organizing several national conferences, Faculty Development Programs for the benefit of the faculty and student community.

PATRONS

Message From Eminent Personality

Message from an Eminent Personality

It is indeed a privilege to extend my heartfelt greetings to the faculty, students, researchers, alumni, and staff of Malla Reddy Institute of Pharmaceutical Sciences on the occasion of the release of its Annual Newsletter.

Educational institutions play a vital role in shaping competent professionals who possess not only scientific knowledge but also ethical values, leadership qualities, and a commitment to serving society. I am pleased to note that Malla Reddy Institute of Pharmaceutical Sciences continues to uphold these ideals through its unwavering dedication to excellence in pharmaceutical education, research, innovation, and community outreach.

The pharmaceutical profession is witnessing unprecedented advancements in drug discovery, personalized medicine, biotechnology, artificial intelligence, regulatory sciences, and patient-centered healthcare. These developments present immense opportunities for young pharmacists to contribute meaningfully towards improving global health. Institutions such as MRIPS have an important responsibility to nurture innovative thinking, research aptitude, and lifelong learning among their students.

This Annual Newsletter is a commendable initiative that reflects the vibrant academic culture of the institute. It captures the remarkable achievements, research accomplishments, conferences, workshops, outreach activities, cultural events, and numerous milestones attained throughout the year. Such publications not only document institutional progress but also inspire future generations to strive for excellence.

I congratulate the Management, Principal, faculty members, students, editorial committee, and all those who have contributed to bringing out this wonderful publication. Their dedication and collective efforts deserve sincere appreciation.

I extend my best wishes to Malla Reddy Institute of Pharmaceutical Sciences for continued success in its pursuit of academic excellence, impactful research, and meaningful service to society. May the institute continue to produce highly skilled, compassionate, and responsible pharmacy professionals who contribute significantly to healthcare and the advancement of pharmaceutical sciences.

With my warm regards and best wishes for a bright and successful future.

With Best Wishes

Prof. E. Sujatha

Director, PTNR-CFRD, Special Officer for Alumni

Association, Osmania University.

MESSAGE FROM PRINCIPAL'S DESK

It gives me immense pleasure to present the Annual Newsletter of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS). This publication reflects another remarkable year of academic excellence, research innovation, professional accomplishments, and holistic development within our institution. It serves as a testament to the dedication, perseverance, and collaborative efforts of our students, faculty members, researchers, alumni, and administrative staff.

At MRIPS, we are committed to nurturing competent pharmacy professionals who possess strong scientific knowledge, ethical values, leadership qualities, and a deep sense of social responsibility. Our vision extends beyond classroom education to fostering critical thinking, innovation, research excellence, entrepreneurship, and lifelong learning. Through a learner-centric approach, advanced laboratory facilities, industry collaborations, and community engagement initiatives, we continue to prepare our students to meet the ever-evolving demands of the pharmaceutical and healthcare sectors.

The past academic year has been marked by several noteworthy achievements. Our students have excelled in academics, research presentations, co-curricular and extracurricular activities, while our faculty members have made significant contributions through quality publications, funded research, patents, professional development programmes, and academic collaborations. The successful organization of conferences, seminars, workshops, industrial visits, outreach programmes, and health awareness campaigns has further strengthened our commitment to experiential learning and societal service.

This Annual Newsletter is not merely a compilation of events and achievements; it is a celebration of our collective journey, our shared aspirations, and our unwavering commitment to excellence. Every accomplishment featured in these pages reflects the enthusiasm, creativity, and dedication of the entire MRIPS family.

I extend my sincere appreciation to the Editorial Committee for their meticulous efforts in bringing out this publication. I also congratulate every student, faculty member, researcher, and staff member whose contributions have enriched our institution during the year.

I express my heartfelt gratitude to our visionary Chairman, esteemed management, governing body, parents, alumni, industry partners, and well-wishers for their continued encouragement and support. Together, we shall continue to strengthen the legacy of Malla Reddy Institute of Pharmaceutical Sciences as a centre of excellence in pharmaceutical education, research, innovation, and community service.

I wish all our students, faculty, alumni, and stakeholders continued success in their future endeavours. May we continue to strive for excellence, uphold our values, and contribute meaningfully to the advancement of pharmaceutical sciences and the betterment of society.

With warm regards and best wishes,

Dr. H. Ramana
Dean & Principal
Malla Reddy Institute of Pharmaceutical Sciences

MESSAGE FROM THE CHIEF EDITOR

It is with immense pride and great pleasure that I present the Annual Official Newsletter of Malla Reddy Institute of Pharmaceutical Sciences, Hyderabad. This newsletter is a reflection of our institution's unwavering commitment to academic excellence, innovation, research, and holistic student development.

Over the past year, our institute has continued to achieve remarkable milestones through the collective efforts of our dedicated faculty, enthusiastic students, visionary management, and supportive staff. Every achievement, event, research endeavor, outreach activity, and co-curricular accomplishment featured in this edition represents the spirit of excellence and perseverance that defines MRIPS.

This annual publication serves as more than just a record of events—it is a celebration of our shared journey, our accomplishments, and our aspirations for the future. It captures the vibrant academic environment, innovative teaching practices, research contributions, industrial collaborations, community service initiatives, cultural activities, and student achievements that have enriched our institution throughout the year.

I extend my heartfelt appreciation to all the contributors who have shared their articles, achievements, photographs, and creative work, making this newsletter both informative and inspiring. My sincere gratitude goes to the editorial committee, faculty members, student coordinators, and the management for their invaluable support, dedication, and cooperation in bringing this publication to life.

As we move forward, let this newsletter inspire us to continue striving for excellence, embrace innovation, uphold professional ethics, and contribute meaningfully to the advancement of pharmaceutical education and healthcare. Together, we shall continue to nurture competent professionals who are equipped to meet global challenges with knowledge, compassion, and integrity.

I hope you enjoy reading this edition and take pride in the remarkable journey of our institution. May it inspire every member of the MRIPS family to reach greater heights in the years to come.

With warm regards,

Mrs. Shweta Manoj Dhule

Chief Editor – Annual Newsletter

Assistant Professor

Malla Reddy Institute of Pharmaceutical Sciences

Hyderabad

VISION

Vision of the Institute:

To be a Center of Excellence in Pharmaceutical Sciences, nurturing innovative, ethical, and globally competent professionals through research-driven education."

MISSION

Mission of the Institute:

- **M1.** To impart quality pharmaceutical education through a flexible, updated curriculum aligned with National Education Policy and industry requirements.
- **M2.** To promote research, innovation, and interdisciplinary learning that address emerging global healthcare challenges.
- **M3.** To provide state-of-the-art infrastructure and experiential learning opportunities that enhance practical competency and employability.
- **M4.** To inculcate ethical values, critical thinking, and professional responsibility among students for holistic personality development.
- **M5.** To foster collaborations with industry, healthcare, and research organizations for continuous knowledge exchange and global competence.

BEYOND CLASSROOM

NEW AND LATEST PHARMACY PRACTICE APPROACHES AND CONCEPTS

Pharmacy practice is rapidly evolving, embracing innovative approaches and concepts to enhance patient care and adapt to the dynamic healthcare landscape. Key features include, expanding clinical roles for pharmacists including direct patient care, collaborating with healthcare teams to optimize medical therapy and improving patient health outcomes. This shift from traditional dispensing to patient-centered care is exemplified by the concept of pharmaceutical care, which is identifying and resolving drug-related problems in collaboration with patients and other healthcare professionals such as doctors and nurses. By utilizing clinical evidence, pharmacists can make informed decisions that improve patient outcomes and ensure safe use of medications. Integrating evidence-based practices into pharmaceutical care enhances the quality and effectiveness of patient services by utilizing the clinical evidence. Implementing quality improvement methodologies within pharmacy practice aims to enhance service delivery and patient outcomes. By adopting systemic approaches to identify and address inefficiencies, pharmacists can contribute to safer and more effective healthcare systems. Advanced pharmacy education is being given where educational advancements are aligning with the expanding roles of pharmacists. For instance, in Australia the introduction of an extended master's degree allows pharmacists to attain the title "Doctor of Pharmacy," reflecting their advanced clinical training and capabilities. In addition, artificial intelligence (AI) is being applied across various facets of pharmacy, including drug discovery, development, and personalized medicine. AI-driven tools assist in analyzing large datasets to identify potential drug candidates, predict interactions, and optimize formulations, thereby accelerating the drug development process and enhancing patient-specific treatments.

In an emerging field, pharmacocybernetics focuses on supporting medication use through informatics and internet technologies. It integrates medicine, computer science, and psychology to design and evaluate technological innovations that improve drug management and prevent drug-related problems. The autonomous pharmacy model leverages automation and data-driven processes to manage medication inventory and dispensing. By reducing manual tasks, this approach aims to decrease medication errors, lower costs, and allow pharmacists to focus more on clinical activities and patient care. The role of a pharmacist is now evolving in three directions such as the enlargement of the role of the pharmacist in the area of provision and dispensing of medicines, secondly, the traditional role in healthcare is expanding as the therapeutic tasks that were once the responsibilities of the medical practitioner become increasingly shared with pharmacists and thirdly, changes occur as the pharmacist adapts to climatic changes, and as they are medicine specialists in the healthcare process, where the main focus is on the prevention of illness, relief of acute symptoms, treatment of chronic diseases, and as antidotes for adverse effects of other medicines. The provision of pharmaceutical care and services via digital communication tools especially in remote or underserved areas. In the latest practice, telepharmacy includes services like remote dispensing, virtual consultations, and medication therapy management. It's becoming essential in rural and underserved locations where pharmacists are in short supply, efficiently increasing access to pharmaceutical services, particularly areas with limited healthcare infrastructure. Programs aimed at reducing opioid misuse and abuse while ensuring patients still have access to necessary pain management, and here pharmacists are key players in opioid stewardship, ensuring appropriate prescribing, monitoring, and education about risks. They also help patients explore alternative pain management strategies. Use of technology in packaging to improve medication adherence, where smart pill bottles or blister packs equipped with sensors that remind patients to take their medications and alert caregivers when doses are missed, improved adherence to prescribed therapies and better management of chronic diseases.

Furthermore, the integration of technology and data systems enhances the quality of care, streamlines pharmacy operations, and ensures patient safety. Pharmacists are increasingly leveraging informatics tools to analyze large healthcare datasets, identify medication errors, enhance prescription accuracy, and support clinical decision-making. They are also actively involved in managing medications for mental health, contributing to improved outcomes in this critical area of care.

• Con of Pharmacy Practice. • <https://www.ncbi.nlm.nih.gov/pmc/>

Guru Varun ji

Bpharm IIIrd year

At the core of pharmaceutical progress lies innovation. It is the driving force behind every major breakthrough in healthcare. Technologies like mRNA vaccines, which played a vital role during the COVID-19 pandemic, are results of years of research and innovation. Without such advancements, addressing global health challenges would be nearly impossible. Precision medicine is another prime example—it uses an individual's genetic profile to customise treatment, increasing effectiveness and minimising side effects. AI powered diagnostics and digital therapeutics are further revolutionising care by offering personalised, data-driven solutions. To become future pharma leaders, students must not only stay updated with emerging technologies but also actively contribute to research and development. Innovation ensures the industry does not stagnate and continues to meet the ever-evolving needs of society

Mr. Harshith Oza

Pharm D 3rd year

While innovation brings new ideas to life, entrepreneurship ensures they make an impact. A breakthrough in a lab is just the beginning for entrepreneurs turn it into a scalable, accessible solution. For instance, telemedicine existed long before the pandemic, but it was entrepreneurial efforts that brought it into widespread use during the crisis. Entrepreneurs identify gaps in the healthcare system and create models that bridge them. The emergence of biosimilars—cost-effective alternatives to biologics—was made possible by pharmaceutical entrepreneurs who took bold steps to scale production and reduce costs. To lead in the pharma world, one must think like an entrepreneur—understanding market needs, managing risks, securing funding, and navigating regulatory hurdles. It's about creating value through science and ensuring that innovation reaches the people who need it most

Miss. A Janhavi

EVENTS

M-PULSE 2025 National Symposium Successfully Organized at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth, successfully organized the Two-Day National Symposium & Cultural Fest “M-PULSE 2025” on 16th and 17th April 2025 at the MRIPS Auditorium. The theme of the symposium was “Innovation in Pharma: Tackling Industry Challenges and Promoting Research.”

The event brought together academicians, researchers, industry experts, and students to discuss recent advancements, innovations, and challenges in the pharmaceutical field. Scientific sessions, oral and poster presentations, and interactive discussions provided participants with valuable opportunities to exchange knowledge and research ideas.

The symposium was graced by distinguished guests including Dr. Ravindra Babu Vemula, Vice President & Head Operations, Noah Therapeutics Pvt. Ltd., Hyderabad, and Mr. L. Ashok Reddy, Deputy General Manager – Corporate Quality Assurance, APTI Pharma Pvt. Ltd., Hyderabad, who shared their expertise and insights with the participants.

The event was conducted under the guidance of Convener Dr. B. Rajkamal, Professor & Dean, and Co-Convener Dr. J. Sangeetha, Vice Principal & HOD. The symposium was successfully coordinated by Mrs. K. Revathi along with faculty coordinators and organizing committees.

Students, faculty members, and research scholars actively participated in the symposium, making M-PULSE 2025 a grand success and a valuable platform for academic and professional development.

FACULTY DEVELOPEMENT PROGRAMM -BEYOND THE LECTURE: DIVING DEEP IN TO SELF FOR TRANSFORMATIVE TEACHING

Beyond the Lecture: Interactive Session Promotes Transformative Teaching

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an engaging interactive session titled “Beyond the Lecture: Diving Deep into the Self for Transformative Teaching” for its faculty members. The programme was conducted on June 2nd 2025 under the guidance of Dr. B. Raj Kamal, Principal, MRIPS, and coordinated by Mrs. B. Revathi, Organizing Secretary.

The session was led by Mrs. Hima Bindu Jhasti, who focused on restoring positivity, stress management, self-directed learning, and holistic approaches to understanding students’ learning styles.

Faculty members explored practical strategies to improve concentration, patience, teaching effectiveness, and student engagement.

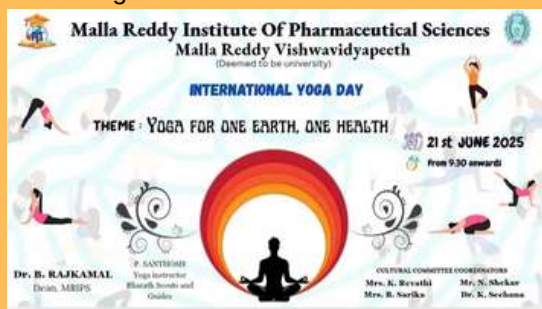

MRIPS CELEBRATES INTERNATIONAL YOGA DAY WITH A HOLISTIC WELLNESS PROGRAMME

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a holistic International Yoga Day programme on 21st June 2025 aimed at promoting physical fitness, mental well-being, and inner harmony among participants.

The event commenced with a welcome and inaugural address by Dr. B. Rajkamal, Dean, MRIPS, followed by a special address on the Yoga Day theme by Ms. N. Indraja, NSS Coordinator. A rejuvenating Yoga session on Asanas and Pranayama, led by certified yoga instructor and wellness expert Mr. P. Santhosh, helped participants experience the benefits of mindful movement and breathing.

The programme continued with a guided meditation and relaxation session, encouraging stress reduction and mental calmness. The event concluded with a Vote of Thanks by NSS volunteers, expressing gratitude to everyone who contributed to the successful programme.

The celebration reinforced the message that “Yoga is not just an exercise, but a pathway to holistic health and well-being.”

GREEN MINDS, GREENER CAMPUS: MRIPS CELEBRATES WORLD ENVIRONMENT DAY

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated World Environment Day under the theme “Beat Plastic Pollution” with great enthusiasm on June 3rd 2025. A Tree Plantation Drive was organized on the campus to promote environmental awareness and sustainability.

Various competitions including Article Writing, Poster Presentation, and Drawing Competitions were conducted to spread awareness on reducing plastic pollution. Students actively participated and showcased their creativity and concern towards environmental protection.

The event was organized by Mrs. B. Revathi, Organizing Secretary, with the involvement of faculty members Mrs. Shweta Dhule, V. Shravani, and others. The program was conducted under the guidance of Principal & Dean Dr. B. Rajkamal.

ONE DAY NATIONAL SEMINAR ON “WHAT NEXT AFTER PHARMACY – GALAXY OF JOB OPPORTUNITIES AND CAREERS” AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a One Day National Seminar on “What Next After Pharmacy – Galaxy of Job Opportunities and Careers” on 24th June 2025 in association with NIPER. The seminar aimed to provide students with valuable insights into the wide range of career opportunities available in the pharmaceutical and healthcare sectors.

The seminar was conducted by Dr. Raghu Gogada, Associate Professor, NIPER, who delivered an informative session on emerging career paths, higher education opportunities, research prospects, industrial roles, and professional growth in the pharmacy field.

The program was conducted in the presence of Principal & Dean Dr. B. Rajkamal, Vice Principal Mrs. J. Sangeetha, event coordinator Mrs. B. Revathi, along with all faculty members and students who actively participated in the seminar. The session proved highly beneficial in guiding students towards successful career planning and future opportunities in pharmacy.

INTERNATIONAL DAY AGAINST DRUG & ILLICIT TRAFFICKING...

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed the International Day Against Drug Abuse & Illicit Trafficking with great awareness and enthusiasm on June 26th 2025. The program was conducted under the guidance of Principal & Dean Dr. B. Rajkamal, with Mrs. B. Revathi serving as the Event Coordinator and Admin Mr. Shukla actively involved in organizing the event.

As part of the awareness program, students and faculty members participated in a rally carrying placards with powerful messages such as "Say No to Drugs" to spread awareness about the harmful effects of drug abuse and the importance of a healthy lifestyle.

All faculty members and students actively participated in the event, making the awareness campaign successful and impactful. The program encouraged students to stay away from drugs and contribute towards building a healthy and drug-free society.

THREE DAYS HANDS-ON TRAINING WORKSHOP ON ADVANCED CHROMATOGRAPHIC TECHNIQUES AT MRIPS

A Three-Day Hands-on Training Workshop on “Advanced Chromatographic Techniques” was successfully organized by Spinco Biotech Pvt. Ltd. at Malla Reddy Institute of Pharmaceutical Sciences auditorium on 2nd, 3rd, and 7th July 2025. The workshop was conducted under the guidance of Principal Dr. B. Rajkamal. The training program provided students and faculty with practical exposure to advanced chromatographic techniques and modern analytical instrumentation. The resource persons for the workshop included Mr. Prasad Medara, Dr. Vijay, Dr. Raju Mada, and Mr. Krishnan, who shared valuable knowledge and hands-on demonstrations with the participants.

The workshop received an enthusiastic response from students and faculty members, making the program highly informative and beneficial in enhancing practical analytical skills.

BONVOYAGE – FAREWELL PARTY FOR B.PHARM 2021–2025 BATCH AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences organized a grand farewell celebration titled “BONVOYAGE” for the outgoing B.Pharm 2021–2025 batch on 12th July 2025 at the MRIPS auditorium. The event was hosted by B.Pharm 3rd year students with great enthusiasm and excitement to bid a warm farewell to their seniors.

The celebration featured a variety of entertaining events including dance performances, fashion shows, catwalks, fun games, and cultural activities that created a joyful and memorable atmosphere for everyone present. The program was energetically anchored by B.Pharm 3rd year students Jedidiah and Shreehitha, who kept the audience engaged throughout the event.

The farewell party became a memorable occasion filled with emotions, laughter, and cherished moments, celebrating the journey and achievements of the outgoing batch.

MRIPS-MRV ORGANIZES AWARENESS PROGRAM ON SAFE MEDICINE PRACTICES

Malla Reddy Institute of Pharmaceutical Sciences conducted an awareness program titled "Empowering Young Minds for Safe Medicine Practices" in collaboration with ZPHS High School on 24th July 2025 under the NSS initiative.

The program was organized under the guidance of NSS Coordinator Ms. Indraja with active participation from B.Pharm 2nd year and Pharm D 3rd year students. The session aimed to educate school students about the safe and responsible use of medicines, importance of following prescriptions, and creating awareness about the harmful effects of self-medication.

The students actively interacted with the audience and conducted informative activities to spread awareness on healthcare and medicine safety. The program was highly appreciated for promoting health education and community outreach among young minds.

BETTER HEALTH THROUGH SMARTER MEDICINE – NSS PROGRAMME AT PADMAJA OLD AGE HOME

The NSS Unit of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a meaningful health awareness programme titled "Better Health Through Smarter Medicine" at Padmaja Old Age Home, Kompally, on 28 July 2025. The programme aimed to educate senior citizens about medication adherence, safe medicine usage, and healthy lifestyle practices.

The event was successfully conducted under the guidance of NSS Coordinator Mrs. N. Indraja and with the support of MRIPS faculty Mrs. B. Sarika. Pharm D 5th Year students actively participated in interacting with the elderly residents, offering healthcare awareness and promoting responsible medicine practices with care and compassion.

The programme received encouragement and support from Principal Dr. B. Rajkamal Sir, whose continuous motivation inspires students to participate in community service activities. The event reflected MRIPS' dedication towards social responsibility and healthcare outreach.

HEALTH STARTS WITH SMARTER CHOICES – HEALTH AWARENESS PROGRAMME AT ZPHS BAHADURPALLY

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in association with the NSS Unit, conducted a health awareness programme titled “Health Starts with Smarter Choices” at ZPHS School, Bahadurpally, on 28th July 2025. The programme aimed to educate school children about water-borne and mosquito-borne diseases, their causes, prevention, and the importance of hygiene and cleanliness.

The programme was organized under the guidance of NSS Coordinator Ms. N. Indraja with the active involvement of Mrs. B. Sarika. B.Pharm 3rd Year and B.Pharm 2nd Year students enthusiastically participated in spreading awareness through interactive sessions and informative activities for the school children.

The organizers expressed their sincere gratitude to Principal Mr. B. Rajkamal Sir for his continuous encouragement and support towards community outreach and NSS activities. The programme reflected MRIPS' dedication towards promoting health awareness and social responsibility among students and the community.

MRIPS–MRV ORGANIZED PHOTO CONTEST DURING ANTI-RAGGING WEEK

MRIPS–MRV conducted a Photo Contest as part of Anti-Ragging Week with the theme “Building Towards a Safe Campus” on 12 August 2025. The competition aimed to create awareness about maintaining a ragging-free, safe, and positive educational environment among students and faculty members.

The event was organized under the guidance of Principal Mr. B. Rajkamal Sir and coordinated by Mrs. B. Revathi. Faculty members and students actively participated in the contest by presenting creative and meaningful photographs highlighting unity, respect, and campus safety.

Among the student entries, the best photograph was selected from B.Pharm 3rd Year, while one outstanding photograph from the faculty category was also recognized and appreciated. The programme successfully encouraged awareness and promoted a culture of mutual respect and harmony within the campus.

RAKHI CELEBRATIONS WITH SOLDIERS – NSS ACTIVITY BY MRIPS

The National Service Scheme (NSS) Unit of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a heartfelt programme titled “Rakhi Celebrations with Soldiers” on 09th August 2025 at Kargil Dwar, Military Area, Kowkur. The event was conducted to express gratitude and respect towards the soldiers for their dedicated service to the nation.

The programme was organized under the guidance of NSS Coordinator Mrs. N. Indraja. Around 40 students from B.Pharm 1st, 2nd, and 3rd Year actively participated in the celebration by tying rakhi to the soldiers and conveying messages of appreciation, unity, and patriotism.

The participants expressed sincere thanks to Principal Mr. B. Rajkamal Sir for his continuous encouragement and support towards NSS activities and community-oriented programmes. The event created a sense of national pride and emotional bonding between the students and the armed forces personnel.

Dr. P. Laxmi Madhuri Awarded Doctor of Philosophy in Pharmaceutical Sciences

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly celebrates the academic achievement of Dr. P. Laxmi Madhuri, who has been awarded the Doctor of Philosophy (Ph.D.) in Pharmaceutical Sciences by Sri Padmavati Mahila Visvavidyalayam (Women's University), Tirupati, in July 2025.

Dr. Laxmi Madhuri completed her doctoral research under the Institute of Pharmaceutical Technology, with the thesis titled "Design, Synthesis and Biological Evaluation of Thiazolidine-2,4-Dione Derivatives." Her research focused on the design and synthesis of novel thiazolidine-2,4-dione derivatives and their biological evaluation, contributing to the advancement of pharmaceutical research.

The doctoral degree was conferred after evaluation by duly appointed examiners and admission to the degree was formally certified by the University. This accomplishment reflects her dedication to research, innovation, and academic excellence in the field of Pharmaceutical Sciences.

The Principal, Vice Principal, faculty members, and students of MRIPS extend their heartfelt congratulations to Dr. P. Laxmi Madhuri on this significant milestone and wish her continued success in her academic and research career.

MRIPS CELEBRATES 79TH INDEPENDENCE DAY WITH "HAR GHAR TIRANGA" SPIRIT

Malla Reddy Institute of Pharmaceutical Sciences Malla Reddy vishwavidyapeeth (MRIPS-MRV) celebrated the 79th Independence Day with great patriotism and enthusiasm under the theme on 15 August 2025 "Har Ghar Tiranga." The program began with flag hoisting by Principal Dr. Ramana Hechu at 8:30 AM, followed by cultural performances and patriotic songs by students, creating a vibrant national spirit on the campus.

The event was graced by speeches from Vice Principal Mrs. J. Sangeetha and Dr. B. Rama, who inspired students with messages on unity, responsibility, and national pride. Mrs. B. Revathi served as the event organizer and anchor, coordinating the celebrations successfully with the active participation of faculty members and students.

As part of the Independence Day celebrations, various competitions were conducted on 14th August 2025, including rangoli, chess, drawing, and games competitions. Winners were felicitated during the event. Pharm D 2nd Year students secured first prize in Rangoli, B.Pharm 2nd Year students won in Chess, and Varshitha from B.Pharm 1st Year emerged as the winner in the Drawing Competition.

The program also included the felicitation of NSS volunteers, followed by the Vote of Thanks and the National Anthem, making the celebration memorable and inspiring for everyone present.

MRIPS SHINES IN IIRF 2025 RANKINGS!

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) has achieved a remarkable milestone in the IIRF 2025 on August 22, 2025 Pharmacy Rankings, reaffirming its commitment to academic excellence, research, and quality education. The institute secured an impressive State Rank 2, Zone Rank 25, and National Rank 70 among leading pharmacy institutions.

The achievement reflects the visionary leadership of Dr. H. Ramana, Principal, and the dedicated efforts of the faculty and staff. To celebrate this proud accomplishment, a grand celebration was organized on campus, bringing together the management, faculty, and staff to share the joy and reaffirm their commitment to excellence.

A proud moment for MRIPS—another milestone on the journey towards shaping the future of pharmaceutical education and healthcare!

MRIPS STUDENT AMBASSADORS CONNECT WITH MRV SOCIAL MEDIA TEAM

The Student Ambassadors of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) participated in their first interactive meeting with the MRV Social Media Team on 23rd August 2025. The session aimed to foster student engagement, creative communication, and effective digital promotion of campus activities and achievements.

Students from B.Pharm and Pharm D programmes actively participated, exchanging ideas and exploring innovative ways to strengthen MRIPS's digital presence. The meeting emphasized teamwork, leadership, creativity, and social media coordination, inspiring the ambassadors to actively contribute to institutional outreach through digital platforms.

The engaging session marked a positive step towards building a vibrant, student-driven digital community at MRIPS.

GRADUATION DAY 2025 CELEBRATED WITH GRANDEUR AT MRIPS

29th August 2025 | Malla Reddy Institute of Pharmaceutical Sciences (MRIPS)

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated its Graduation Day on 29th August 2025 with great enthusiasm and grandeur, marking a significant milestone in the academic journey of its graduating students. The ceremony brought together distinguished dignitaries, faculty members, graduates, and proud parents to commemorate the achievements of the graduating batch.

The event was graced by Sri. Ch. Malla Reddy, Founder Chairman and MLA, Government of Telangana, as the Chief Guest. The ceremony also witnessed the presence of esteemed dignitaries and special invitees, including Dr. Jayant Karajgi and Dr. M. Sunitha Reddy, whose presence added prestige and significance to the occasion.

The event was hosted by the Principals of the Malla Reddy Group of Pharmacy Colleges—Dr. M. Sudhakar, Dr. H. Ramana, and Dr. G. Tulja Rani. The graduating students were felicitated and conferred their degrees in the presence of the distinguished guests, faculty members, and their families. The ceremony acknowledged the students' dedication, perseverance, and academic accomplishments while celebrating the beginning of their professional journey.

A major highlight of the ceremony was the inspiring address by Founder Chairman Shri Ch. Malla Reddy, whose enthusiastic and encouraging words motivated the graduates to pursue excellence, remain committed to their goals, and contribute meaningfully to society. His address also conveyed an inspiring message to parents, appreciating their support and sacrifices in shaping the students' educational journey.

The Graduation Day concluded as a memorable and joyous occasion for the graduates and their families. The grand success of the ceremony reflected MRIPS's commitment to academic excellence, student achievement, and holistic development, making the day a cherished milestone in the lives of the graduating students.

BETTER HEALTH THROUGH SMARTER MEDICINE USE

The NSS Unit of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an Old Age Home Medication Adherence Programme titled "Better Health Through Smarter Medicine Use" on 1st October 2024 at Padmashali Old Age Home.

Under the guidance of NSS Coordinator Ms. N. Indraja and faculty member Mrs. B. Sarika, B.Pharm 3rd Year students actively participated in the programme. The initiative focused on creating awareness among senior citizens about medication adherence, correct dosage schedules, safe medicine use, avoiding self-medication, and healthy lifestyle practices.

The students engaged warmly with the elderly residents, making the programme both informative and meaningful. The initiative not only promoted better health and responsible medicine use but also encouraged compassion, social responsibility, and community engagement among students.

MRIPS-MRV CELEBRATES TEACHERS' DAY WITH JOY AND GRATITUDE

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS-MRV) celebrated Teachers' Day on 5th September 2025 with great enthusiasm and joy at the MRIPS Auditorium. The celebration was held under the inspiring theme, "Teachers are the true neurotransmitters – they keep the chain of knowledge alive."

The event featured a lively array of activities, including cake cutting, ramp walk, musical chairs, and interactive games, organized by students to express their gratitude and appreciation towards their teachers. Faculty members enthusiastically participated in the celebrations, creating a vibrant and cheerful atmosphere across the campus.

Principal Dr. Ramana Hechu addressed the gathering and appreciated the dedication and valuable contributions of teachers in shaping the future of students. Vice Principal Mrs. J. Sangeetha and Mrs. B. Revathi also delivered motivating messages highlighting the importance and nobility of the teaching profession.

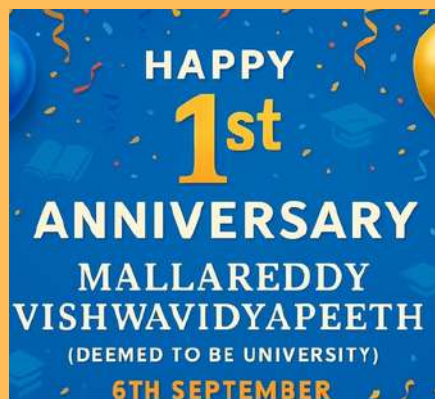

As a heartfelt gesture of appreciation, students presented gifts to their teachers, making the occasion even more memorable. The celebration concluded on a joyful note, strengthening the bond of respect, gratitude, and togetherness between students and faculty.

MRIPS CELEBRATES THE 1ST ANNIVERSARY OF MALLA REDDY VISHWAVIDYAPEETH!

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) joyfully celebrated the historic 1st Anniversary milestone of Malla Reddy Vishwavidyapeeth (Deemed to be University) on 6th September 2025. To mark this momentous occasion, a grand celebration was organized at the MRIPS campus.

The management, along with Principal Dr. Ramana Hechu and the entire faculty, extended their heartiest congratulations and warmest wishes to the university leadership. The campus was filled with pride as staff and students gathered to celebrate the university's remarkable progress, academic growth, and continuous commitment to excellence in higher education during its successful inaugural year.

MRIPS STRENGTHENS GLOBAL ACADEMIC TIES WITH TEXAS WOMAN'S UNIVERSITY

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) strengthened its global academic outreach through a significant interaction with Texas Woman's University (TWU). Dr. H. Ramana, Dean of MRIPS, met with Dr. Rama Yelkur, Dean of Texas Woman's University, along with Mr. Ramesh Patti, Director of International Affairs, MRGI, and other officials.

The meeting focused on exploring higher education opportunities, potential academic collaborations, and international partnerships. The interaction provided a valuable platform for exchanging ideas and identifying avenues for future cooperation in academics and global engagement.

The initiative reflects MRIPS's commitment to expanding its international academic network and creating greater opportunities for students and faculty through global collaborations.

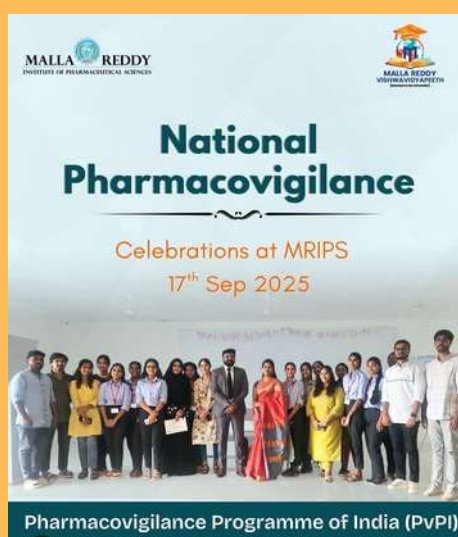

EXPERT TALK ON PHARMACOVIGILANCE AND ADR MONITORING HELD AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), Hyderabad, hosted a crucial seminar on the Pharmacovigilance Programme of India (PvPI) today, September 17, 2025.

Keynote by Dr. Peter Cornelious, Founder & CEO of Hendrix Pharma and Cynord Cancer Centre, emphasized the importance of drug safety monitoring in safeguarding public health.

The seminar highlighted PvPI's mission to ensure medicine benefits outweigh risks and to detect, assess, and prevent adverse drug reactions (ADRs).

Dean of MRIPS Dr. H. Ramana thanked Dr. Peter Cornelious for his valuable insights and Hendrix Pharma for collaboration. Special mention to the Indian Pharmacopoeia Commission for the circular released to organise the National Pharmacovigilance Week program at Pharmacy Colleges.

PROGRAMME SCHEDULE	
DATE	TOPIC
17th Sep 2025	Key Note Speaker Dr. Peter Cornelious Founder & CEO of Hendrix Pharma Topic: Introduction of Pharmacovigilance & Patient Safety; Career Development in Pharmacovigilance
18th Sep 2025	Awareness and Sensitization on Patient safety among General Public
19th Sep 2025	e - Quiz
20th Sep 2025	e - Poster Presentation
22nd Sep 2025	Walkathon, Street play
23rd Sep 2025	Valedictory Ceremony

Venue: MRIPS AUDITORIUM

Career Opportunities Beyond Pharmacy Practice: Expert Talk at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in association with Avenida Innovations, successfully organized a Guest Lecture on "Career Opportunities & Entrepreneurship" on 16th September 2025 at the MRIPS Auditorium.

C

The session was delivered by Dr. Karthik Rakam, Co-Founder & CEO of Avenida Innovations, who shared valuable insights on emerging career pathways in the pharmacy sector, entrepreneurship opportunities, innovation, and industry expectations. The lecture motivated students to explore diverse professional opportunities beyond traditional pharmacy careers and encouraged them to develop entrepreneurial thinking.

Students and faculty members actively participated in the session and interacted with the speaker during the discussion. The program provided a platform for students to gain awareness about current industry trends, startup culture, and future prospects in pharmaceutical sciences.

The event concluded successfully with appreciation towards the speaker for his inspiring and informative session.

“KILL THE CANCER” ELOCUTION COMPETITION CONDUCTED AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in association with ISKCON, successfully organized an Elocution Competition on the theme “Kill the Cancer” on 13th September 2025 at the institute campus. The event aimed to create awareness about cancer prevention, early detection, treatment, and the importance of eliminating social stigma associated with the disease.

A total of 23 participants enthusiastically took part in the competition and delivered impactful speeches highlighting the importance of healthy lifestyles, timely diagnosis, and public awareness in the fight against cancer.

The program was coordinated by Mrs. B. Revathi. The competition was judged by Dr. J. Sangeetha, Dr. B. Rama, and Dr. S. Ravindra Babu. Dean Dr. H. Ramana appreciated the efforts of the participants and emphasized that awareness, unity, and knowledge are the strongest weapons in combating cancer.

The event concluded successfully with active participation from students and faculty members, spreading an important social message on cancer awareness and prevention.

MRIPS CONDUCTS PATIENT SAFETY AWARENESS PROGRAMME AT GUNDLAPOCHAMPALLY SCHOOL

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Patient Safety Awareness Programme at ZPHS School on 18th sept 2025, Gundlapochampally, to educate school students about the importance of patient safety and responsible healthcare practices.

Students of Pharm.D 4th and 5th Year conducted interactive demonstrations and awareness activities, making the session informative and engaging. The programme encouraged young learners to understand the importance of safe and responsible healthcare practices through practical learning.

The initiative was conducted with the encouragement of Dean Dr. H. Ramana and coordinated by Mrs. Sarika and Mrs. B. Revathi. The programme successfully promoted healthcare awareness and social responsibility among the students.

INTERACTIVE SEMINAR ON PATIENT-CENTRIC PHARMACOVIGILANCE AT MRIPS

As part of National Pharmacovigilance Week-2025, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully organized an interactive seminar on “Patient-Centric Pharmacovigilance: Empowering Patients in Drug Safety” on 22nd September 2025.

The seminar featured an insightful session by CS Mujeebuddin, Founder & CEO of Clinisol Research, who highlighted the importance of patient involvement in drug safety and pharmacovigilance practices. Students actively participated in the interactive session and gained valuable knowledge on patient-centric approaches in healthcare and adverse drug reaction reporting.

The institution expressed gratitude to Dr. H. Ramana, Convenor, and Mrs. K. Revathi, Organizing Secretary, for their dedicated efforts in successfully organizing the event and making it a meaningful learning experience for students.

MRIPS Conducts Pharmacovigilance Awareness Walkathon

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Pharmacovigilance Awareness Walkathon from the institute campus to Maisammaguda on dated 23rd sept 2025 to highlight the importance of drug safety, adverse drug reaction (ADR) reporting, and pharmacovigilance in protecting patient health. Under the guidance of Principal Dr. H. Ramana and Vice Principal Dr. J. Sangeetha, Pharm.D 4th Year students actively participated in the awareness rally and interacted with the public, spreading key messages on the safe and responsible use of medicines.

The enthusiastic participation of students and the public made the walkathon a successful initiative, reinforcing MRIPS's commitment to patient safety and public health awareness.

EMPOWERING BUDDING RESEARCHERS: AWARENESS PROGRAMME ON MANUSCRIPT WRITING AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully conducted an insightful awareness programme on "Manuscript Writing, Journal Identification and Submission" on 19th September 2025 at the Pharmacy Practice Lab.

The session featured expert talks by Dr. Neema Kumari and Dr. Jayachandran Venkatesan, who shared valuable guidance on preparing quality research manuscripts, selecting appropriate journals, and understanding the journal submission process. The programme provided students and budding researchers with practical knowledge and essential skills required for academic publishing and research communication. The event was convened by Dr. H. Ramana and coordinated by Dr. P. Laxmi Madhuri. The programme proved to be highly informative and beneficial, inspiring students towards quality research and scientific writing.

VIBRANT BATHUKAMMA CELEBRATIONS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the colorful festival of Bathukamma with great enthusiasm and cultural spirit on 26th September 2025. Faculty members and students actively participated in the celebrations, showcasing the rich traditions and heritage of Telangana.

Faculty and students beautifully prepared Bathukammas with vibrant flowers and gathered together for traditional celebrations. The event featured joyful cultural activities and traditional dances performed around the Bathukamma, creating a festive and lively atmosphere on the campus.

The institution expressed gratitude to Principal Dr. H. Ramana for his encouragement and support in making the celebration grand and memorable.

WORLD PHARMACISTS DAY CELEBRATIONS AT MRIPS: "THINK HEALTH THINK PHARMACIST"

Malla Reddy Institute of Pharmaceutical Sciences, Malla Reddy Vishwavidyapeeth, celebrated World Pharmacists Day on September 25 with great enthusiasm. The theme for the event was "Think Health Think Pharmacist," emphasizing the pivotal role pharmacists play in healthcare. The event featured a range of activities including debates, elocution competitions, scientific models exhibitions, and case presentations. These activities showcased the students' talents and highlighted the importance of pharmacists in patient care and healthcare systems. The chief guest for the occasion was Dr. Manthan D Janodia, Registrar of Malla Reddy Vishwavidyapeeth. The event was convened by Dr. H. Ramana, Dean & Professor, with support from Dr. J. Sangeetha as Co-Convenor, and Dr. S. Ravindra Babu and Dr. B. Rama as Coordinators. Mrs. B. Revathi served as the Organising Secretary. The celebration underscored the institute's commitment to promoting the role of pharmacists in improving health outcomes and reinforced the importance of pharmacy education in shaping future healthcare professionals.

MINDFULNESS FOR MENTAL WELLNESS: WORLD MENTAL HEALTH DAY CELEBRATED AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with Isha Foundation, organized a meaningful program on the occasion of World Mental Health Day on October 10th from 2:00 PM to 3:00 PM. The event featured the “Miracle of Mind Meditation” session as part of the MRIPS Meditation Program, focusing on the importance of mental well-being, inner peace, and stress management among students and faculty.

The program was organized under the guidance of Dr. H. Ramana, Professor & Dean, MRIPS, and Mrs. B. Revathi, Associate Professor and Organising Secretary. Special thanks were extended to Mr. Shashank Garu, volunteer from Isha Foundation, for conducting the meditation session smoothly and inspiring participants with valuable insights on mindfulness and mental wellness.

The session received an enthusiastic response from students and faculty, highlighting the significance of meditation in maintaining a healthy and balanced life.

EMPOWERING FUTURE HEALTHCARE PROFESSIONALS THROUGH BASIC LIFE SUPPORT TRAINING

The Department of Pharmacy Practice at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a two-day workshop on “Hands-on Training in Basic Life Support (BLS)” on 13th and 14th October 2025 at Malla Reddy Medical College for Women, Suraram, Hyderabad. The workshop aimed to equip students with essential life-saving skills and practical knowledge required during medical emergencies.

The training sessions were conducted from 10:00 AM to 1:00 PM and provided participants with hands-on experience in Basic Life Support techniques, including emergency response procedures and patient care practices. Students actively participated in the workshop and gained valuable clinical exposure through practical demonstrations.

The program was convened by Dr. H. Ramana, Professor & Dean, and organized under the guidance of Dr. S. Ravindra Babu, Professor & HOD, as Organizing Secretary. The event was coordinated by Dr. B. Sarika Goud and Dr. K. Sechana, whose efforts ensured the successful conduct of the workshop. The initiative reflected MRIPS' commitment to enhancing practical healthcare skills among pharmacy students.

NATIONAL ELOCUTION COMPETITION CONDUCTED AT MRIPS IN ASSOCIATION WITH IPA

A National Elocution Competition was organized at institution level at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 15th October 2025 in association with Indian Pharmaceutical Association (IPA).

The event was conducted under the guidance of Dean Dr. H. Ramana and coordinated by Mrs. B. Revathi. The competition was judged by Ms. A. Anusha and Mrs. V. Sravani.

The theme for the competition was "Think Health, Think Pharmacist – One Profession, Many Roles." Students enthusiastically participated and showcased their communication and presentation skills.

Miss Himaja Tati from Pharm D 4th Year secured the First Prize, while Mr. Harshit Oza from Pharm D 3rd Year won the Second Prize.

The program concluded successfully with appreciation for all the participants and organizers for making the event informative and inspiring.

MRIPS ORGANIZES WORKSHOP ON GLOBAL CAREERS IN PHARMA & HEALTHCARE ANALYTICS

Malla Reddy Institute of Pharmaceutical Sciences organized an insightful workshop titled “Beyond the Conventional: Global Careers in Pharma, Clinical Research & Healthcare Analytics” on 16th October 2025 at the MRIPS Auditorium, Malla Reddy Vishwavidyapeeth.

The workshop was conducted under the guidance of Convenor Dr. H. Ramana, Dean & Professor, along with Co-convenor Dr. J. Sangeetha, Professor & HOD. The event was organized by Dr. S. Ravindra Babu and Dr. K. Sudhamani, Professors & HODs, and coordinated by Mrs. B. Revathi, Associate Professor.

The program featured expert talks by distinguished speakers from the healthcare and clinical research sectors. Dr. Ajith Singh highlighted innovations and emerging opportunities in clinical research, while Dr. Akhila Reddy Jillella shared valuable insights into pharmacy practice and clinical research in healthcare settings. Dr. Pravalika delivered an informative session on oncology and clinical research perspectives in hospital environments.

The workshop provided students and participants with a broader understanding of global career opportunities beyond conventional pharmacy practice, especially in the fields of clinical research and healthcare analytics. The event was highly informative and inspired students to explore diverse and evolving career pathways in the pharmaceutical and healthcare industries.

MRIPS Signs MoU with CliMed Research Solutions to Strengthen Research & Industry Collaboration

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) signed a Memorandum of Understanding (MoU) with CliMed Research Solutions on 22nd October 2025 to strengthen collaboration in pharmaceutical education, clinical research, and healthcare innovation. The partnership aims to bridge the academia–industry gap by providing students and faculty with opportunities for research projects, internships, training programs, workshops, and clinical research exposure. The MoU marks another significant step by MRIPS towards enhancing research capabilities, professional skills, and industry-oriented learning for aspiring pharmacy professionals.

MRIPS Book on Institutional Excellence Launched by Founder Chairman

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly launched the book “Comprehensive Periodic Assessment Consortium for Unified Accreditations and Institutional Excellence” on 29th October 2025. Authored by Dr. H. Ramana and Mr. P. Vijay Kumar, the book was formally inaugurated by the Hon’ble Founder Chairman, Sri Ch. Malla Reddy Garu, during a prestigious ceremony.

The publication reflects MRIPS’s commitment to institutional excellence, academic quality, and continuous improvement. The book serves as a valuable institutional resource to support the institute’s accreditation and quality enhancement initiatives. Dr. H. Ramana acknowledged the collective efforts and dedication of the MRIPS faculty in achieving this significant milestone.

Grand Orientation Day Celebrations at Malla Reddy Group of Pharmacy Colleges

The Malla Reddy Group of Pharmacy Colleges successfully organized its Orientation Day Ceremony on 30th October 2025 at the MRCET Auditorium, welcoming the newly admitted students and their parents with great enthusiasm. The event featured cultural performances, a traditional lamp-lighting ceremony, and inspiring addresses by Shri Ch. Malla Reddy Garu, Founder Chairman; Dr. Bhadra Reddy, Chairman; and Dr. Preethi, Vice Chairman.

The dignitaries encouraged students to pursue pharmacy with discipline, dedication, innovation, and a commitment to excellence. Principals of the respective pharmacy colleges introduced students and parents to the academic environment, infrastructure, student support systems, placement opportunities, and career prospects. The orientation session also provided important information on academic regulations and examination patterns.

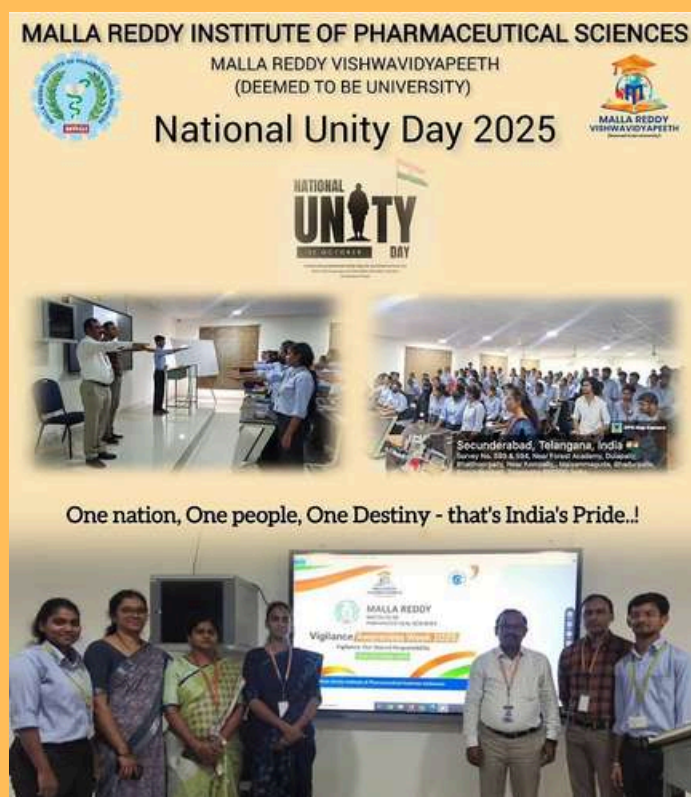

The ceremony concluded with a Vote of Thanks and the National Anthem, marking the beginning of a promising academic journey for the new batch of pharmacy students.

MRIPS Celebrates National Unity Day with Patriotic Pledge

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated National Unity Day on 31st October 2025 with patriotism and enthusiasm. The event aimed to promote the values of national unity, integrity, harmony, and collective responsibility among students and faculty.

The program was conducted under the guidance of Principal Dr. H. Ramana and HOD Dr. Ravindra Babu, with the active involvement of Mrs. B. Sarika, Mrs. K. Sechana, Mrs. Mounika, and Pharm.D students. Students and faculty members enthusiastically participated in the National Unity Day pledge, reaffirming their commitment to strengthening the spirit of unity and contributing towards a stronger and more united India.

The celebration highlighted the importance of togetherness, discipline, and national pride, inspiring students to become responsible citizens and contribute positively to society and the nation.

MRIPS INDUCTION PROGRAMME INSPIRES FRESHERS WITH MOTIVATION AND LEARNING

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully conducted an engaging Induction Programme for the freshers of B.Pharm, Pharm.D, and M.Pharm on 31st October 2025. The sessions were designed to motivate students and help them adapt to the academic environment with confidence and enthusiasm.

The programme began with an insightful session by Dr. H. Ramana on the importance of induction and student development. This was followed by an inspiring talk on “The Power of Positive Aptitude” by Mrs. B. Revathi, encouraging students to develop a positive mindset for success. Dr. P. Laxmi Madhuri further motivated the students through her session on “Self Discipline as the Key to Success”, emphasizing the role of discipline in achieving academic and personal goals.

After the interactive sessions and lunch break, students participated in a Pharmaceutics Laboratory Tour and enjoyed various cultural activities, making the day informative, interactive, and memorable for the freshers.

MRIPS INDUCTION PROGRAMME INSPIRES FRESHERS WITH KNOWLEDGE AND MOTIVATION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), a constituent college of Malla Reddy Vishwavidyapeeth (Deemed to be University), successfully continued its Induction Programme on 3rd November 2025 with a series of motivational and informative sessions for freshers.

The programme began with a motivational talk by Mrs. B. Revathi, encouraging students to embrace confidence and positivity in their academic journey. Dr. Swathi Swarupa delivered an insightful session on “The Journey to Clinical Pharmacist,” highlighting the opportunities and responsibilities in the clinical pharmacy profession.

Dr. K. Sudhmani further guided students through an engaging talk on “Art of Time Management,” emphasizing effective planning and discipline for success. After lunch, students were taken on a laboratory tour of the Pharmaceutical Chemistry and Pharmacognosy labs, providing them with practical exposure to the institution’s advanced learning facilities. The day concluded with vibrant cultural activities coordinated by Mrs. B. Revathi and Mrs. D. Sushma, creating an interactive and joyful environment for the freshers.

The programme successfully combined learning, motivation, and entertainment, helping students feel welcomed and inspired as they begin their academic journey at MRIPS. The Day 2 induction program at Mallareddy Institute of Pharmaceutical Sciences, part of Mallareddy Vishwavidyapeeth (Deemed to be university), was conducted on Saturday, November 1st, 2025. The program started at 9:30 AM with a session on "Building Research & Innovation Skills Early" by Dr. J. Sangeetha, followed by "Journey of a Drug: How Medicines Work and Heal" by Dr. S. Ravindra Babu, and "Why You Choose Pharmacy" by Mrs. CH. Harini. After a lunch break, attendees took part in a laboratory tour focusing on Pharmaceutical Analysis from 12:40 PM to 1:30 PM by all the faculty form the Department of Pharmaceutical Analysis (Dr.Ashok, Dr.Anusha, Mrs.Anupama), and concluded with NSS Activities led by Ms. N. Indraja from 1:30 PM to 4:00 PM.

MRIPS CONCLUDES INDUCTION PROGRAMME WITH AWARENESS AND INTERACTIVE LEARNING

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), a constituent college of Malla Reddy Vishwavidyapeeth (Deemed to be University), successfully concluded its Induction Programme on 4th November 2025 with informative sessions and engaging activities for freshers.

The day commenced with an important session on Anti-Ragging by Dr. P. Laxmi Madhuri, who educated students about maintaining a safe, respectful, and positive campus environment. This was followed by an insightful session on Managing Stress by Mrs. M. Anusha, where students learned effective techniques to maintain mental well-being and balance academic responsibilities.

After the lunch break, students were taken on a laboratory tour of the Pharmacology Lab and Museum, giving them valuable exposure to the institution's practical learning facilities and resources. The programme concluded with an exciting Quiz Competition organized by Mrs. Rajitha and Mr. Sampath, where students actively participated with great enthusiasm and team spirit.

The induction programme successfully provided freshers with academic guidance, awareness, and interactive experiences, helping them begin their journey at MRIPS with confidence and motivation.

NEXTENTI CAREER AWARENESS SESSION INSPIRES MRIPS STUDENTS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), a constituent college of Malla Reddy Vishwavidyalaya (Deemed to be University), organized an informative session by Nextenti on 4th November 2025 to create awareness about emerging career opportunities in the healthcare sector. The session commenced at 2:00 PM with an introduction to the Nextenti startup and its innovative approach towards healthcare employment opportunities. .

The speakers highlighted the role of the Nextenti App in connecting students with healthcare-specific career opportunities and explained its benefits for professional growth in the healthcare industry. Students actively participated in the session and gained valuable insights into modern career pathways, digital healthcare platforms, and industry-oriented opportunities. The event proved to be highly beneficial in guiding students towards future career planning and skill development in the healthcare domain

MRIPS STUDENT HONOURED FOR CONTRIBUTION TO BREAST CANCER AWARENESS CAMPAIGN

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly congratulates M. Gayatri, Pharm.D 5th Year student, for receiving a Certificate of Appreciation and cash prize from Dr. Rakesh, Medical Director,

Malla Reddy Narayana Hospital (MRNH), Malla Reddy Vishwavidyapeeth.

She was recognized for her valuable contribution to the #PinkReelChallenge, conducted as part of Breast Cancer Awareness Month celebrations organized jointly by Malla Reddy Vishwavidyapeeth and Malla Reddy Narayana Hospital. Her active participation and creative efforts helped spread awareness about the importance of early detection and prevention of breast cancer.

The achievement reflects the commitment of MRIPS students towards social awareness initiatives and healthcare advocacy. The institution applauds her dedication and encourages students to actively participate in meaningful public health campaigns.

MRIPS SIGNS MOU WITH XIAONICS PVT. LTD. FOR RESEARCH COLLABORATION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) signed a Memorandum of Understanding (MoU) with XiaOnics Pvt. Ltd. on 6th November 2025 to strengthen collaborative research and development in the field of Pharmaceutical Sciences.

The partnership aims to promote academic-industry interaction, innovative research initiatives, and knowledge exchange between the institution and the industry. Through this collaboration, students and faculty members will gain opportunities for research exposure, skill development, and industry-oriented learning.

The MoU marks another significant step by MRIPS towards enhancing academic excellence and fostering innovation through strategic collaborations with leading organizations in the pharmaceutical sector.

MRIPS PHARM.D STUDENTS LEAD SUCCESSFUL MEDICAL CAMP AT PRAGATHI NAGAR

As part of the ongoing medical camp initiative organized by Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) in collaboration with Malla Reddy Narayana Multispecialty Hospital, Pharm.D V Year students Samrakshitha and Harshitha successfully conducted a medical camp on 8th November 2025 at Pragathi Nagar.

The camp aimed to promote community healthcare awareness and provide basic health support services to the local residents. The students actively coordinated the activities with dedication and professionalism, contributing to the success of the outreach programme.

The initiative reflects MRIPS' commitment towards community service, healthcare awareness, and experiential learning for students. The institution appreciated the enthusiastic efforts of the students in extending healthcare support to society.

MRIPS Conducts QS-Benchmarked Educational Model Briefing for Doctoral Faculty

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a briefing session on the QS-Benchmarked Educational Model on 8th November 2025 for newly joined doctoral faculty members. The session focused on understanding key QS pillars and strategies for integrating them into academic and institutional practices.

The programme provided insights into academic design, organization, evaluation methods, documentation, and QS readiness, emphasizing quality-oriented educational practices aligned with global standards. Mr. Vijay O'Bannon, In-charge of C-PAC (Comprehensive Periodic Assessment Consortium), conducted the session and appreciated the active participation and cooperation of the faculty members.

The initiative reflects MRIPS's continued commitment to academic quality enhancement, institutional excellence, and global benchmarking in higher education.

MRIPS Organizes Cybercrime Awareness Programme on Digital Safety

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Cybercrime Awareness Programme on 8th November 2025 to educate students and staff about digital safety and responsible online practices. The session was conducted by Mr. Sainath Chary, a member of the Society of Cyberabad Security Council, who provided valuable insights into various types of cybercrimes, online safety measures, and ways to protect against emerging cyber threats.

The session was highly informative and interactive, with participants actively engaging in discussions and showing keen interest in cybersecurity. The programme was successfully coordinated by Mrs. B. Revathi, with the support and encouragement of Dean Dr. H. Ramana.

The initiative highlighted MRIPS's commitment to creating cyber-aware, responsible, and digitally safe students and staff, equipping them with essential knowledge to navigate the digital world securely.

MRIPS Pharm D Students Participate in Weekly Medical Camps

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) initiated a valuable experiential learning programme on 8th November 2025, enabling Pharm D students to participate in weekly medical camps organized in collaboration with Malla Reddy Narayana Multispecialty Medicos.

Through a structured slot-based schedule, students gain hands-on exposure to healthcare delivery, patient interaction, clinical practice, and community service without affecting their regular academic activities. The initiative provides an opportunity for students to strengthen their practical skills while developing professional responsibility and patient-care competencies.

The programme is being coordinated by Mrs. Sarika, Camp Coordinator, with the continuous encouragement and support of Dr. H. Ramana and Dr. Ravindra Babu. The initiative reflects MRIPS's commitment to integrating academic learning with practical clinical experience and community healthcare service.

MRIPS Organizes Guest Lecture on Pharmacists' Role in Achieving Sustainable Development Goals

On the eve of National Education Day, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a guest lecture on “Role of Pharmacists in Achieving Sustainable Development Goals” on 11th November 2025 at the MRIPS Auditorium. The programme was organized by Mrs. Sunanda, Convenor, IIC, and Mrs. V. Sravani, Coordinator, with a warm welcome address by Dean Dr. H. Ramana.

Dr. C. Sowjanya, the resource person, delivered an insightful lecture highlighting the significant role of pharmacists in promoting sustainable healthcare, public health, and the Sustainable Development Goals (SDGs). The session was engaging and interactive, with students and faculty actively participating in the Q&A session.

The programme concluded with a Vote of Thanks, leaving the participants with valuable insights into the expanding role of pharmacists in building a healthier and more sustainable society.

MASTERING COMMUNICATION EXCELLENCE: WORKSHOP ON SPEAKING SKILLS & FLUENCY AT MALLA REDDY INSTITUTE OF PHARMACEUTICAL SCIENCES

A workshop on “Mastering Speaking Skills and Communication Fluency in the Modern Era” was successfully conducted on 12th November 2025 at the MRIPS Auditorium from 11:00 AM to 12:30 PM. The session was led by Ms. Bina Roy, English Communication & Leadership Coach.

The workshop commenced with an introduction by Dr. H. Ramana, who emphasized the importance of effective communication skills in professional and personal growth.

Ms. Bina Roy delivered an engaging and interactive session focusing on enhancing speaking skills and communication fluency in today's competitive world. The workshop included various practical activities that encouraged active participation, helping students improve confidence, articulation, and public speaking abilities.

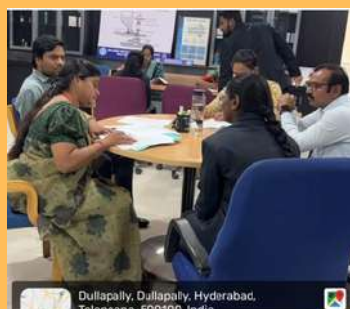

Participants enthusiastically interacted during the session by asking questions and sharing their experiences. The speaker also shared valuable practical tips and strategies for developing effective communication skills. The workshop received positive feedback from participants and concluded successfully with an enriching learning experience for all attendees.

MRIPS Strengthens Student Development through Meet the Mentor Programme

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) conducted its Meet the Mentor Programme on 13th November 2025, reinforcing its commitment to holistic and student-centric development. The programme follows a personalized 1:5 mentoring framework, wherein one faculty mentor is assigned to five students, enabling close interaction, continuous monitoring, and individualized guidance.

Through weekly mentoring sessions, students receive support in academic planning, skill development, certifications, research activities, career preparation, and personal well-being. Mentors also guide students in review papers, posters, seminars, journal clubs, projects, NPTEL/TASK courses, and other value-added programmes.

MRIPS Celebrates 150 Years of Vande Mataram with Patriotic Fervor

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated 150 Years of Vande Mataram on 13th November 2025 with great enthusiasm and patriotic spirit. The programme aimed to create awareness among students about the historical and cultural significance of Vande Mataram and its inspiring role during India's freedom movement.

The campus was adorned with tricolour decorations and posters highlighting the legacy of Bankim Chandra Chattopadhyay. The Principal addressed the gathering, emphasizing the enduring relevance of Vande Mataram in promoting unity, integrity, and patriotism among the youth.

A soulful group rendition of Vande Mataram by the students was the highlight of the celebration, creating a deeply patriotic atmosphere. The programme concluded with a Vote of Thanks, acknowledging the efforts of the organizing team, faculty, and students in making the occasion meaningful and memorable.

BRIDGING CLASSROOM LEARNING WITH INDUSTRY EXPOSURE AT MSN LABORATORIES

Final-year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) participated in an insightful industrial visit to MSN Laboratories, Unit 6, Shadnagar, on 14th November 2025. The visit provided students with valuable exposure to real-time pharmaceutical operations and industry practices.

During the visit, students explored the Manufacturing Unit to understand formulation development and production processes, the Packing Unit to learn about packaging operations and regulatory compliance, and the Quality Control Laboratories to gain insights into testing protocols and quality assurance standards. They also visited the R&D facilities, where they were introduced to innovative research and product development activities.

The industrial visit successfully bridged the gap between academic learning and industry expectations, enhancing students' practical understanding of the pharmaceutical sector.

C-PAC Assessment at MRIPS: Fostering Academic Excellence

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully conducted the Comprehensive Periodic Assessment (C-PAC) on 14th November 2025, strengthening its commitment to academic excellence and continuous student development.

Students from all programs and years participated in one-to-one academic reviews, highlighting their progress in research, value-added programs, skill development, review papers, presentations, webinars, and online courses. Faculty members and academic coordinators assessed students through transparent, rubric-based evaluation while providing valuable mentoring and guidance.

The interactive assessment boosted students' confidence, motivation, and academic awareness, encouraging them to actively engage in future developmental opportunities. The successful initiative reflected MRIPS's continued efforts toward student growth, quality enhancement, and global academic standards.

MRIPS ORGANIZES INSPIRING LUNG CANCER AWARENESS PROGRAM

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully organized a Lung Cancer Awareness Program on 17th November 2025 as part of National Pharmacy Week celebrations. The event, convened by Dean Dr. H. Ramana, aimed to spread awareness about lung cancer management and highlight the evolving role of pharmacists in healthcare.

The expert panel comprising Dr. Peter Cornelious, Dr. Mahesh Bejagam, Dr. Sairam Chinthamadaka, and Dr. Rama Vaghmare delivered insightful talks on prevention, treatment approaches, patient care, and the importance of collaborative healthcare practices. The interactive panel discussion witnessed enthusiastic participation from students, faculty members, and guests, making the session highly engaging and informative.

The program was well-coordinated by the organizing team and successfully promoted awareness, academic interaction, and collaborative learning among participants. The event concluded on a positive note with gratitude expressed to the speakers, Dean Dr. H. Ramana, and everyone who contributed to the success of the program.

MRIPS Celebrates 64th National Pharmacy Week with Sports, Cultural and Creative Extravaganza

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated the 64th National Pharmacy Week (NPW) on from 17th to 22 Nov 2025 with a vibrant blend of sports, intellectual, artistic, cultural, and social activities, fostering enthusiasm, teamwork, creativity, and healthy competition among students.

The celebrations were conducted under the guidance of Convenor Dr. H. Ramana and Organizing Secretary Mrs. B. Revathi, with the support of AO Mr. V. Shukla, NSS Coordinator Ms. Indrāja, and the Physical Director. The sports competitions witnessed enthusiastic participation, with B.Pharm Final Year winning Volleyball (Boys), B.Pharm First Year winning Kabaddi (Girls), Pharm.D 3rd Year securing the Kabaddi (Boys) championship, and Pharm.D 4th Year emerging winners in Throwball (Girls). Kho-Kho and other sporting events also generated considerable excitement among students.

The Debate Competition added an intellectual dimension to the celebrations, with students presenting arguments for and against the topic, "Pharmacists should be allowed to prescribe medications independently in India." The participants demonstrated excellent research skills, confidence, articulation, and critical thinking.

Students also showcased their artistic talents through Rangoli, Mehendi, and Art competitions, presenting colourful and innovative creations. The celebrations were further enriched by a lively cultural programme featuring group dances, solo performances, singing, ramp walk, and other activities, creating a festive atmosphere across the campus.

The Valedictory Ceremony marked the grand conclusion of the celebrations, where winners of various sports, creative, and cultural competitions were honoured with Certificates of Appreciation and prizes. The certificates were presented by the judges, Dean Dr. H. Ramana, Dr. J. Sangeetha, and Dr. S. Ravindra Babu. The organizing committee, coordinators, and volunteers were also appreciated for their dedicated efforts.

A special highlight was the Cricket Prize Distribution, where the winning team proudly received the trophy and cash prizes. Adding a meaningful social dimension, students and staff participated in the "Pink for a Cause" Breast Cancer Awareness initiative, spreading a message of hope, solidarity, and awareness.

The 64th National Pharmacy Week celebrations at MRIPS successfully reflected the spirit of pharmacy professionals through sportsmanship, creativity, intellectual engagement, cultural expression, and social responsibility, creating memorable experiences for the entire MRIPS community.

NATIONAL PHARMACY WEEK - CULTURAL ACTIVITIES

NATIONAL PHARMACY WEEK - ELOCUTION

NATIONAL PHARMACY WEEK - KABBADI GIRLS

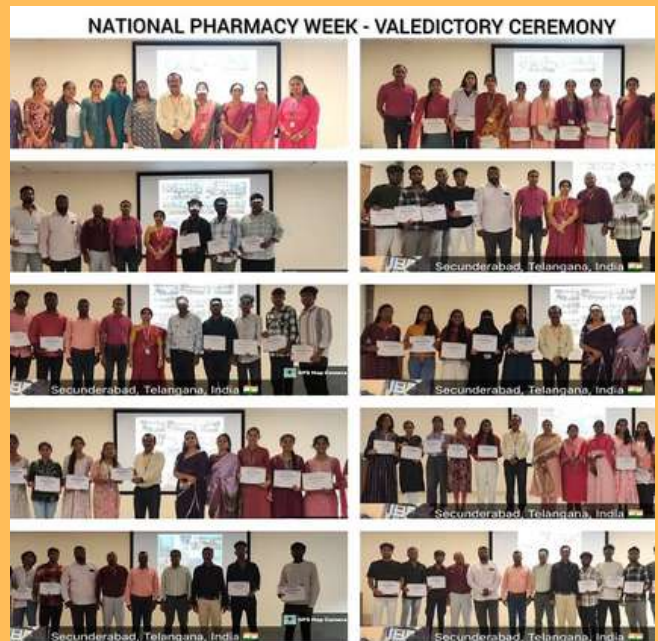

NATIONAL PHARMACY WEEK - KHO-KHO GIRLS

NATIONAL PHARMACY WEEK - KABADDI BOYS

MRIPS PHARM D STUDENTS CONTRIBUTE TO MEGA MEDICAL CAMP

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) proudly participated in a Mega Medical Camp conducted on 17th and 18th November 2025 at Yerrapahad and Brahmnapalle villages in Tadwai Mandal, Kamareddy District, in coordination with the medical team of Malla Reddy Narayana Multispecialty Hospital.

The initiative was successfully carried out under the guidance and support of Dr. H. Ramana, Dean, MRIPS; Dr. Ravindra Babu, HOD, Pharm D; and Dr. N. Srinivas, Medical Chief Superintendent, Malla Reddy Narayana Multispecialty Hospital, reflecting strong academic and clinical collaboration.

Pharm D V Year students Chandrika, Tulasi, Induja, Akhila, and Siddharth actively participated in the camp activities, extending valuable support to healthcare professionals and contributing to community healthcare services. Their dedication and enthusiastic involvement played a key role in the successful execution of the medical camp, showcasing the spirit of service and practical learning among MRIPS students.

MRIPS NSS UNIT SPREADS TOBACCO AWARENESS AT ZPHS SURARAM

The NSS Unit of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully organized a Tobacco Awareness Program at ZPHS Suraram on 24th Nov 2026 to educate students about the harmful effects of smoking and tobacco addiction. The initiative was conducted with the support and encouragement of Dean Dr. H. Ramana and AO Mr. V. Shukla.

The awareness sessions, led by Ms. Indraja along with NSS volunteers, included interactive games, informative presentations, and counseling activities for students from 6th to 10th standard.

The students enthusiastically participated in the program, shared their views, and gained valuable knowledge about maintaining a tobacco-free lifestyle.

The NSS team and volunteers were appreciated for their dedication and active involvement in spreading awareness among young minds. The program reflected MRIPS' commitment towards social responsibility, community outreach, and promoting healthy living among school students.

MRIPS SUCCESSFULLY COMPLETES BLS TRAINING PROGRAM WITH CERTIFICATE DISTRIBUTION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully completed the Basic Life Support (BLS) Training Program, followed by the awarding of certificates to participating students on 19th Nov 2025. The program enhanced students' practical emergency care skills through structured hands-on training and clinical simulation exercises.

The institution expressed sincere appreciation to Dr. H. Ramana, Dean, MRIPS, for his guidance and continuous institutional support, and to Dr. Ravindra Babu, HOD, for ensuring smooth coordination and active student participation throughout the program.

Special gratitude was extended to the Dean of Malla Reddy Medical College for Women (MRMCW) for providing Skill Lab facilities and logistical support that strengthened the training experience. The program was effectively conducted by Dr. Kanchan Asane, Clinical Simulation Instructor, who delivered professional hands-on training and student evaluation.

The successful completion of the program reflected the collective efforts of faculty members and coordinators in promoting skill-based learning and clinical competency among students.

MRIPS SHOWCASES INNOVATION AT IIC REGION MEET-2025

The Institution's Innovation Council (IIC) members of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) actively participated in the IIC Region Meet-2025 on 25th Nov 2025 held at Gokaraju Rangaraju Institute of Engineering and Technology (GRIET), Nizampet, Hyderabad.

Representing MRIPS, Mrs. Sunanda Sabbithi, Mrs. Vadnala Sravani, and Mr. N. Sekhar showcased innovative ideas and presented an impressive poster highlighting the institute's research culture and innovative practices. Their participation reflected the institution's dedication towards fostering creativity, innovation-driven learning, and academic

excellence.

The regional meet brought together IIC members, faculty coordinators, student innovators, and young entrepreneurs from various institutions, providing a dynamic platform for interaction, collaboration, and knowledge sharing. MRIPS' active involvement further reinforced its commitment to nurturing future-ready professionals and promoting a culture of innovation.

EPIC WORKSHOP INSPIRES PHARM D STUDENTS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully organized a two-day workshop titled “Excellence in Pharm D Innovation & Career (EPIC)” on 29th Nov 2025 to provide students with valuable insights into innovation, career opportunities, and professional growth in the field of Pharm D.

The first day of the workshop was conducted at Malla Reddy Hospital, focusing on practical learning experiences for students. The second day was held at the MRIPS Auditorium and featured insightful sessions by eminent speakers including Dr. Karthik Rakam, Dr. Mahesh G, Dr. Sayali Shirkhedkar, and Dr. Rajeshwari Madishetty. The speakers shared their expertise on emerging trends, innovation, and career pathways in the pharmaceutical and healthcare sectors.

The speakers were felicitated for their valuable contributions, and participation certificates were distributed to students by Dr. H. Ramana, Dr. S. Ravindra Babu, and Dr. Karthik Rakam.

The workshop was organized under the convenorship of Dr. H. Ramana and the guidance of Organizing Secretary Dr. S. Ravindra Babu. Coordinators Mrs. Revathi, Dr. Sudhamani, Dr. Swathi Swaroopa, Dr. Sechana, and Mrs. Sarika played a vital role in the smooth execution of the program.

The EPIC workshop proved to be an enriching learning experience, motivating students with both academic and industry-oriented perspectives.

MRIPS Supports Community Medical Camp at Kaisar Nagar

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with Malla Reddy Narayana Multispeciality Hospital, actively supported a local Medical Camp conducted at Kaisar Nagar on 1st December 2025. The initiative highlighted the institution’s commitment towards community healthcare and academic-clinical collaboration.

The organizers expressed their gratitude to Dr. H. Ramana, Dean of MRIPS, and Dr. N. Srinivas, Chief Medical Superintendent of Malla Reddy Narayana Multispeciality Hospital, for their valuable support and encouragement in the successful conduct of the camp.

Special appreciation was extended to Pharm D V Year students Ganesh and Rishma for their sincere participation and dedicated service during the medical camp activities.

MRIPS HOSTS INSPIRING AI/ML SESSION IN PHARMACY EDUCATION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an inaugural session on Artificial Intelligence and Machine Learning (AI/ML) on 1st December 2025 at the MRIPS Auditorium, highlighting the growing importance of advanced technologies in pharmacy education and healthcare..

Expert speakers Dr. Suresh Munuswamy and Dr. Sabitha Yadam delivered insightful talks on AI-driven healthcare and the evolution of drug discovery through artificial intelligence. Their sessions provided students with valuable knowledge on the transformative role of AI in patient care, healthcare delivery, and pharmaceutical research.

The event was coordinated by Dr. J. Sangeetha, Dr. S. Ravindra Babu, Mrs. Revathi, Dr. Lakshmi Madhuri, and Mrs. Sushma, while AO Mr. V. Shukla ensured smooth arrangements for the successful conduct of the session. The program created great enthusiasm among students and encouraged them to explore the future potential of AI in pharmacy practice.

MRIPS OBSERVES WORLD AIDS DAY WITH AWARENESS PROGRAMME

On the occasion of World AIDS Day, celebrated on December 1, 2025, students at Malla Reddy Institute of Pharmaceutical Sciences organized an awareness programme to educate 1st Year B.Pharm and Pharm D students about HIV/AIDS.

The event featured an informative awareness speech covering the meaning of AIDS, its diagnosis, prevention, precautions, and important global statistics. Students also presented a powerful skit highlighting the social stigma associated with HIV/AIDS.

The programme was conducted under the encouragement and guidance of Dean Dr. H. Ramana. The event was successfully coordinated by Mrs. Revathi, Mr. Rama Rao, Mrs. Shruti, Mr. Shekhar, Mrs. Sushma, Dr. Swati, and Mr. Vijay, whose collective efforts made the programme meaningful and impactful.

MRIPS OBSERVES NATIONAL POLLUTION CONTROL DAY WITH ENVIRONMENTAL AWARENESS PROGRAMME

Malla Reddy Institute of Pharmaceutical Sciences, under Malla Reddy Vishwavidyapeeth, observed National Pollution Control Day on December 2, 2025, to promote awareness on environmental protection and sustainable living. The programme was inaugurated by Dr. H. Ramana, Dean & Principal, who emphasized the importance of pollution control and collective responsibility toward protecting the environment.

The awareness session focused on the theme “Climate Action & Rethinking the System That Powers Our Economics.” Students delivered informative presentations on different types of pollution, their causes, health impacts, preventive measures, and the urgent need for climate action and sustainable practices.

Invited speakers Dr. Karnakar and Mr. N. Sekhar addressed the students on environmental challenges, climate change, and the role of youth in conservation initiatives. The programme also highlighted the importance of eco-friendly habits, waste management, energy conservation, and community participation in building a cleaner and healthier future.

The event was successfully coordinated under the guidance of Mrs. Sunanda Sabbibithi (IIC Convenor) and Mrs. V. Sravani (IIC Coordinator), with active participation from students, making the programme both informative and impactful.

MRIPS CELEBRATES INTERNATIONAL VOLUNTEER DAY WITH ENTHUSIASM

Malla Reddy Institute of Pharmaceutical Sciences celebrated International Volunteer Day on December 5, 2025, with great enthusiasm and active student participation. The programme was graced by Dean Dr. H. Ramana, Vice Principal Dr. J. Sangeetha, Dr. Karunakar, HOD of M.Pharm, Dr. Ashok, and Dr. Ravi.

NSS Programme Officer Ms. N. Indrajha highlighted the importance of volunteerism in bringing positive social change, while Dr. H. Ramana emphasized the vital role of youth in building a better future through community service and social responsibility.

The dignitaries shared inspiring experiences and encouraged students to actively participate in social initiatives and contribute toward solving societal challenges. As part of the celebration, a quiz competition on volunteerism and social responsibility was conducted, where students enthusiastically showcased their knowledge and awareness.

The event successfully inspired students to understand the value of service, teamwork, and collective action in creating a positive impact on society.

MRIPS STUDENT EXCELS IN NPTEL COURSE ON ARTIFICIAL INTELLIGENCE

A proud moment for Malla Reddy Institute of Pharmaceutical Sciences (#MRIPS) as Sameera from B.Pharm II Year successfully completed the NPTEL course on “Artificial Intelligence in Drug Discovery and Development” during the July–October 2025 session.

Her achievement reflects the growing interest of MRIPS students in emerging technologies and advanced pharmaceutical research.

MRIPS CONDUCTS AWARENESS PROGRAM ON GENDER-BASED VIOLENCE PREVENTION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth, organized an awareness program on Activism Against Gender-Based Violence on December 10, 2025, as part of a UGC-supported initiative to promote a safe and gender-sensitive academic environment.

The session was inaugurated by Dr. H. Ramana, who emphasized the importance of gender sensitization, legal awareness, and institutional responsibility in ensuring student safety.

An informative awareness session was delivered by Dr. J. Sangeetha, covering key topics including the Domestic Violence Act 2005, POSH Act 2013, POCSO Act 2012, Bharatiya Nyaya Sanhita 2023, the SHE-Box complaint portal, and important emergency helpline numbers.

The program was successfully conducted under the IQAC initiatives of MRIPS to strengthen awareness, safety, and social responsibility among students.

ENHANCING PROBLEM-SOLVING SKILLS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with TASK, organized an interactive training session on “Problem Solving Skills” for Pharm.D 2nd- and 3rd-year students on dated 17th Dec 2025. The session was led by Mrs. J. Hima Bindu, who introduced practical techniques to enhance students’ analytical thinking, decision-making, and problem-solving abilities.

Students actively participated in discussions and practical activities, gaining valuable skills applicable to both academic and professional settings. The programme was coordinated by Mrs. B. Revathi, TASK Coordinator, MRV–MRIPS, with the guidance and support of Dr. H. Ramana, Dean & Principal, MRV–MRIPS.

MRIPS STUDENTS EXPLORE BIODIVERSITY AND PHARMACEUTICAL APPLICATIONS AT DULAPALLY FIELD VISIT

Final-year B.Pharmacy students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) participated in an educational field visit to the Institute of Forest Biodiversity, Dulapally on 18 Dec 2025. The visit was organized to provide practical exposure to forest biodiversity and its significance in pharmaceutical research as part of the academic curriculum.

The visit was guided by Ms. N. Indrajya, Class Incharge, along with faculty members Ms. V. Harika and Mrs. B. Revathi. The initiative received constant encouragement and support from Dr. H. Ramana, Dean, MRIPS.

During the visit, students attended expert sessions on biodiversity conservation, medicinal plants, bioactive components, and natural products chemistry delivered by eminent scientists from the institute. The program also included a biodiversity walk and laboratory visit, where students gained valuable insights into sustainable harvesting practices, conservation methods, and the pharmaceutical importance of natural resources.

The field visit proved to be a highly informative and enriching experience, enhancing students' understanding of biodiversity conservation and its applications in pharmacy and healthcare research.

MRIPS STUDENTS GAIN ENTREPRENEURIAL EXPOSURE AT ALEAP FORMATION DAY EVENT

Ten students from Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) had an enriching learning experience by participating in the ALEAP Formation Day celebrations organized in association with AIC ALEAP WEHUB on 18th Dec 2025. The event marked 32 years of Women's Entrepreneurial Empowerment and provided students with valuable exposure to innovation, entrepreneurship, and industry interactions.

During the event, students explored various startups, interacted with startup founders, and participated in engaging sessions focused on entrepreneurship and the startup ecosystem. The program offered insights into innovative business ideas, women-led enterprises, and B2B/B2G collaborations, helping students understand the practical aspects of innovation and enterprise development.

The participants expressed their gratitude to the organizers for providing such an inspiring platform. Students also thanked Dr. H. Ramana, Dean, MRIPS, Dr. J. Sangeetha, and Mrs. B. Revathi for encouraging and supporting their participation in the event.

The experience proved highly beneficial, enhancing students' understanding of innovation, networking opportunities, and industry-academia collaboration.

PHARM D STUDENTS PARTICIPATE IN COMMUNITY OUTREACH MEDICAL CAMP 8TH DECEMBER 2025

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) actively supported a community outreach local medical camp aimed at promoting healthcare awareness and community well-being on 8th dec 2025. The initiative provided Pharm D students with valuable practical exposure to community healthcare services and patient care.

The participation of Niyanthi, Manisha, Lavanya, Munira, Madhupriya, and Sushma contributed significantly to the successful conduct of the camp. Their active involvement, dedication, and compassionate approach reflected the commitment of MRIPS to social responsibility, community service, and patient-centred care. The institute appreciated the guidance and support of Dr. H. Ramana and Dr. N. Srinivas in facilitating this meaningful community engagement initiative.

MRIPS FACULTY AND STUDENTS ATTEND CYBER CONCLAVE 2025

Mr. Rama Rao, faculty member of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), along with a group of MRIPS students, attended the Cyber Conclave 2025 held on December 11, 2025, at HICC Novotel, Hyderabad.

The conclave brought together cybersecurity experts, industry professionals, and technology

innovators to discuss emerging cyber threats, digital safety strategies, and advancements in cyber defense. The event featured insightful sessions on Cybersecurity Trends, AI-Driven Threat Detection, Data Privacy & Protection, Ethical Hacking, Cloud Security, and Cybercrime Prevention Frameworks.

Mr. Rama Rao and the students gained valuable exposure through interactions with national and international speakers and explored opportunities for academic–industry collaboration in cybersecurity awareness and innovation.

The institution expressed gratitude to Dr. H. Ramana for encouraging faculty and student participation and to Mrs. Revathi for successfully coordinating the opportunity.

INSIGHTFUL SESSION ON DIGITAL THERAPEUTICS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized an engaging session on Digital Therapeutics (DTx) featuring on 12 Dec 2025. Mr. Aditya Tallapragada, CEO of AKT Health & Medifakt. The session provided students and faculty with valuable insights into emerging digital healthcare technologies and their potential to transform patient care.

The programme was graced by Dr. H. Ramana, Dean & Principal, MRV–MRIPS, and Dr. Suresh Munnuswamy, Dean, School of Digital Health, MRV. Mr. Aditya Tallapragada shared industry perspectives on the applications, opportunities, and future scope of Digital Therapeutics, encouraging participants to explore innovative approaches to healthcare delivery.

The interactive session was well received by the participants and was successfully coordinated by Mrs. Revati.

COMMUNICATION SKILLS TRAINING EMPOWERS B.PHARMACY STUDENTS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with TASK, organized a comprehensive Communication Skills training session on 17 Dec 2025 for B.Pharmacy 3rd-year students. The program was conducted from 09:30 AM to 4:00 PM with the objective of enhancing students' professional communication abilities essential for pharmacy practice.

The session was led by Mr. M. Praveen from TASK, who provided valuable guidance on effective communication techniques, interpersonal skills, and professional interaction strategies. Students actively participated in the training activities and benefited from the practical learning experience.

MRIPS PHARM D STUDENTS ATTEND CONFERENCE ON RECENT ADVANCES IN PHARMACOLOGY AND THERAPEUTICS

Pharm D 2nd- and 3rd-year students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) attended a one-day conference on "Recent Advances in Pharmacology and Therapeutics" held at Malla Reddy Narayana Hospital on 18th December, 2023. The conference focused on the latest innovations and emerging trends in pharmacology and therapeutic practices.

The event served as an awareness-oriented academic initiative, providing students with valuable exposure to advancements in healthcare, clinical research, and modern treatment approaches. The sessions helped participants enhance their understanding of

contemporary developments in pharmacology and their applications in patient care.

The students expressed their sincere gratitude to Dr. H. Ramana, Dean, MRIPS, and Dr. S. Ravindra Babu, HOD, Pharm D, for encouraging and supporting their participation in the conference. The event proved to be an informative and enriching learning experience for all attendees.

MRIPS STUDENTS GAIN PRACTICAL INSIGHTS DURING BIODIVERSITY FIELD VISIT

Final-year B.Pharmacy students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) participated in an educational field visit to the Institute of Forest Biodiversity, Dulapally on 19 Dec 2025. The visit was organized to provide students with practical exposure to forest biodiversity and its applications in pharmaceutical research.

The program was led by Ms. N. Indrajya, Class Incharge, along with faculty members Ms. Y. Vinayshree and Ms. V. Harika. The initiative received constant encouragement and support from Dr. H. Ramana, Dean, MRIPS.

During the visit, students attended expert sessions on biodiversity conservation, medicinal plants, bioactive components, and natural products chemistry delivered by eminent scientists of the institute. The program also included a biodiversity walk and laboratory visit, where students learned about sustainable harvesting practices and conservation efforts.

The field visit provided valuable insights into the importance of biodiversity conservation and its role in pharmaceutical sciences and healthcare research. Students expressed their gratitude to Dr. H. Ramana for his continuous support and to Mr. V. Shukla, Administrative Officer, for arranging transportation facilities that contributed to the successful conduct of the visit.

MRV PHARMACY INSTITUTIONS RECEIVE PRESTIGIOUS EDUCATION EXCELLENCE AWARD AT IPC 2025

A proud milestone was achieved by the pharmacy institutions under Malla Reddy Vishwavidyapeeth and the Malla Reddy Group of Pharmacy Colleges, as they were honored with the Education Excellence Award by Association of Pharmaceutical Teachers of India during the 74th Indian Pharmaceutical Congress 2025 held in Bengaluru on 22nd Dec 2025..

The prestigious recognition highlights the institutions' outstanding contributions towards academic excellence, innovative teaching practices, research promotion, and the creation of a high-quality learning environment in pharmaceutical education.

The award stands as a testament to the institutions' vision of excellence in pharmacy education and student development.

MRIPS CELEBRATES INTERNATIONAL MEDITATION DAY WITH MINDFULNESS SESSION

Malla Reddy Institute of Pharmaceutical Sciences celebrated International Meditation Day on 22 December 2025 with a serene and inspiring mindfulness session under the theme “One Earth, One Breath.” The event encouraged students and faculty members to embrace meditation and mental well-being in their daily lives. The programme began with a warm welcome by Dean Dr. H. Ramana and NSS Programme Officer Ms. N. Indraja. Guest speaker Dr. Deepak Lanka delivered an insightful talk, sharing personal experiences and the timeless benefits of meditation. A guided meditation session followed, where participants synchronized their breathing practices with the spirit of the winter solstice.

An interactive Q&A session inspired students to incorporate mindfulness into their busy academic schedules. The event concluded with a heartfelt vote of thanks by Ms. N. Indraja, expressing gratitude to Dean Dr. H. Ramana, Administrator Officer Shukla Sir, Dr. Deepak Lanka, the NSS team, and all participants for making the celebration peaceful and meaningful.

MRIPS SIGNS MOU WITH EUGIA PHARMA LABS AND AKRIVIS LABS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) has signed a Memorandum of Understanding (MoU) with Eugia Pharma Labs and Akrivis Labs to strengthen industry-academia collaboration in the pharmaceutical sector on 31st Dec 2025.

The partnership aims to promote research and development, innovation, and academic excellence by providing students with valuable exposure to industry practices. The MoU is expected to create opportunities for internships, industrial visits, training programs, and placements, thereby enhancing students' professional skills and career prospects.

Dr. G. Ashok, Placement Officer of MRIPS, highlighted that this collaboration will help bridge the gap between academic learning and industry requirements while preparing students for future opportunities in the pharmaceutical field.

CPAC 2025 SHOWCASES ACADEMIC EXCELLENCE AND PROFESSIONAL GROWTH AT MRIPS

The Comprehensive Periodic Assessment Committee (CPAC) for 3rd Year B.Pharmacy students was successfully conducted at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 18 December 2025 from 9:30 AM to 3:50 PM. The assessment highlighted the students' academic achievements, professional development, and overall growth.

Students were evaluated on multiple parameters including academic performance, research activities, mentor-mentee engagement, skill development programs, and global competitiveness initiatives. The participants demonstrated remarkable dedication by presenting strong evidence of their achievements, reflecting sincerity, consistency, and professional excellence.

The assessment was conducted in two systematic sessions, enabling meaningful interaction and constructive evaluation. The program reinforced the core objective of CPAC by promoting guidance, encouragement, and holistic student development.

The event was efficiently coordinated under the leadership of Dr. Swapna, Chairman, along with Dr. Kavya and Mr. N. Shekar, Academic Coordinators. Special appreciation was extended to Mrs. Revathi for her valuable reviews and constructive feedback to students.

The organizers expressed heartfelt gratitude to Dr. H. Ramana, Dean, MRIPS, for his visionary leadership and continuous support in organizing such student-centric academic initiatives. The success of CPAC 2025 reflected MRIPS' commitment to academic excellence, skill enhancement, and preparing students for global professional challenges.

CPAC 2025 INSPIRES PROFESSIONAL EXCELLENCE AMONG 4TH YEAR STUDENTS AT MRIPS

The Comprehensive Periodic Assessment Committee (CPAC) for 4th Year students was successfully conducted at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 19 December 2025 from 9:30 AM to 3:50 PM. The assessment emerged as a dynamic and impactful academic exercise that highlighted students' professional readiness, confidence, and holistic development.

Students were evaluated on various parameters including academic performance, research and review activities, mentor-mentee engagement, skill development initiatives, and global competitiveness. The participants presented strong evidence of their achievements, showcasing subject knowledge, communication skills, research exposure, and career preparedness.

The assessment was conducted in two well-organized sessions that enabled meaningful interaction and personalized evaluation. The program reinforced the core objective of CPAC by promoting student growth, guidance, and continuous improvement.

The event was efficiently coordinated under the leadership of Dr. K. Ravi Kumar, Chairman, along with Dr. Kavya and Mr. N. Shekar, Academic Coordinators. Special appreciation was extended to Mrs. Revathi for her valuable contribution in conducting detailed student reviews.

The organizers expressed heartfelt gratitude to Dr. H. Ramana, Dean, MRIPS, for his visionary leadership and continuous encouragement in strengthening CPAC as a student-centric initiative focused on academic excellence and professional development.

MRIPS-MRV PARTICIPATION AT 74TH INDIAN PHARMACEUTICAL CONGRESS

Faculty members and students of Malla Reddy Institute of Pharmaceutical Sciences actively participated in the 74th Indian Pharmaceutical Congress (IPC) held at Bengaluru from 19th to 21st December. The congress served as an excellent platform for academic exchange, research discussions, and professional networking with experts from across the pharmaceutical industry and academia.

During the event, Ms. D. Sushma Reddy, Associate Professor, presented her research paper, while Pharm.D 5th year students T. Himaja, R. Ganesh, and V. Rimsha showcased their research through poster presentations.

MRIPS-MRV also established an exhibition stall (Stall No. P-15), highlighting the institution's academic achievements, research activities, and institutional strengths to delegates and visitors.

The successful participation was carried out under the encouragement and support of Dean Dr. H. Ramana and Dr. S. Ravindra Babu. MRV-MRIPS proudly served as Academic Partners for the 74th IPC, making the event highly productive for the MRGI Pharmacy colleges through collaborations with reputed pharmaceutical professionals and organizations.

SEMI-CHRISTMAS CELEBRATION SPREADS JOY AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated a joyful Semi-Christmas event with great enthusiasm and festive spirit on 23rd Dec 2025. The celebration was organized by Ms. N. Indraja, Mrs. M. Anusha, Mrs. K.S. Priyadarshini, and Mrs. Rajitha, bringing together faculty and students for an evening filled with inspiration, music, and togetherness.

The program commenced with anchoring by Mrs. K.S. Priyadarshini and Ms. N. Indraja, followed by a prayer segment by Dr. Kavya. Mrs. Rajitha delivered an inspiring speech highlighting the spirit of Christmas and the importance of unity and kindness. Dean Dr. H. Ramana, HOD Dr. Ravindra Babu, and Administration Officer Mr. Shukla addressed the gathering and appreciated the efforts of the organizers and students.

A special highlight of the celebration was the melodious carol performance by Adarsha (Pharm.D), Jedidiah (B.Pharm 4th Year), and team, which created a festive atmosphere across the campus. The event concluded with a heartfelt vote of thanks by Mrs. M. Anusha, expressing gratitude to the management, faculty, and students for making the celebration memorable.

New Year Celebration 2026 at MRIPS

The New Year 2026 celebrations at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) were conducted with great enthusiasm and joy on the college campus on 2nd Jan 2025. The event brought together students, faculty members, and staff to welcome the new year with positivity, unity, and happiness.

The celebration began with an inaugural address by the principal, Mr. Ramana Hechu who conveyed New Year wishes to everyone and encouraged students to strive for academic excellence and personal growth in the coming year. Various cultural activities such as dance performances, singing, games, and fun-filled entertainment programs and cake cutting programme were organized by the students. Faculty members also actively participated in the celebrations, making the occasion memorable and enjoyable. Special moments of appreciation, group interactions, and New Year greetings added warmth to the program. The New Year Celebration 2026 at MRIPS concluded on a cheerful note with wishes for success, health, and prosperity for all in the upcoming year.

FESTIVE SPIRIT OF SANKRANTI AT MRIPS

Sankranti Sambaralu Celebrated with Traditional Fervour at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Sankranti Sambaralu with great enthusiasm and festive spirit on 10th January 2025, bringing together traditional rituals, cultural performances, and joyful celebrations.

The programme commenced with a warm welcome to Chairman Shri Ch. Malla Reddy, who interacted with students and staff and extended his festive greetings. A special Sankranti pooja was conducted by Dean Dr. H. Ramana, with the support of senior faculty members and the organizing team.

Free Eye Check-up Camp Serves 130+ Patients in Hyderabad

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with the Malla Reddy Narayana Nethrala Medical Team, organized a Free Eye Check-up Camp at Azey Sayeed Colony, Hyderabad, on 10th January 2026. The camp provided essential eye-care services to more than 130 patients, promoting awareness about eye health and the importance of regular vision screening.

The initiative was successfully conducted with the support and guidance of Dean Dr. H. Ramana, MRIPS–MRV. Pharm.D 5th Year students Siddharth and Niyanthi actively participated in the camp and contributed to its successful execution.

The programme reflected MRIPS's commitment to community healthcare, social responsibility, and patient-centred service, while providing students with valuable practical exposure to community-based healthcare activities.

PROSTHODONTIST DAY CELEBRATED WITH AWARENESS SESSION AND DENTAL CHECK-UP AT MRIPS

The Department of Maxillofacial Prosthodontics and Implantology, Malla Reddy Dental College for Women (MRDCW) organized a Prosthodontist Day programme at the MRIPS Auditorium on 21st January 2026 from 2:00 to 3:00 PM. The event was conducted under the guidance of Dean Dr. H. Ramana and coordinated by Mrs. B. Revathi, with arrangements managed by Mr. V. Shukla.

Dean Dr. H. Ramana warmly welcomed Professor Dr. Banu Chander and the MRDCW team. The programme featured an informative session by a senior faculty member from MRDCW, followed by an oral and dental health check-up for MRIPS students and staff.

COMMUNITY OUTREACH CAMP SERVES 180+ BENEFICIARIES IN KAMAREDDY DISTRICT

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in collaboration with the Malla Reddy Narayana Multispecialty Hospital Medical Team, conducted a Community Outreach Camp in Kamareddy District on 23rd January 2026. The initiative provided healthcare support to more than 180 beneficiaries, promoting community well-being and access to essential healthcare services.

The camp was successfully conducted with the guidance and support of Dr. H. Ramana, Dean, MRIPS–MRV. Pharm.D 5th Year students Sidharth and Illiyas actively participated in the outreach programme and demonstrated dedication and commitment towards community service.

The initiative reflected MRIPS's commitment to social responsibility, community healthcare, and experiential learning, providing students with valuable exposure to healthcare services beyond the institutional setting.

FREE MEDICAL CAMP HELD IN ASSOCIATION WITH MALLA REDDY NARAYANA MULTISPECIALITY HOSPITAL

COMMUNITY MEDICAL OUTREACH CAMP CONDUCTED AT UDDAMARI VILLAGE

As part of the ongoing community medical outreach initiative, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS–MRV), in collaboration with the Malla Reddy Narayana Multispecialty Hospital Medical Team, conducted a medical camp at Uddamari Village, Medchal–Malkajgiri District, on 27th January 2026.

Pharm.D 4th Year students Harshit Oza and Mounavya actively participated in the camp and contributed to patient care by providing medication counselling and guidance on healthy lifestyle modifications. Their involvement provided valuable practical exposure to community-based pharmaceutical care and reinforced the importance of pharmacists in promoting safe and effective medication use.

The initiative was conducted with the valuable guidance and support of Dr. H. Ramana, Dean, MRIPS–MRV, and the Malla Reddy Narayana Multispecialty Hospital team. The programme reflected MRIPS's commitment to community healthcare, patient education, and social responsibility.

Insightful Seminar on Regulatory Affairs Held at MRIPS

A One Day Seminar on “Hyphenated Techniques for Identification of Organic Compounds” was successfully organized by the Department of Pharmaceutical Analysis, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 30 January 2026 at the MRIPS Auditorium.

The seminar was led by the Dean Dr.H.Ramana sir, whose guidance and leadership contributed significantly to the successful planning and execution of the programme. The event commenced with participant registration, which was efficiently handled by Ms. Anupama, ensuring systematic coordination.

The inaugural session formally marked the beginning of the seminar. The academic sessions were delivered by eminent resource persons who provided in-depth knowledge on advanced analytical techniques used in pharmaceutical and medicinal plant research.

Session I was delivered by Dr. Pankaj Singh, Scientist-D, ICFRE–Institute of Forest Biodiversity, Hyderabad, on the topic “Application of HPLC and LC-MS Techniques in Identification and Quantification of Secondary Metabolites in Important Medicinal Plants.” The session highlighted the practical applications of HPLC and LC-MS in phytochemical analysis, standardization, and bioactivity profiling using real-world examples.

Session II was conducted by Dr. Gangarapu Kiran, Professor, Anurag University, on “Spectral Identification of Organic Compounds using NMR.” The speaker elaborated on the principles of ^1H -NMR and ^{13}C -NMR, sample preparation, and spectral interpretation for accurate structural elucidation of organic compounds.

The overall organization of the seminar was carried out effectively by the Organising Secretaries – Dr. S. Marakatham, Dr. M. Sathish Kumar, and Dr. G. Ashok, whose coordinated efforts ensured the smooth conduct of all academic and administrative activities. The programme was anchored by Ms. Indraj, who maintained continuity and engagement throughout the sessions.

The hospitality arrangements for the resource persons and participants were efficiently managed by the Hospitality Committee led by Mr. Suresh and Ms. Harini, contributing to the comfort and success of the event.

Interactive Guest Lecture Session Organized at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), part of Malla Reddy Vishwavidyapeeth (Deemed to be University) organized a guest session with Tarun Gupta, Founder & CEO of Vaidya Rx. Dr. H. Ramana – Dean, MRIPS welcomed Tarun Gupta – Founder & CEO, Vaidya Rx (guest speaker), Dr. Suresh Munnuswamy Dean, School of Digital Health Sciences and Dr. Manthan Janodia -Registrar, MRV. Motivational session by industry leaders like him focussed on inspiring innovation, entrepreneurship, and professional growth in fields such as pharmaceuticals and digital. Dr.Suresh Sir also spoke on importance of AI in healthcare encouraging students to work on projects on similar lines. Tarun Gupta Sir was felicitated by Dr.H. Ramana, Dr. Manthan and Dr. Suresh Sir.

Exploring Hyphenated Techniques in Organic Compound Analysis

A One Day Seminar on “Hyphenated Techniques for Identification of Organic Compounds” was successfully organized by the Department of Pharmaceutical Analysis, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 30 January 2026 at the MRIPS Auditorium.

The seminar was led by the Dean Dr.H.Ramana sir, whose guidance and leadership contributed significantly to the successful planning and execution of the programme. The event commenced with participant registration, which was efficiently handled by Ms. Anupama, ensuring systematic coordination.

The inaugural session formally marked the beginning of the seminar. The academic sessions were delivered by eminent resource persons who provided in-depth knowledge on advanced analytical techniques used in pharmaceutical and medicinal plant research.

Session I was delivered by Dr. Pankaj Singh, Scientist-D, ICFRE–Institute of Forest Biodiversity, Hyderabad, on the topic “Application of HPLC and LC-MS Techniques in Identification and Quantification of Secondary Metabolites in Important Medicinal Plants.” The session highlighted the practical applications of HPLC and LC-MS in phytochemical analysis, standardization, and bioactivity profiling using real-world examples.

Session II was conducted by Dr. Gangarapu Kiran, Professor, Anurag University, on “Spectral Identification of Organic Compounds using NMR.” The speaker elaborated on the principles of ^1H -NMR and ^{13}C -NMR, sample preparation, and spectral interpretation for accurate structural elucidation of organic compounds.

The overall organization of the seminar was carried out effectively by the Organising Secretaries – Dr. S. Marakatham, Dr. M. Sathish Kumar, and Dr. G. Ashok, whose coordinated efforts ensured the smooth conduct of all academic and administrative activities.

MRIPS-MRV ORGANIZES ONE-DAY EXPERT TALK ON “TECHNOLOGY READINESS LEVEL (TRL), COMMERCIALIZATION AND TECHNOLOGY TRANSFER”

A One Day Expert Talk on “Technology Readiness Level (TRL), Commercialization and Technology Transfer” was successfully organized by the Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), under Malla Reddy Vishwavidyapeeth (Deemed to be University), Hyderabad, on 03 February 2026 at the I Year B.Pharmacy Seminar Hall, MRIPS.

The programme was conducted under the esteemed guidance of Dr. H. Ramana, Dean & Professor, MRIPS, and IIC President, whose leadership and academic vision played a pivotal role in the successful organization of the event.

The event aimed to create awareness among students and faculty about the importance of Technology Readiness Levels, the process of commercialization, and mechanisms involved in technology transfer from academia to industry.

The expert session was delivered by Dr. J. Sangeetha, Professor, MRIPS – MRV, who served as the Resource Person for the programme. The speaker provided comprehensive insights into the concept of Technology Readiness Levels (TRLs), explaining the various stages involved in the development and validation of technologies. Special emphasis was laid on the transition of research outcomes into commercially viable products and the role of innovation, intellectual property rights, and institutional support in technology transfer.

The programme was efficiently coordinated by Mrs. S. Sunanda, IIC Convenor, MRIPS – MRV, whose meticulous planning ensured the smooth conduct of the event. The overall coordination and academic support were further strengthened by Mrs. V. Sravani, Programme Coordinator, MRIPS – MRV.

CANCER AWARENESS PROGRAMME CONDUCTED AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) observed World Cancer Day on 4th February 2026 with an impactful Cancer Awareness Programme organized by the 2nd-year B.Pharm and Pharm.D students for the college fraternity.

The programme featured an informative student-led skit that effectively highlighted the importance of cancer awareness. This was followed by speeches addressing cancer statistics, modern-day risk factors, prevention, diagnostic methods, and available treatment options.

The programme was organized under the guidance of Mrs. B. Revathi, Cultural Committee Coordinator, with Dr. H. Ramana, Dean, MRIPS, serving as the Convenor. Dr. J. Sangeeta, Vice Principal,

appreciated the students for their creative performance and highlighted the role of pharmacy professionals in cancer prevention, patient care, and awareness. Mr. V. Shukla, Administrative Officer, coordinated the necessary arrangements, while student coordinators Gayatri and Lekhana took the initiative in organizing the event.

As part of the awareness campaign, pink ribbons were distributed to participants as a symbol of support and solidarity for cancer awareness. The programme successfully encouraged students to recognize the importance of prevention, early detection, and the vital role of healthcare professionals in the fight against cancer.

CANCER AWARENESS PROGRAMME CONDUCTED FOR SCHOOL STUDENTS

The NSS Unit of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), in association with Pharm.D 2nd, 3rd, and 4th Year students, organized a cancer awareness programme for approximately 200 students of ZPHS School.

The session focused on the causes and risk factors of cancer, prevention strategies, and management of treatment-related side effects. Interactive discussions and a quiz competition on cancer-related facts encouraged active participation and helped students gain a better understanding of cancer prevention and awareness.

The programme was conducted under the encouragement and support of Dr. H. Ramana, Dean, MRIPS. Mr. Shukla extended valuable support with transportation and other arrangements, while the ZPHS School staff provided excellent cooperation in hosting the programme.

The event was organized by the MRIPS NSS Unit and Pharm.D students under the coordination of Ms. N. Indraja, NSS Programme Officer, reflecting the institute's commitment to health education, community engagement, and social responsibility.

MRIPS-MRV AND MALLA REDDY NARAYANA MULTISPECIALITY HOSPITAL JOIN HANDS FOR COMMUNITY MEDICAL CAMPS

As part of the ongoing community medical camp initiative, Malla Reddy Institute of Pharmaceutical Sciences (MRIPS-MRV), in collaboration with Malla Reddy Narayana Multispeciality Hospital, conducted a medical outreach camp at Uthnoor, Kamareddy, on 2nd February 2026.

Pharm.D 4th Year students Varsha, Bhavani, and D. Teja actively contributed to the camp by performing key clinical pharmacist responsibilities, including counselling patients on appropriate medication use, comorbid conditions, and lifestyle modifications. Their participation provided valuable practical exposure to patient-centred pharmaceutical care in a community setting.

The initiative was conducted with the guidance and support of Dr. H. Ramana, Dean, MRIPS-MRV, and the medical team of Malla Reddy Narayana Multispeciality Hospital. The programme reflected the institutions' commitment to community healthcare, patient education, and the professional development of future pharmacists.

ONE-DAY SEMINAR ON “SCIENCE AND R&D STRENGTHENED BY AI” ORGANIZED UNDER IIC–MIC DRIVEN ACTIVITY AT MALLA REDDY INSTITUTE OF PHARMACEUTICAL SCIENCES WITH THE THEME “HUMAN CAPITAL ENHANCEMENT FOR AI READY WORKFORCE”

A One Day Seminar as a part of IIC - MIC driven activity on “Science and R&D Strengthened by AI” with the theme “Human Capital Enhancement for AI Ready Workforce” was successfully organized by the Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) under Malla Reddy Vishwavidyapeeth (Deemed to be University), Hyderabad, on 04 February 2026 at MRIPS.

The programme was conducted under the esteemed guidance of Dr. H. Ramana, Dean & Professor, MRIPS and IIC President, whose name leadership, academic vision, and continuous support played a vital role in the successful organization of the seminar.

The seminar aimed to create awareness among students and faculty about the growing role of Artificial Intelligence in strengthening scientific research and R&D activities, and to emphasize the importance of preparing human capital for an AI-driven workforce.

The expert talk was delivered by Mr. Dharmaraju Caleb, Technical Team Leader and AI Expert, who served as the Resource Person for the programme. The speaker provided valuable insights into the integration of AI in scientific research, innovation, and development. He highlighted how AI technologies enhance research efficiency, decision-making, and productivity across various domains. The session also focused on skill development and the need for adapting to emerging AI technologies in professional careers.

The programme was efficiently coordinated by Mrs. S. Sunanda, IIC Convenor, MRIPS – MRV, whose meticulous planning ensured the smooth conduct of the event. The overall coordination and academic support were further strengthened by Mrs. V. Sravani, Programme Co-Coordinator, MRIPS – MRV.

The seminar concluded with an interactive session, where students actively participated and clarified their queries. The event was highly informative and beneficial, leaving participants with a deeper understanding of AI-driven research and future career opportunities.

ANANTHA CHANDRIKA REDDY SECURES RANK 9 IN BTS NATIONAL GEN Z PHARMA AWAKE MISSION 2025

Proud moment for MRIPS! Our talented student, Anantha Chandrika Reddy, secured Rank 9 in the BTS National Gen Z Pharma Awake Mission 2025! The event, organized by BTS Pharma Empire Pvt. Ltd., focused on the theme "Strengths and Challenges of Pharma D Aspirants". Kudos to Anantha Chandrika Reddy for showcasing exceptional skills and knowledge!

MILESTONE ACHIEVEMENT – MRIPS COMPLETES ONE FULL ACADEMIC YEAR OF CPAC

MRIPS has successfully completed one full academic year of CPAC for B.Pharmacy and Pharm.D, covering a total of eight classes on 11th Feb 2025. This achievement marks a significant milestone in the institution's academic progress. The consistent and systematic conduct of CPAC throughout the year reflects MRIPS' strong academic foundation, collective commitment, and culture of collaboration. The successful completion of all eight classes stands as clear evidence of Teamwork, Dedication, and institutional vision. All the faculty worked very hard and made it possible.

Special thanks to Mr. Vijay Obannon, Dr. Kavya ma'am, D. Sushma ma'am, B. Revathi ma'am, N. Shekar, T. Rama Rao, M. Suresh sir, for their constant support and valuable contribution in making this milestone possible.

Heartfelt gratitude is extended to our Dean, Dr. H. Ramana Sir, whose guidance, encouragement, and exceptionally progressive mindset played a pivotal role in achieving this success. His altruistic leadership continues to inspire institutional excellence.

“SERAPHIC 2026” WELCOMES FRESHERS WITH GRANDEUR AND ENTHUSIASM AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated its Freshers' Day, “Seraphic 2026,” with great enthusiasm and excitement over two days. The celebrations commenced on 12th February 2026 with the unveiling of the event banner, followed by an energetic flashmob that created a vibrant atmosphere across the campus.

The main celebration was held on 13th February 2026 at the MRIPS Auditorium. The programme was graced by Chief Guest Dr. Sudhakar (MRCP), who was warmly welcomed and felicitated by Dean Dr. H. Ramana. The ceremony began with the traditional lighting of the lamp, followed by a series of colourful and captivating cultural performances by students.

The event was organized by the 2nd-year B.Pharm and Pharm.D students under the guidance of Mrs. B. Revathi, Mr. Prasad, and Mrs. Pranusha. Class Representatives and student volunteers actively contributed through various committees, ensuring the smooth and successful conduct of the celebrations.

A special highlight was the felicitation of Dean Dr. H. Ramana by faculty members and subject in-charges. The much-awaited Freshers' titles were also announced: Mr. Fresher (B.Pharm) – Guna; Mr. Fresher (Pharm.D) – Sai; Miss Fresher (B.Pharm) – Bhavani; and Miss Fresher (Pharm.D) – Varshitha. Winners were honoured with gifts, adding to the excitement of the occasion.

The celebrations continued with a delightful lunch and concluded on a high note with an energetic DJ session. The students expressed their sincere appreciation to Mr. V. Shukla, Administrative Officer, for his constant support and encouragement.

The two-day celebration of “Seraphic 2026” provided a memorable platform for welcoming the new students, fostering friendship and camaraderie, and creating a strong sense of belonging within the MRIPS family.

COMMUNITY HEALTH OUTREACH PROGRAM

Venue: Quileshapur & Jangaon, Date: 13th Feb 2026

We, Jyoti Rout and Asra Begum, students of Malla Reddy Institute of Pharmaceutical Sciences, sincerely express our heartfelt gratitude to the organizers of the medical camp for providing us with the valuable opportunity to participate in the camp.

The medical camp, successfully organized in Quileshapur & Jangaon, was an enriching experience that allowed us to apply our theoretical knowledge in real-life clinical settings. We gained practical exposure in patient counseling, medication management, monitoring vital parameters such as blood pressure and blood glucose levels.

We sincerely thank Dr. H. Ramana, Dean, MRIPS-MRV, and the Malla Reddy Narayana Multispecialty Hospital Medical team for their collaboration and support in our community outreach medical camp.

COMMUNITY HEALTH OUTREACH PROGRAMME:

Date & Venue: Raghunathpally & Fateshapur, Jangaon, 17th February 2026

Malla Reddy Institute of Pharmaceutical Sciences, organizing committee for the opportunity to participate in the medical camp. Jahnvi and Jagadeeswari, Pharm D students, participated actively in programme & gained hands-on experience in dispensing medicines, patient counseling, and prescription evaluation.

We appreciate the guidance of healthcare professionals and support from Dr. H. Ramana, Dean, MRIPS-MRV, and the medical team

GUEST LECTURE ON HEALTHCARE INNOVATION 2026: ADVANCING WITH AI AND DATA SCIENCE

The program "The Future of Healthcare Innovation: AI, Data & Strategic Transformation" was successfully organized by the Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) in association with the School of Digital Health Sciences & Technology on 19th February 2026.

Event Overview: Venue: Auditorium, 4th floor, MRIPS. Organizers: MRIPS and School of Digital Health Sciences & Technology. Guests: Ms. Aino Tsukamoto (Chief Operations Officer, CQI at Intrahealth Inc.) and Mr. Nobuaki Shiotsuki (Chief Revenue Officer, AIY Health) from Japan. Hosts: Dean of MRIPS, Dr. H. Ramana, and Dr. Suresh Munuswamy from the School of Digital Health Sciences

Impact on Pharmacy Students: The event provided valuable insights into how AI, data analytics, and digital transformations are shaping healthcare and pharmacy practices. Students gained perspectives on innovative patient care, research, and career opportunities in pharmaceutical technology.

MRIPS DELEGATION ATTENDS NIPER WORKSHOP ON STRENGTHENING THE MEDICAL DEVICE INDUSTRY

The Pharm.D 4th year students of Mallareddy Institute of Pharmaceutical Sciences (MRIPS), along with our faculty Ms. V. Harika, attended the Workshop on “Scheme for Strengthening of Medical Device Industry (DoP–LSSSDC)” held on 20th February 2026.

The workshop was organized by the Department of Pharmaceuticals (DoP), Government of India, in association with National Institute of Pharmaceutical Education and Research Hyderabad (NIPER Hyderabad) and managed by the Life Sciences Sector Skill Development Council (LSSSDC). The event aimed to create awareness and promote government initiatives supporting the growth of the medical device industry in India.

The workshop was conducted at the Auditorium, NIPER Hyderabad, from 2:00 PM to 5:00 PM. The session provided valuable insights into two major schemes introduced to strengthen the medical device sector and reduce import dependence.

The key schemes highlighted during the workshop included:

Marginal Investment Scheme for Reducing Import Dependence (Financial Outlay – ₹180 Crore)

Medical Device Clinical Study Support Scheme (Financial Outlay – ₹100 Crore)

MRIPS HOSTS MOCK FIRE DRILL TO ENCOURAGE FIRE SAFETY AND PREPAREDNESS

A mock fire drill was conducted at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) to ensure preparedness in case of a fire emergency on 20 Feb 2025. The drill was part of the Quality Assurance initiative by QCI. Highlights of the Drill are Fire Alert & Siren, The drill started with a fire alert siren, signaling students and staff to evacuate the premises. Students and staff safely evacuated the building following emergency exit routes. Firemen demonstrated the use of fire extinguishers and water hydrants. Dean Dr. H. Ramana briefed on essential safety measures and emergency protocols. Dr. Laxmi Madhuri, Mrs. Revathi, and Mr. V. Shukla coordinated the drill along with firemen. Firemen provided hands-on training on using fire safety equipment. Nishanth, Deeksha and Sai Kiran Volunteered the drill along with the faculty coordinators. The drill aimed to prepare students and staff for emergency situations, ensuring safety and swift response in case of a real fire incident. The mock drill was successful in familiarizing participants with evacuation procedures and fire safety equipment usage. Feedback was taken for further improvement. Thanks to Dr. H. Ramana, coordinators, firemen, and participants for making the drill effective.

MEDICAL HEALTH CAMP STRENGTHENS COMMUNITY HEALTHCARE OUTREACH

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS–MRV), in collaboration with Malla Reddy Narayana Multispeciality Hospital, participated in a Medical Health Camp conducted at Ibrahimpur and Govardhanagiri, Jangaon, on 23rd February 2026.

Pharm.D 5th Year students Himaja Tati and G. Revathi actively participated in the outreach programme and gained valuable practical experience in patient counselling, prescription evaluation, and addressing common ailments in real-world community healthcare settings.

The initiative provided students with meaningful exposure to patient-centred pharmaceutical care while contributing to community health and awareness. The programme was supported by Dr. H. Ramana, Dean & Professor, MRIPS–MRV, and the medical team of Malla Reddy Narayana Multispeciality Hospital, whose guidance contributed to the successful conduct of the camp.

HACKFEST 2026: EMPOWERING STUDENTS THROUGH INNOVATION AND TECHNOLOGY

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) successfully conducted HackFest 2026, an innovative initiative aimed at transforming students into confident innovators and future-ready problem solvers. The programme commenced with a vision on 2nd December 2025, followed by two months of learning, exploration, and hands-on engagement in Artificial Intelligence, Machine Learning, and real-world problem-solving.

Throughout the programme, students moved beyond conventional classroom learning to develop innovative solutions, present their ideas, and demonstrate their technological skills. HackFest provided a valuable platform for students to transform knowledge into practical applications while building confidence, creativity, teamwork, and entrepreneurial thinking.

A special highlight of the event was the presence of Hon'ble Shri Ch. Malla Reddy Garu, who witnessed the students' innovations, interacted with the participants, and encouraged them to pursue technology-driven solutions and become future leaders.

The occasion also marked the official launch of the BKIT Solutions Learning Management System (LMS), designed to make learning simpler, smarter, and future-ready.

HackFest 2026 showcased the power of vision, mentorship, innovation, and technology, demonstrating how empowering students can create opportunities for meaningful learning and transformation. The event marked an exciting beginning towards nurturing a culture of innovation at MRIPS

B.PHARM SECOND-YEAR STUDENTS CONDUCT JOURNAL CLUB PRESENTATION

The B.Pharm Second-Year class in-charges organized a Journal Club Presentation for the first time during the academic year 2025–2026, providing students with an opportunity to explore scientific literature beyond their prescribed textbooks.

Students were divided into teams of five and guided by mentors Mrs. B. Revathi, Mrs. Pranusha, Dr. Ravi Kumar, Mrs. Anupama, and Mrs. Indraja. Each team was assigned topics related to their four academic subjects and encouraged to refer to research journals and other scientific resources. The students presented their findings with confidence, creativity, and scientific understanding.

Dean Dr. H. Ramana graced the event and actively interacted with the students by asking questions and encouraging them to develop a research-oriented approach. Dr. J. Sangeeta, Vice Principal, and Dr. S. Ravindra Babu, HOD, Pharm.D, also attended and encouraged the participants.

The successful programme reflected the dedication of the students and mentors and marked a valuable step towards fostering research aptitude, scientific communication, teamwork, and critical thinking among B.Pharm students. The initiative set a positive example for future academic and research-oriented activities at MRIPS.

National Science Day 2026 Celebrated with Scientific Innovation and Entrepreneurial Spirit at MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated National Science Day 2026 on 28th February 2026 at the MRIPS Auditorium under the theme "Women in Science: Catalysing Viksit Bharat." The programme was organized by the National Service Scheme (NSS) and Institute Innovation Cell (IIC), with a special focus on Entrepreneurship and Start-up Opportunities in the Pharmaceutical Sector.

The event was graced by Dr. Anil Kaul, Vice-Chancellor, MRV, and Dr. Kranthi Reddy, Director of Research, MRV. The expert session by Mr. Abhishek Kumar Singh, Regional General Manager, Forest Development Corporation and former Director, Department of Pharmaceuticals, provided valuable insights into entrepreneurial strategies and start-up opportunities in the pharmaceutical industry. Dr. Neema Kumari and Dr. Ellojitha Priyadarshini Rout delivered insightful talks on the scientific journey of Tu Youyou and the achievements of women in STEM, respectively.

The post-lunch session featured vibrant E-Poster, Live Model, and Model Presentation competitions, encouraging students to demonstrate creativity, research aptitude, scientific thinking, and practical innovation. Shashank (B.Pharm II Year) won First Prize in the E-Poster Presentation, while Nagamallesh, Keerthi and Vaishnavi (Pharm.D III Year) secured First Prize in the Live Model Presentation. In the Model Presentation, Srujana, Nishmitha and Gnaneshwar (Pharm.D II Year) emerged as winners.

The programme concluded with a Valedictory Ceremony, where Dean Dr. H. Ramana felicitated the winners and appreciated all participants for their enthusiasm and innovative efforts. The celebration successfully inspired students to explore scientific research, innovation, entrepreneurship, and technology-driven solutions, reinforcing the vision of contributing meaningfully towards Viksit Bharat.

MRIPS SUCCESSFULLY COMPLETES YES+ PROGRAM IN COLLABORATION WITH ART OF LIVING FOUNDATION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) – MRV successfully conducted the YES+ (Youth Empowerment & Skills Workshop) from 23rd February to 27th February 2026, in collaboration with the Art of Living Foundation.

The program was led by Mr. Aditya Sir and Mrs. Parul Khurana, International Faculty, Art of Living Foundation. Over five engaging days, students actively participated in sessions focused on stress management, leadership development, emotional resilience, and self-awareness.

A key highlight of the workshop was the practice of Sudarshan Kriya, a powerful rhythmic breathing technique that helped students improve mental clarity, concentration, emotional balance, and inner stability. The positive transformation observed among participants reflected the depth and effectiveness of the program.

At the conclusion of the workshop, certificates were distributed to the students in recognition of their successful completion. The entire experience was truly joyful and enriching for both students and faculty members, fostering a spirit of positivity, connection, and holistic growth across the campus.

MRIPS expresses its sincere gratitude to the Art of Living Foundation faculty for delivering this impactful initiative and looks forward to continued collaboration for student well-being and leadership development.

NATIONAL PHARMACY EDUCATION DAY – PHARMA ANVESHAN 2026 CELEBRATED AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated National Pharmacy Education Day – Pharma Anveshan 2026 on 6th March 2026 at the MRIPS Auditorium, under the theme “Future Pharma Ecosystem: Fostering Synergy among Academia, Industry, Regulatory and Practice.”

The programme featured insightful expert sessions by Prof. C. S. Mujeebuddin, Founder & CEO, Clinisol Research, who spoke on strengthening collaboration across academia, industry, research, regulatory bodies and practice, and Mr. Kurma Manohar, Co-Founder,

Xiaonics Pvt. Ltd. and MRIPS alumnus, who highlighted the role of accelerator and incubation centres in promoting innovation and industry-academia collaboration.

The event, organized under the leadership of Dr. H. Ramana, Dean & Professor, along with Dr. J. Sangeetha, Vice Principal & Professor, and the organizing team, commemorated the 124th birth anniversary of Prof. M. L. Schroff, the Father of Pharmacy Education in India. The speakers were felicitated by the Dean in recognition of their valuable contributions. The interactive sessions encouraged meaningful discussions on shaping a collaborative and future-ready pharmaceutical ecosystem.

FACULTY PARTICIPATE IN UBA ORIENTATION PROGRAMME

Faculty members Dr. M. Swetha and Ms. N. Rajitha participated in the Unnat Bharat Abhiyan (UBA) Orientation Programme held on 6th March 2026. The programme provided valuable insights into the objectives, structure, and implementation of UBA initiatives, with emphasis on the role of higher educational institutions in village adoption, rural development, community engagement, and technology-based solutions.

The session highlighted opportunities for developing and customizing innovative technologies to address village-level challenges and promote sustainable rural development in collaboration with government schemes and community stakeholders.

The faculty members expressed their gratitude to Dr. H. Ramana, Dean, MRIPS, for his continuous support and guidance in encouraging institutional participation in rural development and community outreach initiatives. The programme strengthened the commitment of MRIPS towards social responsibility, rural empowerment, and meaningful community engagement.

GPAT QUALIFIERS 2026

GPAT QUALIFIERS 2026
Congratulations to our outstanding students for their achievement!

MRIPS CELEBRATES UGADI WITH GRANDEUR

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) celebrated Ugadi, the Telugu New Year, on 18th March with great enthusiasm. The event was meticulously organized by Administrative Officer, Mr. Shukla, and Cultural Coordinator, Mrs. Revathi.

The celebrations began with the traditional Ugadi Pooja, where senior faculty members like Dr. Jyotirani, Dr. Sangeeta, Mrs. Revathi, Mrs. Mounika, Dr. Shweta, Mr. Laxmikanth participated in the sacred rituals. The lab assistants, Mrs. Vijaya, Mrs. Bharti, Chandana, Nitisha, Divya, and Navya, took care of the Pooja arrangements.

Dean, Dr. H Ramana, performed the Pooja and conveyed a special message to the staff, wishing everyone a happy and prosperous new year. He appreciated the collective efforts of the staff and expressed his happiness with the teamwork.

The celebrations continued with the distribution of delicious Prasad to all staff members and students, thanks to the Administrative Officer.

ACADEMIC EXCELLENCE: MRIPS FACULTY MEMBER EARNS DOCTORAL DEGREE

Heartfelt congratulations to Mrs. Naga Sai Shyamala on the successful completion and award of her Ph.D. degree. This remarkable academic achievement reflects her dedication, perseverance, and commitment to research and academic excellence.

Her accomplishment is a proud moment for the Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) and serves as an inspiration to fellow faculty members and students. The institution extends its warmest wishes for her continued success and many more achievements in her academic and professional journey.

DIVIS LABORATORIES CONDUCTS PLACEMENT DRIVE AT MRIPS

A successful Placement Drive by Divis Laboratories was conducted at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 6th April 2026.

Around 150 students actively participated in the recruitment process with great enthusiasm and confidence. The drive was coordinated under the guidance of Dr. G. Ashok, Placement Officer, and Mr. M. Suresh, Placement Coordinator, with valuable support from Administrative Officer Mr. Shukla.

ORAL DENTAL HEALTH CAMP A HIT ON WORLD HEALTH DAY! 🦷 _

FREE DENTAL CHECK-UP CAMP PROMOTES ORAL HEALTH AWARENESS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) organized a Free Dental Check-up Camp on 7th April 2025, focusing on oral hygiene awareness and preventive dental care. More than 150 students, along with faculty members, benefited from the camp.

Dr. Vishnupriya, Dr. Prasanth, and their team from Malla Reddy Women's Dental College (MRWDC) conducted comprehensive dental check-ups and provided guidance on maintaining good oral health. Necessary facilities and arrangements were provided to ensure the smooth conduct of the programme.

The camp was conducted under the guidance of Dr. H. Ramana, Dean, MRIPS, with Mr. V. Shukla, Administrative Officer, supporting the arrangements and hospitality for the dental team. The organizers expressed their gratitude to Dr. Chittaranjan, Dean, MRWDC, and Dr. Vijay Kumar, NSS Nodal Officer, MRV, for their support and permission to conduct the camp.

The successful initiative reflected MRIPS's commitment to student well-being, preventive healthcare, and health awareness.

MRIPS Students Shine in Intercollegiate Debate Competition

Students of Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) brought laurels to the institution by securing Third Prize in an intercollegiate debate competition held as part of the Praja Palana Awareness Programme, organized by Bojjam Narasimhulu Pharmacy College for Women.

The MRIPS team comprising P. Mohana Laxmi, Bhavani Varsha, Srinidhi, and Uday Singh participated in the debate on the topic "Branded vs Generic Drugs – Special Focus on Quality, Efficacy of Drugs and Safeguarding Public Health."

Their well-researched arguments, effective communication, and confident presentation earned them the prestigious third prize.

The Management, Dean, and faculty of MRIPS congratulated the students on their achievement and appreciated their efforts in bringing recognition to the institution through their academic excellence and debating skills.

MRIPS ACHIEVES MILESTONE WITH DIGITAL EVALUATION AND EARLY RESULTS DECLARATION

A significant academic milestone was achieved at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) as Chairman Sri Ch. Malla Reddy Sir digitally declared the 1st Batch B.Pharm and M.Pharm results on 9th April 2026. The results were successfully processed through digital evaluation within just 15 days, marking a remarkable achievement in academic efficiency and innovation.

Chairman Sir congratulated Dean Dr. H. Ramana and his team, particularly appreciating the students for their performance. Special recognition was given to Dr. Kartikeyan, Controller of Examinations; Dr. Ramanuja Rao, Deputy COE; and Dr. Satish and Dr. Mounika of the Examination Branch for their dedicated efforts.

The top scorers included Shamdigdha (B.Pharm I Year) – 9.3 CGPA, Gayatri – 9.2 CGPA, and Vamshi – 9.1 CGPA. Chairman Sir also emphasized the importance of developing AI/ML skills among students to prepare them for the future. The students expressed their gratitude to Chairman Sir for making their batch a unique and memorable milestone at the national level.

TEAMWORK SESSION FOSTERS COLLABORATION AND INNOVATION AT MRIPS

A dynamic Teamwork Development Session was organized for B.Pharm III Year and Pharm.D II Year students at Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) on 11th April 2026, from 9:30 AM to 4:00 PM, under the coordination of Mrs. B. Revathi.

Led by Trainer Mr. Praveen, the session featured interactive team activities, brainstorming exercises, and innovative idea-pitching tasks. Students actively participated in group challenges, strengthening their communication, creativity, collaboration, and problem-solving skills.

Dean Dr. H. Ramana appreciated the efforts of the trainer and students for making the programme a successful and enriching experience. Administrative Officer Mr. V. Shukla ensured the smooth arrangements for the session. The programme received positive feedback and provided students with valuable skills for their future academic and professional endeavours.

SELF EMPOWERMENT WORKSHOP INSPIRES STUDENTS AT MRIPS

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), part of Malla Reddy Vishwavidyapeeth, organized a “Self Empowerment” workshop in collaboration with TASK on 13th April 2026, from 9:40 AM to 4:00 PM. The session was led by Trainer Mr. Ram Manoj, who inspired students to recognize their strengths, set meaningful personal goals, and take ownership of their growth. Through engaging discussions and motivational activities, the workshop enhanced students' self-confidence, personal development, leadership, and life skills.

The programme was conducted under the guidance of Dean & Principal Dr. H. Ramana and coordinated by Mrs. B. Revathi, TASK Coordinator. Administrative Officer Mr. V. Shukla ensured smooth arrangements for the successful conduct of the workshop. The highly interactive session received an enthusiastic response from students, who appreciated the trainer's inspiring approach and valuable insights into unlocking their full potential.

MRIPS SUCCESSFULLY CONDUCTS 3-DAY PHARMACOVIGILANCE TRAINING PROGRAM IN COLLABORATION WITH TASK, GOVT. OF TELANGANA

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS) initiated a Pharmacovigilance Certificate Course for B. Pharmacy and Pharm D III Year and IV Year students in collaboration with TASK, Government of Telangana. The 3-day intensive training program, held from 16th to 18th April 2026, was coordinated by Mrs. B. Revathi, TASK In-charge at MRIPS, under the convenership of Dr. H. Ramana, Dean, MRIPS. The sessions were expertly delivered by trainers Ms. Uma Priya.

Key Learnings from the 3-Day Session:

Day 1: Introduction to Pharmacovigilance, History & Evolution, Global Regulatory Authorities, Classification of ADRs and Different Forms of ADRs.

Day 2: Case Studies, ADR Reporting Forms, CIOMS Types and Regulatory Documentation.

Day 3: Career Guidance in Pharmacovigilance, Interview Tips, Industry Scope, Assessment Methods, and Introduction to MedDRA.

As a gesture of gratitude, MRIPS presented a token of appreciation to Ms. Uma Priya for her valuable training and insights.

During the feedback session, Dr. H. Ramana, Dean, appreciated the successful conduct of the program. Listening to the positive feedback from both trainers and students, he congratulated all participants and extended special thanks to Coordinator Mrs. B. Revathi and AO Mr. V. Shukla for organizing the session smoothly and efficiently.

MRIPS AND VEGI HEALTH CARE LIMITED SIGN MOU TO PROMOTE NUTRACEUTICAL INNOVATION

Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), Malla Reddy Vishwavidyapeeth (MRVV), and Vegi Health Care Limited entered into a Memorandum of Understanding (MoU) to strengthen academic–industry collaboration and promote innovation in the field of phytochemical-enriched nutraceuticals.

Following the MoU signing, Vegi Health Care Limited commenced its operations at the MRV Incubation Centre, MRIPS campus, under the leadership of Dr. Gaurav Gupta, with the objective of encouraging nutraceutical research, innovation, entrepreneurship, and start-up development.

The signing ceremony was attended by Dr. M. Sudhakar, Principal, MRCP. Dr. H. Ramana, Dean, MRIPS, appreciated the collaboration and highlighted that the partnership would provide valuable opportunities for students, faculty, and research scholars to work on innovative nutraceutical projects and explore pathways towards commercialization.

The Directors of Vegi Health Care Limited—Dr. S. Ramakrishna, Dr. Santhosh Kumar, Mrs. Gayatri, and Mrs. Supriya—also contributed to establishing this collaborative initiative.

The partnership marks an important step towards bridging academic research with industry applications, fostering innovation, and translating phytochemical-based research into commercially viable health products.

MRIPS BECOMES HUB OF SCIENTIFIC EXCHANGE THROUGH ISACPR 2026

SECOND INTERNATIONAL SYMPOSIUM ON ADVANCES IN CHEMICAL AND PHARMACEUTICAL RESEARCH (ISACPR 2026) HYBRID MODE IN ASSOCIATION WITH ASSOCIATION OF PHARMACEUTICAL TEACHERS OF INDIA, TELANGANA STATE BRANCH 24TH APRIL 2026 DAY-I

The first day of the 2nd International Symposium on Advances in Chemical and Pharmaceutical Research (ISACPR 2026) was conducted successfully with enthusiastic participation from academicians, researchers, and students. The event served as a dynamic platform for knowledge exchange on emerging trends in pharmaceutical sciences. The program commenced with registration, followed by a vibrant inaugural ceremony. The session began with a welcome dance performed by Sahithi and Shivani, B. Pharm 1st year which added a cultural and celebratory tone to the event.

Sri Ch. Malla Reddy, Founder Chairman – MRGI; MLA and Former Minister, Government of Telangana
